Are You in Debt?

The Debt Habit is one of the greatest dangers of our time—yes, of any time. Is it growing upon you? Once you paid your bills every week—then every month—and now? There is only one way to get out of this habit. Take a small portion of your income and deposit it regularly—just as you get it—in an Account at the BANK OF GRESHAM. By this method you will build a sinking fund. It is the only way!

—Debt and Death are two words singularly connected not only in sound, but in fact; for the former frequently hastens the latter.
