# LINDSEY'S BIG CASH-RAISING SALE

## Commences Monday, June 21

### We Have to Sacrifice Our Profit

Business has not come up to our expectations this season and our stock is not moving as it should. Therefore, bills are falling due and we must have money to meet them. For this season we are going to sacrifice our profit and in many instances part of the original cost in order to raise money to meet these demands. There will be no reserve, every article will be reduced: Arrow Collars, Calico and Overalls excepted. \$10,000 worth of fine first-class merchandise, all new and dependable, no shop-worn goods to offer, will be slaughtered. These are plain incontrovertible facts, we need the money and if prices and quality count for anything we are going to get it.

#### DON'T FORGET THIS

All goods sold on credit will be charged at regular prices, as our one purpose of sacrificing these goods is to raise money.
