At the meeting of our city dads Tuesday evening permit was granted the Warren Construction company to put in a temporary pump and pipe from the Jackson spring to the depot grounds of the O. W. R. & N. company for the purpose of supplying the Construction company's plant and mixer for hard surfacing the Sandy road. A right of way is being sought by the company to cross the Luscher farm, as the cutting of the Sandy and Fairview hills will hinder very much in getting material on the road from the plant.
