COLUMBIA HEIGHTS

Our little hamlet is in mourning at this time over the death of little Otto Kneriem, who died Sunday morning at Good Samaritan hospital in Portland, following the amputation of his leg, which was cut so severely in the mowing machine three weeks ago. The little fellow was a real hero through all his trials and never cried or complained and was a patient little sufferer. The funeral took place from the grange hall on Monday, Rev. Mr. Reeder of the Christian church had charge of the services, which were impressive and beautiful and the floral pieces were in abundance. Burial was in the new cemetery near the hall. Mr. and Mrs. Kneriem have the sympathy of all.

W. Hicks is on the sick list, but is somewhat better and a speedy recovery is hoped for.

The ranchers here have had some difficulty in getting their hay crop dry. Much damage has been done to the hay this year on account of the wet weather. Grain is somewhat slow in ripening and more or less rust is noticed. Potatoes are looking fine and the damage done by blight is not so bad as at first reported. Apples are not very plentiful but there are lots of prunes and Bartlett pears.

John Taylor spent Sunday at his ranch and returned to The Dalles on Monday morning.

Mr. Hargrove of Portland has sold 20 acres of land here adjoining Mr. Julius Meier's for \$8,000. There are a large modern house, barn and granary on the place.

The Case of L. L. Cantelou

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera and Diarrhoea. Since then no one can sell a doctor for several months, and using different kinds of medicine for my wife who had been troubled with severe bowel complaint for several months, I bought a 25c bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured." For sale by Gresham Drug Co.—Ad.

Not So Strange After All

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabash, Ind., writes, "Nothing did me the least good until I began using Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used."
