

How Can a Woman Bank \$2 a Week?

Some can't do it. Most can. It depends upon the woman. Make up your account of what you spend weekly. Then cut to the bone your expenditures. Be extravagant only in saving money.

Some women will say, "I can't do without this" and "I can't do without that." Other women will say, "I WILL do without this," "I WILL do without that."

There's no word in the English language which pays larger dividends than WILL.
