The following recipe is used by the housewives in this community and very much liked. Some prefer to soak the pickles over night in salt water to remove the green taste. Then so much salt need not be used in the recipe.

Cold Pickles.
One gallon vinegar, 4 tablespoons mustard (prepared), 3 tablespoons ginger, 1 tablespoon tumeric powder, 1 cup salt, 1 1/2 cup brown sugar, a little red pepper. Mix spices and add vinegar. Cut pickles size wanted, (leave little ones whole), and pour over them the liquid. Stir every day for a week when they are ready for use.

Russia put the finish in Finland and left the Pole in Poland.
