Are You Looking Old?
 Old age comes quick enough without inviting it. Some look old at forty. That is because they neglect the liver and bowels. Keep your bowels regular and your liver healthy and you will not only feel younger but look younger. When troubled with constipation or biliousness take Chamberlain's Tablets. They are intended especially for these ailments and are excellent. Easy to take and most agreeable in effect. For sale at Gresham Drug Store.—Adv.

Morgan of Troutdale, was united in marriage with Miss Louise Schoepper of Portland. Judge Gatens officiated, using the beautiful ring ceremony.

The wedding was largely attended by friends of both bride and groom, numbering about 150. The bridal couple stood under large palms. They were attended by the groom's brother, H. E. Morgan and wife of St. Johns. The bride's dress was of cream silk poplin. She wore a wreath of orange blossoms and veil and carried an arm bouquet of white roses, maiden hair ferns, lilies of the valley and orange blossoms.

After the ceremony, luncheon was served. Mr. and Mrs. Morgan went to their home in St. Johns immediately after the luncheon and left the next day for their honeymoon at Seaside.

For a whole solid hour the captain had been lecturing his men on "The Duties of a Soldier," and he thought that now the time had come for him to test the results of his discourse. Casting his eyes around the room he fixed on Private Murphy as his first victim.

"Private Murphy," he asked, "why should a soldier be ready to die for his country?"

The Irishman scratched his head for a while; then an ingratiating and enlightening smile flitted across his face. "Shure, captain," he said pleasantly, "you're quite right. Why should he?"—Boston Transcript.
