The following is a list of the pupils of Pleasant Valley school who were entitled to a place on the roll of honor for the month of October: advanced room—Anthony Schmid, Florence Richey, Edith Butler and Lillian Blyman. Primary room—Pearl Restorf, Alice Richey, Catheryn Poppleton, Shigeru Kurashita, Earl Olson, Eula Marvin and Barbara Cornely. In order to be placed upon the roll of honor, pupils must be neither tardy nor absent and must have above 95 per cent. in deportment. There were other pupils in the school who were neither tardy nor absent but their department was such that their name could not be

placed upon the honor list. We sincerely trust that we may have the pleasure of placing the name of every pupil in Pleasant Valley school upon the roll of honor for the month of November. This is a feature of the school work in which the parents can aid the teachers very materially.

LUSTED

The patrons of the district gathered at the schoolhouse last Saturday evening, numbering over a hundred, for the purpose of organizing a Parent-Teachers' association. Mr. Maris, field worker from the Oregon Agricultural college, was present and gave us a talk on the subject which was interesting as well as instructive. A short program was given by the school. Miss Marian Robertson sang a solo, accompanied by Miss Hilda Byers. The following officers were elected: Mr. James Goger, president; Miss Marian Robertson, vice president; Miss Alberta Schneider, secretary; committee on program, Miss Eva Schneider, Mrs. Ed. Hamilton; constitutional committee, Mrs. Ed. Sester, Mrs. Ella Schneider. After the close of the meeting the crowd was invited to a dainty lunch, consisting of cake, sandwiches and coffee. The next meeting will be held December 3d.

COLUMBIA HEIGHTS

Several potato merchants have been here the last few days and some of the ranchers have sold all of last season's crop at \$1 a hundred pounds. This year there were none who could boast of a good crop, with the exception of some late potatoes that have not been dug yet. A. Butler has just finished loading a car at Corbett.

We noticed that freak potato in the Journal yesterday, and such is quite a common thing here, but we don't raise them like Peter Melander did his. We have found freaks still worse than Melanders, but they always raise themselves. I am sure if anybody would try to grow a freak like that they couldn't do it.

D. Reeder, son of Rev. Mr. Reeder of the Christian church, met with a terrible accident a few days ago while handling his team of horses. He got into close quarters somehow was pinned between the horse and the stable door and his breastbone and some ribs were fractured. Mr. Reeder is getting along quite well at this time.

Mr. Darling, our Highway stage driver, and brother of Mrs. E. M. Henderson at Crown Point, has accepted the position as manager of the Meyer place here and is busy moving his family out from Portland.

Mr. Stapleton, Gresham's big mayor, was at Columbia View farm last week investing in hogs.

Miss Ruby Rasmussen, of Monmouth, will spend Thanksgiving at home with her parents.

Mrs. E. M. Henderson spent several days in the city last week on business.

Julius Meier and family and a few guests spent last Sunday at their home at the Heights.

Orient School Notes.

The Parent-Teachers' association of Orient school last Friday was well attended. The following officers for the ensuing year were elected: president, Rev. C. M. Brown; secretary, Miss Anna Newman; treasurer, Miss B. Maude Michel. It was decided to hold a school fair the coming fall and also that all regularly enrolled pupils of the school will enter. The "Home Credit System" was explained by Principal Quicksall and many pupils are receiving credit for work done at home. Refreshments were served by the ladies which were much enjoyed by those present. These meetings will be regularly held every fourth Tuesday throughout the year and all persons interested in the school should endeavor to attend.

The boys of the school have obtained permission to fit the old chapel building for basketball and now they may play even though it does rain. The girls of the school will have possession two days of the week.

The attendance throughout the school is excellent considering weather conditions.

The number of pupils continues to increase and now 128 are in attendance.

School will be closed on Thanksgiving and the day following.
