Some Remedy.

A gentleman, traveling through the South, stopped at the cabin of an old negro woman for a drink of water. Noticing her extreme age and rheumatic condition, he told her that a friend of his who was 80 years old and who had been a great sufferer with rheumatism had recently married a beautiful young girl 18 years old.

The old negress was very thoughtful for a moment and then said: "Is it so? Dey sho is tryin' most ebry thing these here days for rheumatix, ain't dey?"

The largest Spanish chestnut tree in the world grows in a forest on the slopes of Mt. Etna. It is said that 100 soldiers and their horses once found shelter beneath it from the rain.

SERVICE AND QUALITY

ALL THE DOINGS OF 'YOUR HOME TOWN'

The union revival meetings will be held each afternoon at 2:30 and each afternoon at 7:30 during this week with the exception of Saturday. All are cordially invited.

Dr. T. B. Ford was present at the Methodist Episcopal church yesterday afternoon, where he conducted the second quarterly conference, a good number being present. Dr. Ford took part in the evening service at the church.

J. Cannon was a business visitor in Portland on Monday.

A meeting of the Women's Christian Temperance Union will be held at the Methodist Episcopal church next Thursday afternoon at 2:30 o'clock under the direction of Mrs. C. M. Oilphant, evangelistic superintendent of the local union. Mrs. Hanson, evangelical superintendent of the county union will be present and take part.

Miss Lucy Adams and Mrs. Ellen A. Pomeroy have moved from their place on the Section Line road to Chas. Cleveland's house on Main street. Mrs. Pomeroy has opened her music studio at the latter place, where she meets her pupils.

Florence Kern celebrated her eighth birthday today with a George Washington party. Her guests were Doris Zimmerman, Georgia Stapleton, Joyce Kidder, Dorothy Pratt, Jeanette Dowsett, Mildred Knighton and her teacher, Miss Emma Fuller.

Milo C. King has been asked to allow his name to be put in nomination for director of Gresham school district No. 4, and has consented to accept if elected at the special school meeting on Saturday afternoon. The vacancy is caused by the removal and resignation of A. E. Lindsey. Mr. King was for five years a teacher and principal of schools before he was a lawyer. In 1888-9 he was principal of the high school at Kirwin, Kansas, the home town of E. C. and A. E. Lindsey.

Attorney King has gone to Sifton, Washington, for a few days to take the depositions of Jas. Hartson and son in connection with a slander suit which he is defending in the circuit court in Oregon City. The trial will begin on the 8th of March. John Miller of Boring, Mr. King's client, is the defendant.

Miss Ada Doane, of Portland, spent Sunday with Miss Miriam Brown.

Miss Beulah Caplinger came over from Vancouver on Saturday and attended the dance at Orient, returning on Sunday.

Ed. Sleret and wife, of Vancouver, spent Sunday with Mr. and Mrs. John Sleret at Seenic.

Mrs. H. L. Jenkins, of Portland, came out on Sunday to the home of her daughter, Mrs. J. O. Downing, accompanied by another daughter, Miss Edith Jenkins, who returned home the same day. Mrs. Jenkins will spend several days in this vicinity before going back.

A special school meeting has been called in District No. 4, Gresham, for the purpose of electing a successor to Bert Lindsey, school director, whose departure from here created a vacancy on the board. The meeting will be held next Saturday, February 26, at 2 p. m.

B. L. Walrad was seriously injured on Friday while carrying a sack of wheat into the basement of the Catholic parsonage. He fell and wrenched his knee, tearing some of the ligaments loose. The injury is very painful and he is laid up in consequence.

L. D. Howard and family, of Portland, are in Gresham today at the home of Mrs. Howard's parents, Mr. and Mrs. L. P. Manning.

Mrs. E. Hatch, of Portland, is a house guest of Mrs. J. A. Frakes this week.

Mrs. Bessie Kronenberg has arrived from California in company with her brother, Lefe Manning. Her condition has improved and there are hopes for her speedy recovery.

L. G. Fuller, who has been visiting with his brother, N. O. Fuller and family for some weeks, has returned to California to visit his daughter and grandchildren. Mr. Fuller thinks the Oregon climate is too much.

The Gresham grange will hold a special meeting on Friday night, Feb. 25. The main object of the meeting is for practice, and all members are urged to attend.

Mr. and Mrs. Dennis Flemming have moved from Gresham to Portland, where Mr. Fleming will be employed.

Vern Hopkins of Portland visited with Gresham friends on Sunday.

Rev. A. J. Jocelyn and wife of Canby, Oregon, visited on Saturday and Sunday with Dr. and Mrs. A. Thompson and Mrs. Mary Preston.

A meeting was held last night at the home of Miss Inez Lusted, when an embroidery club was formed for the purpose of social intercourse. Twenty-six young ladies were present and signified their desire to join such an organization. The meeting was called on the invitation of Miss Lusted and Miss Esther Eilford. Light refreshments were served at the close of the evening. Miss Hazel Cartan and Miss Vaughn McCormick will entertain the club in two weeks from last night.

TO HATCH FOR WINTER LAYERS

The farmer who is successful in getting his hens to lay when eggs are high in price, hatches the chicks early enough in the season so they will have time to mature before cold weather sets in, but not so early that they will mature in warm weather and when cold weather comes stop laying and go into moult, says Mr. Dryden of O. A. C. Experiment Station. This is an important point for the poultryman.

For Leghorns, and other small breeds, the best time on the average to hatch them is about the beginning of April or from March 20 to April 20. Chicks that are hatched within these dates with the proper care throughout the summer, will make the best late fall and winter layers. If hatched a month earlier they will mature early and usually go into a moult and stop laying when eggs are at their highest. For heavier breeds that require longer to mature, the hatching season should be earlier. For Plymouth Rocks and breeds of that size, about the middle of March is a very good time, or any time between March 1 and April 1. There is very little profit in pullets that have been hatched later than the first of May. While it is possible to hasten or retard laying maturity by regulating the feeding and care, with good average care the dates given above will be about right.

The Best Recommendation.
The strongest recommendation any article may receive is a favorable word from the user. It is the recommendations of those who have used it that makes Chamberlain's Cough Remedy so popular. Mrs. Amanda Gierhart, Waynesfield, Ohio, writes, "Chamberlain's Cough Remedy has been used in my family off and on for twenty years and it has never failed to cure a cough or cold." For sale by Gresham Drug Co.

Something Good.
Those who hate nasty medicine should try Chamberlain's Tablets for constipation. They are pleasant to take and their effect is so agreeable and so natural that you will not realize that it has been produced by a medicine. For sale by Gresham Drug Co.

Truancy has been reduced to a minimum in the schools of Los Angeles by means of the telephone. As soon as a child's absence is noted his parents are called up and asked the reason.

For a Billious Attack.
When you have a severe headache, accompanied by a coated tongue, loathing of food, constipation, torpid liver, vomiting of partly digested food and then bile, you may know that you have a severe bilious attack. While you may be quite sick there is much consolation in knowing that relief may be had by taking three of Chamberlain's Tablets. They are prompt and effectual. For sale by Gresham Drug Co.
