ROBERT TUCKER
Republican, Candidate for Nomination for Circuit Judge, Fourth Judicial District, Dept. No. 3, Comprising Multnomah County.

Robert Tucker was born in Ohio, September 5, 1866; was educated by his own efforts and graduated from Buchtel College in 1891, and afterwards from the Law Department of the Cincinnati University; has been in active practice in both state and federal courts for over twenty years; has always been a Republican; is a man of family and a taxpayer.

Robert Tucker is well equipped, both by natural endowment, experience and training, to make a splendid judge. He is a man of broad sympathies, is practical, conservative, and believes in the enforcement of the law; was appointed Assistant United States Attorney for the Northern District of Ohio by President McKinley, and later was appointed an Assistant United States Attorney for Oregon, where he has been a resident for about eleven years.

The voters can make no mistake in electing him Circuit Judge as he will bring to the bench learning, industry, dignity and a mature, safe, and sound judgment, and will honestly, faithfully and impartially discharge the duties prescribed by the oath of his office.

A Symbol of Health.
The Pythagoreans of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford.
