SURPRISES CONTAINED IN RESULTS

A. W. Lafferty, for congress, developed great strength in the country precincts during the last three days of the campaign and had a good plurality over his two opponents, but not enough to overcome the city vote.

The most interest attached to the vote for school superintendent. In the three Gresham precincts Mr. McCormick received 230 out of 267 cast for the three leading candidates.

Following are the totals for the leading county offices, congressman and secretary of state:

SERMON WILL BEGIN CLOSING EXERCISES

Attention is again called to the closing exercises of the high school, which will begin with the semester examinations on June 1. On Sunday morning, June 4, the sermon to the graduates will be preached at the Methodist Episcopal church by the Rev. A. J. Ware of Oregon City.

The Senior play, "The Strenuous Life," will be put on at Regner's opera house on Friday evening, May 25. The curtain will rise promptly at 8:15. The final preparations are about completed and an unusually good presentation of the play is expected.

The Senior Annual is now in the hands of the printer and will be issued in a few days. As the edition is limited, all those desiring a copy of this first annual of Union High, should speak at once.

BAD CHECK ARTIST FINDS TWO VICTIMS

Two Gresham merchants were the easy victims of a smooth confidence man one day last week who succeeded in making a rake of about twenty dollars before he faded away from the verdant pastures of the town.

The two who unfortunately placed their faith in bad checks presented by a stranger were C. H. Lane and Adolf Tietze. The former was stung for twelve dollars and the latter for \$10.75.

At Lane's store the stranger said he was clearing land on the Base Line and ordered a small bill of groceries which he left on the counter until he should return. He failed to come back but took the change with him when he left. The two checks returned, however, and are held as sad mementoes of deals that failed to pay dividends.

ASSURED EXHIBIT OF GRESHAM GRANGE

Gently disengaging himself from the composition of a fierce political editorial for the trench on the western border of the second page, the writer reached for the telephone to inform Mrs. J. R. Cavanagh, master of Gresham grange, that a consignment of fancy seed potatoes reposed on the floor of the rosewood and mahogany sanctum of the Outlook subject to her orders.

The beautiful consignment represented the ten progenitors of what will be on display at the county fair next September—eight varieties of spuds, the bountiful donation of H. A. Lewis president of the fair and proprietor of the Russellville nurseries.

They were delivered at the rosewood, etc., on Friday and were the inspiration for this story as soon as it could be doped out.

Forecast for the Week.

Rocky mountain and Plateau regions and Pacific states; the weather will be generally fair except that occasional showers are probable on the North Pacific coast. Temperatures will be near the normal.

Commissioner; Fred G. Buchtel is nominated as Public Service Commissioner.

John Gill had no opposition for the office of joint senator from Multnomah and Clackamas. A. H. Burton was named as joint representative for the same two counties.

COMMITTEE ANNOUNCEMENT OF CHAUTAUQUA PROGRAM

Satisfactory progress is being made by the local committee in charge of the Gresham Chautauqua. The guarantees for season tickets amounting to \$1000, were secured several weeks ago and the sale to individuals of a sufficient number to cover that sum is progressing favorably.

The advertising matter supplied by the Ellison-White Chautauqua system is being distributed. It contains the announcement that the first program will begin on Sunday morning, June 11, at 11:00 a. m. The program will continue in the afternoon and evening, after the usual morning church services. Following days there will be the regular program each morning, afternoon and evening until the close of the session on Friday evening.

An admission fee, ranging from 15 to 75 cents, will be charged for each afternoon and evening program. Holders of season tickets will be admitted to all of them except the Junior meetings without extra charge. The price of season tickets at the gate, after the programs have begun, will be \$3. Those who buy from the committee before the 400 are all sold will save fifty cents on each ticket. Six of the tickets have duplicate numbers and their holders will be entitled to a refund of their money.

Junior season tickets are on sale at \$1.00 and will admit the holders to the Junior Chautauqua, afternoon and evening concerts.

The programs and other details of the Gresham Chautauqua will be in charge of James L. White, as superintendent, with Miss Joy Harmon as junior supervisor.

C. M. McARTHUR

Nominated for Second Term in Congress.

NEW SUPERINTENDENT TO AID COUNTRY SCHOOLS

PORTLAND, May 20, 1916.—Editor Outlook:—Permit me to thank you for the Outlook of the 12th inst., mailed to my house. I think you are to be complimented on the effective and clean campaign you made for Mr. McCormick.

Your analysis of the country school situation was much more comprehensive than could have been made by any one not thoroughly acquainted with the facts of the case. I am sure that Mr. Alderson's views will meet with your approval when he has a chance to consult with you as your idea and his are in accordance all along the line. I sincerely hope that he may be able to do something more for the country schools than has been the case in recent years. With the active assistance of those who are interested in them he may be able to do so. I hope to have some influence in seeing that Portland lends a hand.

Yours very truly, C. H. LEADBETTER, Portland Chamber of Commerce.

A THREE-FOUR SCORE IN ELEVEN-INNING GAME

It took eleven hard fought innings to decide the game between the Giants and Fultons on Sunday, but the score was kept down to four runs for the visitors with three for the home team.

There was very little spectacular playing done by either side. Frank Hamlin pitched the first eight innings and fanned out eight men while walking two. Tom Townsend took the mound in the ninth and fanned five, but allowed the visitors to make the winning run that lost the game.

The Fulton pitcher sent seven men back to the bench and passed one to first. Aside from hitting Frank Hamlin and Carrol Schiller with pitched balls his playing was not very interesting. The good fielding of his supporters won the game. Only one two-base hit was made and that by the visitors.

The attendance was fairly good, quite a number having come from Fulton to see the game.

LAFFERTY TO RUN AS AN INDEPENDENT

A. W. Lafferty has announced his intention of again running as an independent candidate for congress. He is calling upon the people in paid advertisements to "refuse to submit to a farcial primary, dominated by a bull-dozing press, corporation corruption money and criminal libel." He says that he will carry on a campaign of education until November 7th, and expects to be elected.

UNTERRIPIED TO HEAR HON. MILTON A. MILLER

Arrangements have been completed for a big Wilson rally at Regner's hall next Saturday evening. There will be a short musical program and a rallying address by Hon. Milton A. Miller, collector of internal revenue, of Portland. There will also be other speakers.

Director Hale, of the Mt. Wilson observatory, reports in a recent note that at the close of the 1915 construction season the steel dome for the 100-inch reflector—the world's largest telescope—was completely inclosed and in working order. The shipment of the tube, constructed at the Fore river shipyards, has been delayed by the suspension of traffic via the Panama canal.

Special on O Cedar Oil this week at Sterling & Kidder Hdwe. Co.

EDUCATION INTERESTS OUTSIDERS

The union high school district board of education is making an effort to interest the surrounding districts in the proposition of joining the union. The members of the board visited Orient, Lusted, Cottrell, Victory and Beaver Creek districts on Saturday last and have arranged for a meeting at Orient on Saturday evening next with the school boards and others of the three first-named with a view to securing their co-operation in the matter.

It is intended to take up the same matter with Fairview, Troutdale and Rockwood districts. Sentiment is divided somewhat, but it is most likely that several of the above-named districts will be willing to join the union districts.

Prevailing conditions make it necessary for all other districts to join which will have students in the high school. The building is crowded to its fullest capacity now, and it is certain that the attendance from the five districts now in the federation will be all that can be accommodated next year. Something will have to be done.

From the board of education it is learned that unless the other districts are willing to come in their students will not be admitted for the reason that there will be no room for them. Without them the district will not be able to enlarge the building nor employ more instructors. In case the other districts come into the union four more rooms will be added and that many more teachers employed.

The new law, which is now in force, provides that the cost of tuition for outside students is to be assessed to their districts and that the county superintendent shall pay it out of the apportionments to such districts. The fee for next year, if any outside students should be allowed to attend the union high, would be \$70 per student which would have to be paid either by the district or the individual. But as there will probably be no outsiders, unless the building is enlarged, that feature will not be a problem.

The situation will be thoroughly explained to the people of all the surrounding districts so that they may have a clear understanding of the matter and there is a good prospect that enough of them will vote to be admitted. In that case the building will be enlarged in time for the opening next September.

The visit to Orient and the other districts east was made by four members of the board and Clerk Miller. Some of them have since visited Fairview and found a favorable sentiment there. One proposition that appeals to the people from a distance is the free transportation offer to all attendants of the high school. The other districts that will be invited to come into the union will be visited at once with an explanation of the matter in every detail. It is believed that more than half of them will be willing to join.

WILL PLANE FLOOR AND BUY DISHES

Rockwood grange cleared \$73 on Saturday evening, May 13, when the burlesque circus was given. A full set of new officers' badges and 20 for the members was bought with a portion of the proceeds, also a lot of new dishes for the banquet room.

Hereafter the petty thieves who have stolen more than half the kitchen outfit will have a harder time getting into the kitchen, as a good door has been swung on the cupboard, fastened with a Yale lock; besides the more valuable articles, such as knives, forks and spoons will be cared for at the home of one of the members.

A contract to plane the dancing floor was let to George Stockton. It will be in better shape than ever and when ready the grange will announce a big dance.

It was reported this afternoon that Troutdale also favors a larger union high school and will probably vote to join.

David R. Francis, ambassador to Russia, began his business career as a messenger boy on the floor of the St. Louis exchange. His boyhood ambition was to drive a stage coach.

POWELL VALLEY SCHOOL WILL GRADUATE SIX

Elaborate graduating exercises have been planned for the Powell Valley school, to be held at the schoolhouse, Saturday evening, May 27, beginning at 8 o'clock. County Superintendent A. P. Armstrong will give the address and present diplomas. Following the program, ice cream, coffee and cake will be served.

Those to graduate are Eva Rugg, Elsa Salquist, Albert Shuholm, Carl Soderquist, Elmer Soderquist and Elmer Johnson.

The old windmill tower at the rear of the Mathews pool room is being torn down. About a dozen of the big shade trees will also be removed and the porches will be taken from the building which is to be moved about 60 feet west to make room for Latourell & Son's new brick garage to be built next month.

NEW PROPRIETOR AT CITY BAKERY

Paul Hoetzel has sold the City Bakery including the property to Theodore von Donneck and will take a vacation. He left last night for Tacoma to attend the Northwest Bakers' convention and will return to Gresham in about a week.

Mrs. Hoetzel and children also left last night for Denver, where she will visit her sister during the summer, returning in about three months.

The new proprietor of the bakery is recommended to the people of Gresham and vicinity as one who will keep up the reputation of the place with good and wholesome bread and pastry. Miss Kate Bratzel is in charge of the counter.

Will Meet Saturday.

The Multnomah County Masters' and Lecturers' association will meet with Pleasant Valley grange on Saturday next. All members of the order are invited to be present.
