Next Tuesday being one of the days that are allowed the rural letter carriers there will be no mail delivery. The postoffice window will be open one hour in the forenoon.

The plate glass windshield of a Hazelwood creamery automobile was badly shattered yesterday while standing in front of the Outlook office. A small rough rock from the street caused the break but no one saw the accident. It is believed that it was sent through the air from under the wheels of another machine that was passing.

Mrs. S. R. Bradfield, who has been spending a few days at Pleasant Home with her daughter, Mrs. Robert Lansdown, returned home last evening.

Word has been received from Mrs. W. E. Wood at Tillamook that her mother is in a critical condition. Mrs. Wood and Miss Creevy reached their mother's home on Tuesday evening.

The name of Clarence Downing was unintentionally omitted from the list of those to pass the recent state examination from the eighth grade of the Gresham school.

W. F. Honey returned Wednesday from a 10-days' trip to northwest Canada, where he has business interests.

John K. Honey has completed his year's studies at Leland Stanford university and is home for his vacation.

Mr. and Mrs. Walker quesinberry of Rockwood attended the commencement exercises of the College of Dentistry and Pharmacy last Wednesday evening at the First Baptist church, Portland, when their son Roland was given his dental diploma, together with eighty-one others.

Rev. E. I. Harrington, the newly appointed pastor of the Gresham Free Methodist church, arrived Wednesday with his family from Portland, where he was formerly pastor of First Free Methodist church. Rev. Wm. R. Plumlee and family have gone to their new field of labor at Houlton.

The usual services will be held at the Methodist Episcopal church next Sunday, Rev. A. C. Brackenbury, the pastor, preaching both morning and evening. Mrs. Brackenbury will sing a solo at the morning service.

The Tuesday Study club held their final meeting for the season last Tuesday night at the library in the form of a reception by the members to their gentlemen friends. A most delightful evening was spent, in which music and games were the chief diversions. About thirty men and women were present.

The June class '16 play, "The Strenuous Life," which will be presented this evening in Regner's opera house, gives promise of being a success. Practice on the play has been going on for some time, under the direction of Principal Elmer F. Goodwin. The curtain will rise promptly at 8:15. The play is an exciting and interesting college farce, adapted for high school production. The seniors secured their copies from New York City, and had to pay a royalty for the right to produce the play here. Practically all the seats in the house have been sold and standing room will be at a premium.

Mrs. Clara Williams, of Portland, spent Wednesday with Mrs. A. E. Kessler.

The commercial club meeting which was to have been held tonight has been postponed until next week, on account of the senior drama.

Says County is Home.
Portland, May 25, 1916.

Editor Outlook:—I wish at this time to thank you for the courtesy accorded me by the Outlook in the campaign just ended.

While the result was gratifying to me and my friends, it was also a compliment to Mr. McCormick.

The superintendency is not a local matter, nor should geography have to do with the conduct of this office. I assure you that my every effort will be for the betterment of our rural schools and my ambition will be to secure the plaudits of those who so loyally supported your local candidate, my former doughty antagonist.

From this time Multnomah county is my home and I shall work with my neighbors, the good people of Gresham and vicinity, for all the schools all the time.

Very truly yours,
W. C. ALDERSON.

If this thing keeps up someone will begin the manufacture of natural gas.

More Men Than Women Have Appendicitis.

Surgeons state men are slightly more subject to appendicitis than women. Gresham people should know that a few doses of simple buckthorn bark, glycerine, etc., as mixed in Adler-i-ka, often relieve or prevent appendicitis. This mixture removes such surprising foul matter that ONE SPOONFUL relieves almost ANY CASE constipation, sour stomach or gas. The INSTANT, easy action of Adler-i-ka is surprising. A Symbol of Health. The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford.
