REPUBLICANS RALLY AROUND THE STANDARD

Last night's republican rally under the auspices of the local branch of the Hughes' alliance was the most enthusiastic demonstration of a political nature ever held in Gresham.

Metzger's hall was well filled with republicans, but the big crowd contained a scattering of liberal democrats who heard the different speakers explain why the republican candidates should be elected.

Although the occasion was inspired by the efforts to elect C. E. Hughes as president it was not an entirely national effort. Three county candidates were called upon for brief remarks, two of them speaking principally in their own behalf.

As the fair is only a community exhibit the displays are not large; but they are varied and of extraordinary quality, comprising practically all the products of the farm and household.

Music was furnished by the Pleasant Home band, on the street before the meeting and in the hall.

The next speaker was Joseph Beveridge, nominee for county clerk. He was followed by H. A. Lewis, candidate for joint senator.

The first speaker was Frank Grant, republican nominee for circuit judge. He counseled a strict adherence to the principals of the republican party and spoke for Hughes and Americanism.

The next speaker was Joseph Beveridge, nominee for county clerk. He was followed by H. A. Lewis, candidate for joint senator. Both were loudly cheered when they made reference to the republican standard bearer.

Henry E. Reed, county assessor and present nominee, was introduced for the purpose of combatting the pestiferous single tax measure that is to be voted upon at the coming election. He corroborated every statement made in the Outlook, showing how such a law would destroy all land values and confiscate every foot of real estate.

Mr. Clarke asserted that the present condition of the country is the worst, politically, that it has been for fifty years and made scathing denunciations of the administration's policy in failing to protect American citizens and property in other parts of the world, especially in Mexico.

The speaker said that the coming election is for national stability and that it will be for the nation's welfare for the next twenty years. For the better if Hughes is elected—for the worse if Wilson is again chosen. He closed with an appeal for the support of the people for Hughes as our national leader, and for a policy that will protect our citizens on the border, on the seas or on foreign soil.

TUESDAY STUDY CLUB STUDY OREGON LAWS

The Tuesday Study club met at the library on October 3d to arrange the work for the coming year.

The following officers were elected: president, Miss Durr; vice president, Mrs. W. E. Bates; secretary, Mrs. E. Goodwin; treasurer, Mrs. E. S. McCormick.

The club voted to meet on the second and fourth Tuesdays of each month at 7:45. This year, the club will study modern literature and the laws of Oregon which pertain to women and children.

The next meeting will be this evening. All members are urged to come and bring a new member each. The evening will be a social affair and refreshments will be served. All women who are interested will be welcomed.

We are bothered by answers to want ads. when they say, "Enquire at Outlook office." A good sign.

SANDY'S COMMUNITY FAIR ANOTHER SUCCESSFUL EVENT ONE GIRL WINS PRIZE FOR SCHOOL WITHOUT HELP

Sandy's community fair, held last Friday and Saturday was just as successful in every way as previous exhibitions held there in other years.

Last year there was no fair and the lapse gave this year's function an added zest. The attendance on Friday was large, but there was a slight falling off on Saturday which was more than made up by the evening crowds that came to the dance.

As usual on other occasions the people from the surrounding country from miles away take advantage of the opportunity to combine a little business with a great deal of pleasure.

Although the occasion was inspired by the efforts to elect C. E. Hughes as president it was not an entirely national effort. Three county candidates were called upon for brief remarks, two of them speaking principally in their own behalf.

As the fair is only a community exhibit the displays are not large; but they are varied and of extraordinary quality, comprising practically all the products of the farm and household.

SLIGHT MIXUP IN SEWING AWARDS

There was some misunderstanding as to the order in which awards were made at the county fair in the juvenile sewing contest.

The Fairview class won, but the complaint is made by some that the Outlook gave the standings of the four members of the class wrong.

All that can be said about the matter, in that respect, is that the names and their standing was taken from the judge's award sheet which is yet to be seen in the Outlook office.

Mr. Theodore Brugger, superintendent of the juvenile division, asks this paper to correct the statement made. He gives the names of the winners as follows: Margaret Jonas, first; Lily Luscher, second; Belle Cowles, third; Josephine Townsend, fourth.

In the published report made by the judge, Miss Jonas was ranked fourth, Miss Townsend third, Miss Luscher, second, and Miss Cowles, first. It was not the fault of the Outlook if they were given wrong.

Pendleton, Ore.—Oregon is one of the most poorly equipped states in the Union for the training of teachers, according to the United States Bureau of Education.

Only five states in the Union have less normal equipment than Oregon. Oregon has one Normal School and forty states have more than one.

The report of the Bureau of Education shows that even the little state of Idaho, with a population only half as large as that of Oregon, is spending more than twice as much for Normal Schools as is this state.

The same report urges that Normal Schools be located in the railroad centers with public schools sufficiently large to give teaching practice to the Normal students.

CAMPAIGN ON FOR MEMBERS AT FAIRVIEW

The Fairview grange had a large attendance at their meeting last Saturday, this being the first contest meeting. The following points will count in the final score of this contest:

New members, 5 points; members by affiliation, 3 points; members by reinstatement, 3 points; visitors at each meeting, 1 point; members of team absent, 2 points deducted; for best program, 10 points.

The team with C. H. Stone as captain furnished the program for October meeting, and the team with W. E. Townsend as captain will furnish the program for the November meeting. The losing team is to furnish the banquet at the initiation in December. An interesting program was given. The musical program was arranged by Mrs. A. L. Stone and Mrs. B. C. Brewster and included songs, solos and piano selections.

Professor A. G. Boquet of the O. A. C. presided and gave a brief talk on early and late gardening. A comic reading was given by Miss Addie Quesinberry.

Saturday night a party of young and old people gave Rev. and Mrs. B. C. Brewster a delightful surprise at their home. This was an old fashioned pound or donation party upon the return of Mr. and Mrs. B. C. Brewster to Fairview circuit. Mrs. S. C. Dixon and Mrs. B. C. Brewster rendered service at the piano and everyone of the guests contributed to the enjoyable evening. Light refreshments were served. The following were present: Mr. and Mrs. D. S. Mrs. Shaw for a number of years has been a correspondent for the Gresham Outlook, and very prominent in all social affairs. Friday afternoon at the Shaw home a farewell party was given by their many friends, and a delightful afternoon was spent.

Mrs. J. W. Townsend is quite ill at her home.

A Halloween party will be given under the auspices of the Methodist Aid society at the Fairview city hall, October 28 at 8 p. m. An informal program will be given, followed by a jitney lunch. Plan to come.

Mrs. H. M. Shaw and daughter Ruth have gone to Endicott, Washington, to visit her son L. R. Shaw and family.

VISIT THE HIGHWAY BEFORE GOING AWAY

Mr. and Mrs. R. A. Case, of McCloud, California, who have been visiting Mrs. Case's parents, Mr. and Mrs. J. M. Elliott and family, Mr. and Mrs. James McBain, Mr. and Mrs. Wm. H. Hauptert, and Victor Johnson.

A sumptuous luncheon was served at Bonneville after which the party visited the fish hatchery—the largest of its kind in the world—before completing the highway trip.

Mr. Case, who has traveled extensively, was very enthusiastic about the Columbia River highway, and pronounced its scenic grandeur unsurpassed and a wonderful asset to Oregon.

Mrs. Case returned to her home in McCloud, California last Friday, while Mr. Case continued on to Chicago to resume his dental college work. Their many friends regret exceedingly that their stay here was not of longer duration.

Jersey Herd Sale.

B. C. Altman's dispersion sale of 55 Jerseys, yesterday, was largely attended and all the stock was sold. The herd brought something near \$8000, one young cow going for over \$400. Mr. Altman still has a promising herd of young Jerseys which were not offered for sale at the auction.

Everyone has something to buy or sell. Try an Outlook want ad.

OREGON RANKS LOW IN NORMAL SCHOOLS

Pendleton, Ore.—Oregon is one of the most poorly equipped states in the Union for the training of teachers, according to the United States Bureau of Education.

Only five states in the Union have less normal equipment than Oregon. Oregon has one Normal School and forty states have more than one.

The report of the Bureau of Education shows that even the little state of Idaho, with a population only half as large as that of Oregon, is spending more than twice as much for Normal Schools as is this state.

The same report urges that Normal Schools be located in the railroad centers with public schools sufficiently large to give teaching practice to the Normal students.

State Superintendent Churchill's annual report shows that of the 6055 teachers in Oregon last year but 791, or 13 per cent, were Normal School graduates. The same official estimated that 1000 new teachers are needed each year and the present Normal school is turning out but 150.

The majority of Normal trained teachers are shown to be teaching within a small radius of Monmouth, although Eastern Oregon pays on the average of \$10.41 a month more for teachers than does the Willamette Valley.

Weather Forecast. Pacific States: The week will be one of generally fair weather except that rains are probable in Washington and Oregon the latter half of the week; the temperature will be near the seasonal average.

ROCKWOOD YOUNG FOLKS WILL SERVE PIE

The young people of Rockwood grange have announced a pie social to be held at the hall on Saturday evening, October 14. Patrons and friends of the grange are invited to attend and bring pies. After the sale of the pies, the evening will be spent in games and music.

Sunday Schools Closed.

An epidemic of whooping cough at Sandy last week resulted in a closure from the health officers to close all schools, including the Sunday schools. The disorder tended somewhat to reduce the attendance at the fair on Saturday, the baby show suffering the worst.
