Now Look Out.

When a cold hangs on as often happens, or when you have hardly gotten over one cold before you contract another, look out for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere.
