QUALITY AND SERVICE

GRESHAM PEOPLE AND HAPPENINGS

Newspaper clippings from Freeport, Illinois, tell of some exceptionally fine plays made in football by Guerdon Humason, who is a member of the Freeport Independents, he having starred in several games recently.

Preparations are complete for the entertainment this evening, under the auspices of the Baptist church, when the Cecilia Mixed Quartet of Portland, assisted by Winifred Gay Kelley, violinist, also of Portland, will present a comedieta and sing character songs. The entertainment is one of high character and will be appreciated by the music loving people of Gresham and vicinity. It will be held in Regner's opera house.

The Tuesday Study club will meet next Tuesday evening at the library at 7:45. Members will answer to roll call by giving quotations from Lowell or other New England writers. Mrs. Roy Kern will present a paper on the New England period in American literature and Miss Pearl Durst will give a characterization of James Russell Lowell and his writings.

Miss Durst will meet girls above the 4th grade at the library next Tuesday afternoon at 4 o'clock for the purpose of forming a story hour club.

Rev. E. A. Leonard will preach at the Bethel Baptist church next Sunday both morning and evening. Sunday school at 10 a. m. A cordial invitation is extended to all.

Mr. and Mrs. M. D. Kern and Mr. and Mrs. Roy Kern visited with friends in Portland last Sunday.

Mrs. Jas. Sterling entertained last Friday afternoon in honor of Miss Elizabeth Heskett. A pleasant afternoon was spent by the ladies, at the close of which luncheon was served. Twelve ladies were present.

The Women's Home Missionary society held an interesting and well attended meeting last Wednesday at the home of Mrs. A. Hevel. It was voted to hold a special all-day meeting at the church next Tuesday, November 14, when members and friends are invited to bring contributions of clothing, vegetables and fruit to be distributed to those in need. The ladies hope to finish the quilts and pack the boxes. What is not used for local distribution will be sent to the Portland Industrial home. The ladies will provide themselves with a basket lunch at noon and Mrs. Leslie will serve hot coffee.

The regular meeting of the Parent-Teachers' association will be held at the schoolhouse next Wednesday afternoon, beginning about 3 o'clock. Mrs. McMath, president of the Portland Parent-Teachers' association and of the Oregon Congress of Mothers, will address the meeting. She is a very interesting speaker, comes with an important message and should have a large hearing. No one should miss it. Teachers, parents and adults from this and surrounding districts are invited.

Thos. Catherwood of Dallas, Oregon, was a caller yesterday at the homes of his brothers-in-law, W. F. and George F. Honey. Mr. Catherwood was on his way to Alberta, Canada, to look after farm interests.

W. F. Honey returned to Lone, Oregon, to look after business interests. He came down a few days ago in order to vote.

Emil Olson returned today by auto to Aberdeen, Washington, whence he came for the privilege of casting his vote.

The officers of the Oregon Anti-Saloon League are announcing a dry celebration extraordinary, to be held at the White Temple in Portland next Tuesday, November 14, when "Hi" Gill, mayor of Seattle, will be the principal speaker. It is said of him, "Elected as America's most wide-open advocate, recalled, defeated, elected and finally re-elected as America's most famous booze-smasher and law-enforcer, is the unique record of this "Billy Sunday" mayor, who preaches charity with a soft smile, and walks on law-defiers with an iron heel!"

Plans are being made for a suitable dry celebration in Gresham, under the auspices of the Multnomah County Grave Diggers' association. The date and program will be announced later.

Attention is again called to the advertisement on page 3, relating to bargains in wheat lands in Morrow county. These lands are being offered at an exceptionally low price. Anyone interested will do well to look these bargains up.

Notice.

A chicken dinner from 6 to 8, and an evening of enjoyment will be given at the Pleasant Valley grange hall, Saturday evening, November 18, 1916.

The proceeds go to defray the expenses of building a playshed for our school. Games will be played. Supper 25c. Everybody cordially invited.

OUTLOOK CORRESPONDENT DIES AT ST. VINCENT'S

Readers of the Outlook have missed the interesting letters that were a feature of the front page for several years, written by L. H. Wells. He died yesterday at St. Vincent's hospital, after undergoing an operation on Saturday last for intestinal troubles.

He had been ailing for several months and had quit writing for the Outlook for that reason, although he stuck to his duties as East Side reporter for the Oregonian. He had been connected with that paper first as a compositor for several years, but in 1885 he became a reporter and for nearly 31 years was the regular reporter on the east side beat.

Mr. Wells was born in Ohio, September 5, 1852. He is survived by his wife, two sons and one daughter. He was well known throughout eastern Multnomah, having been a member of Eastern Star grange and an honorary member of M. A. Ross Post, G. A. R., of Gresham. His funeral will take place tomorrow from East Sixth and East Alder streets.

STATE SCHOOL FUNDS TO LOAN ON FARMS

The officials having charge of the state school fund report that \$10,000 is now available for loan purposes. This money is loaned on first mortgage farm securities at 6 per cent interest per annum. Loans are made only on agricultural lands and never on city property.

It is the policy of the State Land Board to loan not to exceed one-third of the market value of the land, exclusive of buildings and other improvements. The notes are all made for one year, but as long as the interest is paid promptly, the loans can stand for ten years. The borrower pays 1 per cent of the amount of the loan to cover the expense of appraising the land and for attorneys' fees in examining the abstract. No brokerage or commission is charged. No loans are made for less than \$250 nor more than \$2500, and not more than one loan made to one person.

In each county in the state the state land board has appointed attorneys to handle the loans expeditiously. Arthur Langguth, 605 McKay building, Portland, is the attorney in Multnomah county.

THIRD DRAWING HELD R. P. BAILEY SUCCESSFUL

R. P. Bailey, of Spa, California, drew the third rebate check in the Outlook's Profit-Sharing subscription campaign on a cash in advance renewal subscription paid on October 30.

The drawing was held Thursday morning and J. A. Frakes was the disinterested party who drew the lucky slip from the box. A check for \$1.50 awaits Mr. Bailey's order, good in trade with any advertised in the Outlook whom he may choose according to the rules already announced.

Already there are four slips in the box toward another ten, at the completion of which there will be another drawing.

Only cash in advance yearly subscriptions, new or renewal, regular or combination, can compete in the drawings, and the drawing is made from the total number received during the campaign, eliminating only those which have been drawn out.

The campaign will be open until December 30.

"The early bird catches the worm."

SUGGESTS CHANGES IN PREMIUM LIST

Miss Alberta Allen, superintendent of the domestic science department of the Multnomah county fair, has called a meeting of the women of Gresham and vicinity to consider the best articles on which to offer premiums in the next list. The idea is not to increase the amount offered for premiums in the department, but to substitute some classes of work, in which women are interested, which are claiming the attention of the feminine mind, for others that are entirely out of date.

The meeting will be held at the library on Tuesday afternoon, November 14, at 2:30, and all women interested are invited to attend. It is intended to submit the report of the meeting to the board of directors of the fair at their next meeting.

ZIMMERMAN'S GARAGE IN NEW BUILDING

Zimmerman's Overland garage was moved today to the new Carlson building on Powell street which was built expressly for the purpose to which it has been put. The street floor will be the office and workshop with a storage room in the basement floor.

A hydraulic elevator, the only one in Gresham, has been installed to lower cars into the basement where the washing facilities are. Other features are convenient and up to date. A more extended notice of the building and its other features will be given next week.

WOULD LIKE TO BUILD ON VACANT PROPERTY

D. C. Ely of Oregon City, owner of the vacant corner at Second and Main streets, was in Gresham yesterday. He is endeavoring to find someone who will take a lease on a new building which he would erect if a tenant could be found.

He is trying to rent the vacant dwelling house, and says that the brick building used lately as a blacksmith shop will not be put to that purpose again.

He would erect a two-story building on the corner if he could rent the upper part as a lodge room. An effort will be made to have the Masonic lodge consider the proposition.

EXCHANGE BULLETIN SOON TO APPEAR

The County Agricultural council at their meeting yesterday made the final arrangements for issuing the monthly exchange list. The first issue will probably make its appearance the coming week. County Agent Hall has been working on the mailing list for some time and although at the present time it includes the names of over nine hundred farmers it is only started.

This exchange will be issued free to the farmers of the county monthly and will be made up of things which the farmers have to sell and articles which the farmers want to buy. Frequently a man has machinery which he needs no more, a surplus of some good kind of seed, a team to sell or exchange, cows to sell or other articles too numerous to mention. It also can be used as an employment exchange.

Aside from the exchange list it will include reports from results various farmers are getting, results of demonstrations which are being conducted in the different parts of the county, and seasonal hints which are timely to the farmers.

The issuance of the Exchange List has grown out of the increasing demand upon the county agent for this kind of service. County Agent Hall is now working up the first list and

any person wishing to buy or who has anything along farming lines to sell should communicate with him before Monday noon.

WATCHING FOR CHECK TAKEN BY BURGLARS

D. C. Ross stopped payment yesterday on a check given by him to the firm of Russell & Gilbert, candy-makers at East Twenty-fourth street and Holliday avenue. The firm's safe was blown open early on Wednesday morning by expert safe crackers, who took several checks and \$50 in money.

It is probable that an attempt may be made to cash the check at the Bank of Gresham, on which it was drawn, or an effort may be made to cash it at one of the stores. Any such attempt should be reported at once to Constable Squire who is on the lookout for both the check and the one who may try to cash it.

Services at the Methodist Church.

The pastor's subject next Sunday morning will be "The Church." The evening sermon will be to the young people from the subject, "What is Your Life?"

The Epworth League will hold its service in the main room of the church and the subject that will be discussed is "If they cannot believe in us, will they believe in our Christ?" The leader, C. M. Harrison.

The first quarterly conference will be held on Tuesday evening, November 14, at 7:30. Dr. Ford will be present and will speak on the "New order of the quarterly conference."

A cordial invitation is extended to all.
