GRESHAM PEOPLE AND HAPPENINGS

At a meeting of the Boy Scouts held last Saturday night at the grange hall, the following officers were elected: Geo. F. Honey, president; Melvin Brugger, vice president; F. Lyle Winter, secretary; Walter H. Schwedler, treasurer; Lang M. Goodwin, reporter. Scout Master George F. Honey has made the following appointments: Henry Karpenstein, patrol leader; Theodore J. Brugger, assistant patrol leader; Andrew C. Karpenstein, sergeant at arms. The organization of Boy Scouts expects to meet during the year at stated times for drills and other work. Scout Master Honey is taking great interest in the boys, which is greatly appreciated by them.

A few weeks ago Mrs. C. N. Powell inserted a poultry ad in the want column, paying 60 cents therefor. No results followed while the ad was running, but when it began to "work" Mrs. Powell sold over thirty dollars' worth of chickens on the strength of it. The moral is obvious: Advertising pays.

As a result of the discontent and friction which have been current among the members of the Estacada team and the coach, the team Tuesday voted to disband; consequently the Gresham game will be cancelled and the game will be cancelled and the 1916 football season comes to an inglorious termination.—East Clackamas News.

A meeting of the Wilson League has been called for tomorrow night at the library at 7:30 o'clock, at which time plans will probably be made for a banquet to celebrate the re-election of the president. All members and others interested are invited.

Ray H. Todd and his little daughter Alice of Ridgefield, Washington, were visitors yesterday at the home of his parents, Dr. and Mrs. R. H. Todd. The latter has been sick for the past week or two but is slowly improving.

Rev. E. A. Leonard will preach at the Baptist church next Sunday both morning and evening. Rev. J. C. Tibbetts will go to Pleasant Home, where he will preach at the Baptist church both morning and evening.

J. H. Hoss had bought twenty-five dollars' worth of wood from the cannery association piled alongside the building. It was burned yesterday.

Mrs. Jas. Elkington is substituting in the Rockwood school this week for Miss Marian Robertson, the principal.

Taxpayers in School District No. 4, Gresham, are reminded of the school meeting tomorrow afternoon at 2 o'clock.

James Elkington lost a typewriter and letter files, his own personal property in yesterday's fire.

W. A. Bovingdon Found Dead.

Word has been received of the death of W. A. Bovingdon of near Rockwood, who was found dead in his barn, where he was in the act of harnessing or unharnessing his horses. No particulars have been received. He leaves a widow.

Do You Have Sour Stomach?

If you are troubled with sour stomach you should eat slowly and masticate your food thoroughly, then take one of Chamberlain's Tablets immediately after supper. Obtainable everywhere.

Now Lock Out.

When a cold hangs on as often happens, or when you have hardly gotten over one cold before you contract another, look out for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quart. Obtainable everywhere.

CONTRACTORS ASKING TO BE REIMBURSED

With the completion of the underground crossing at Fairview has come a claim for extra compensation by the Coast Construction company to prevent an actual monetary loss.

The company is opposed by Mr. Yeon for anything beyond the contract price, as the latter claims that there was nothing to prevent the contractors from knowing the difficulties in the way of making a paying job of it. The rock formation through which the cut was made was visible and the loss is somewhere around \$2000.
