### Danger Signal.

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Boeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and chills. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere.—Adv.

### Umbrella Repairs.

Will be in Gresham until January 1 and am prepared to furnish umbrella covers and do expert repairing. Telephone 546. J. J. Ryan. \*83

Mail a copy of the Christmas paper anywhere. Order from this office by phone or mail. Five cents per copy, postage prepaid.

### Good for Constipation.

Chamberlain's Tablets are excellent for constipation. They are pleasant to take and mild and gentle in effect. Obtainable everywhere.—Adv.

Realizing that bass feel the hot weather, Hibard Raymond placed a cake of ice in a rocky cove in Lake Keuka, N. Y., and soon caught eight fine fish.

## GRESHAM PEOPLE AND HAPPENINGS

Much interest is being taken in "Go to school days" at the high school. A number of visitors were present yesterday from Gresham and the surrounding country, and more were here today, visiting the various classrooms and inspecting the work of the school. Very favorable comment is heard on the conduct of school affairs. It is an inspiring sight to see the young people busily engaged in the recitation or study. The popularity of the vocational training is attested by the numbers taking the commercial, the domestic science and manual training courses. Languages, literature, science and mathematics are not neglected and students in all departments are being given expert training under ideal conditions.

The mothers' meeting at the home of Mrs. C. J. Lundquist yesterday called out a large number of women, who reported a most excellent program and an interesting social time.

Mrs. Ella Aton, who has been ill with grip for the past week or more, is now able to be out. Her sister, Mrs. A. J. McClung, of Boring, spent a day with her recently.

Anson Powell, who thirty years ago was living on a farm near the seven-mile post on the Base Line, was a Gresham visitor yesterday. He is now a resident of Troutdale, having been living there since last spring.

A special meeting of the fair board has been called for next Monday afternoon. It will meet at 1:30 in County Agent Hall's office. This will be the last meeting of the old board this year, the purpose being to clear up some unfinished business.

Miss Ruby Emery, who has been visiting with her brother, Dr. Mark Emery at Union, Oregon, spent the day Sunday with her parents, Mr. and Mrs. B. W. Emery. Miss Emery is nursing at Lents.

Rev. E. A. Leonard will preach at the Baptist church next Sunday morning at 11 o'clock. Bible school will meet at 10 o'clock. In the evening, the congregation will attend the Methodist church.

Mrs. C. E. Risher has been suffering from grip the past few days. Mrs. T. J. Hayes, of Newport, is visiting with her sister and brother, Mrs. C. G. Humason and with other relatives.

One of the finest boxes of apples ever brought into Gresham, found its way to the Outlook office one day recently. The apples were of the King variety. They were large and perfect in shape and color and of delicious flavor. We are indebted to G. W. Alder for these splendid apples. They were raised on his farm three miles east of Gresham. Mr. Alder raised this year about three hundred boxes of marketable apples and ground up eighty boxes for cider. He raises Kings, Baldwin, Spitzberg, Northern Spy, Wealthy, Wagner and other varieties and has been successful in carrying off many valuable apple prizes at the county fair in recent years.

H. L. St. Clair returned on Wednesday from a short vacation trip to San Francisco. Among those called on were Dr. James N. Powell, brother of Mrs. J. N. Clananah, James Preston, formerly of Gresham, now principal of the Luther Burbank school, Berkeley, and Robert Childers, formerly a barber here. The trip was made both ways on the palatial steamer Northern Pacific, which affords a delightful and speedy voyage even in the winter.

Mrs. Claudine Mellinger, of Portland, representing the Louise Home, is in Gresham and vicinity this week, soliciting money and provisions for the home. This is a non-sectarian christian home for unfortunate girls, which is doing a wonderful work. Miss Emma Lovett is the superintendent. The home is located on the Barker road, between the Base Line road and Sandy boulevard. This home is under the management of the Pacific Coast Rescue and Protective society, which conducts also the Portland Commons, a home for destitute and unfortunate men, and the Albertina Kerr nursery home.

### GRESHAM BUSINESS MAN WINS PORTLAND BRIDE

Several Gresham persons were present last night at a beautiful wedding in Portland, when Miss Annie Fraser became the bride of Lyon Cheine, who is employed in Zimmerman's garage in Gresham. The wedding took place at 1936 E. Twenty-seventh street north, at the home of Mr. and Mrs. John Ross. Mrs. Ross is a sister of the bride.

Rev. A. C. Brackenbury was the officiating minister, using the beautiful ring ceremony. The bridal party marched in to the strains of the wedding march, played by an orchestra, and assembled under a festooned wedding bell. The bride was given away by her brother-in-law, Mr. Ross. Miss Ruth McCullen of Portland acted as bridesmaid and Paul Elford, also of Portland, as best man. The bride was beautiful in her white satin gown. Her tulle veil was fastened to her coiffure with a wreath of orange blossoms and she carried a shower bouquet of bride's roses and ferns. The bridesmaid wore a white gown with a broad pink sash and carried white carnations. The groom was dressed in the conventional black.

The house was tastefully decorated with holly and Christmas greens. After the ceremony a delicious luncheon was served. The orchestra played throughout the evening. The popularity of the young couple was attested by many beautiful wedding gifts which they received, including a handsome chest of silver from the parents of the groom and another by relatives of the bride. The groom's gift to the bride was a handsome monogrammed ivory boudoir set, complete in every detail. About fifty guests were present, among them being Mrs. C. M. Zimmerman and her son Orville and daughter Doris, of Gresham.

Mr. and Mrs. Cheine left on a late train for Seattle for a brief wedding trip. They expect to be back in time for Mr. Cheine to resume his duties at the garage on Monday morning. For the present they will remain in Portland at the Ross home, while Mr. Ross makes a trip to California. Mr. Cheine will go back and forth in his car. Later, they will make their permanent home in Gresham, Mr. Cheine having decided to locate here, after having crossed both oceans several times, spent several years in the middle west and in Washington and served for several years in the employ of the United States government in the Philippine Islands, where his father had a large sugar plantation.

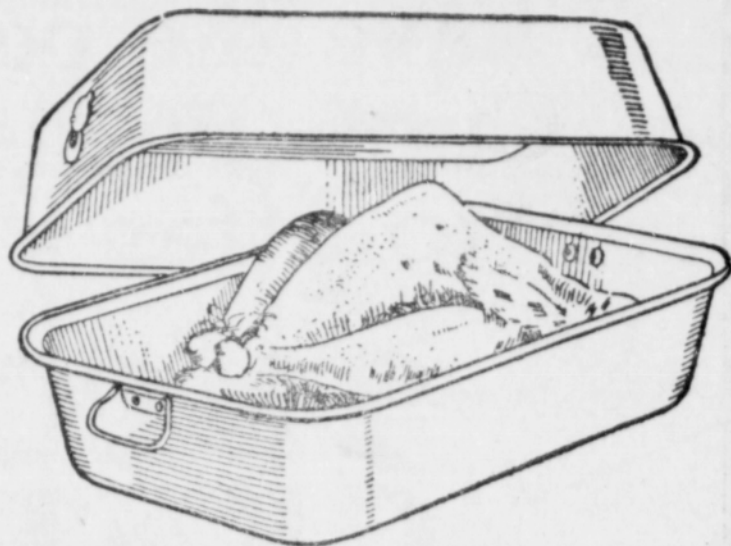

The elder Mr. and Mrs. Cheine, parents of the groom, at present are spending the winter in Portland, are also contemplating making Gresham their home.

Evening Telegram with Outlook, one year for \$4.25.
