

BE A BOOSTER

There's nothing to be gained by nursing a grouch. It will not help your business. It will not help you. Be a booster for your own business, any way.

We are boosting for our business in a modern way right now. We want more business. We want to build up a good, strong creditable bank. The more patrons we have, the stronger our bank will become. We need your business. We want you to do business with this bank. But this is only one side of the question—our side. We can also help you. We safeguard your funds. We offer you every accommodation afforded by any reliable bank. It's to your advantage as well as ours to make our bank your bank.

Air-cooling methods of the rapid-fire guns now in use have proved inadequate, and the soldiers seem to think that water-cooling is superior.

The output of the bureau of fisheries in stocking the waters of this country amounted to more than 4,000,000,000 specimens last year.

Of the 800 German missionaries engaged in different parts of the British empire before the war, 400 were in India.

To lessen the shocks a new detachable tandem seat for motorcycles is equipped with both horizontal and vertical springs and has a back seat.

In a town in the heart of Russian salt fields many houses are built of salt.

Bad Habits.

Those who breakfast at 8 o'clock or later, lunch at 12 and have dinner at 6 are almost certain to be troubled with indigestion. They do not allow time for one meal to digest before taking another. Not less than five hours should elapse between meals. If you are troubled with indigestion correct your habits and take Chamberlain's Tablets, and you may reasonably hope for a quick recovery. These tablets strengthen the stomach and enable it to perform its functions naturally. Obtainable everywhere.—Ad.

Work will be started this week with Mr. Marsten of Multnomah Lodge as superintendent. The house will be built of natural rock. Mr. Marsten also built the Meier mansion.

Crown Point chalet was a scene of much merriment on Saturday night when some of Portland society folks gave a smart party. Mrs. Henderson, the well known hostess, is again at home after a good and much needed rest in the city. Mr. H. Hackett, son of Mrs. Henderson, and his family are at present domiciled at Crown Point chalet.

Sunday was a glorious day and Portland autoists knew it too, for they came in great numbers up on the highway. We did not hear of any accident but we saw a number of speeders on the road as usual, and wonder how they make it without running some one down. If you wish to take a trip up the highway to enjoy an outing with your family, stay away on Sundays. You will enjoy the trip much better some week day when the travel is less congested.

A. Becker, of Portland, is planning to return to his place of business here on the highway with the intention of reopening his beautiful hall to the public.

The Rooster Rock Water company has made extensive improvements to their waterworks lately, and we now have an abundance of pure water. The following members constitute the board: P. Andersen, president and treasurer; Mr. Ehrman of Portland, vice president, and Mr. W. Hicks, secretary.

Several of the ranchers here have just sold their potatoes at a fancy price. Somewhat better than two cents per pound have been offered.

Cabbage is in great demand, onions are almost out of sight, beans are very high and so is meat of all kinds. The farmers have reason to be grateful for a prosperous year. But truly they deserved it, too, for they must work hard, early and late, and long must they wait for their returns and then some years they get nothing for their labor when there is an over-production they can not dispose of their crops to any profit whatever, so why grumble so much when the farmer gets a fair price for his products.

The damage done to the water plant at Union High School No 1 by the recent frost, has now been repaired and the students are once more comfortable in our pretty building.

FAIRVIEW

The installation of officers of the grange was held here Saturday. An unusually good dinner was served at noon, and an enjoyable time was reported.

The Habit of Taking Cold.

With many people taking cold is a habit, but fortunately one that is easily broken. Take a cold sponge bath every morning when you first get out of bed—not ice cold, but a temperature of about 90 degrees F. Also sleep with your window up. Do this and you will seldom take cold. When you do take cold take Chamberlain's Cough Remedy and get rid of it as quickly as possible. Obtainable everywhere.—Ad.
