

Spring Styles

The newest and authentic Spring Styles in men's and young men's

Kuppenheimer Clothes

are now on display at the live store. Such diversity of designs, such a wide range of fabrics in hundreds of patterns and colors, we have never had the pleasure of offering before.

Young men, especially, will rejoice in the many entirely new and novel ideas shown in suits. Single and doublebreasted models in plaited backs, some with belts all around. Novelty pockets add charm to some; still others attain individuality by smartly designed lapels.

You will find the values are just a little more than you expect at every price.

\$20.00, \$22.50 and \$25.00

Others for \$15.00

GRESHAM GRANGE GIVES INTERESTING PROGRAM

An interesting all-day session of Gresham Grange was held last Saturday. In the forenoon session Roy Kern and C. G. Schneider were taken through the first and second degrees. A novel feature instituted at this meeting, and which will be carried out at succeeding meetings, was the "penny march," when each member contributes a penny to buy flowers for sick members.

After dinner, which was the usual Grange spread, the program was given under the direction of the lecturer, Mrs. M. Kronenberg. It consisted of songs by the Grange, two numbers by the Fieldhouse orchestra, song by the Grange sextet, composed of Mesdames Sleret, Davis, Brugger, Schwedler, Volbrecht and Fred Fieldhouse, solo by Mrs. Brugger with violin accompaniment, reading by Mrs. C. M. Zimmerman and talks on potato growing by W. B. Parsons and S. B. Hall. This interesting program was well rendered and was of unusual interest to all.

ARTHUR GRANT AND WIFE ENTERTAIN CARD PARTY

A very enjoyable evening was spent at the home of Mr. and Mrs. Arthur Grant, Saturday night, Mar. 10. The evening was spent in playing 500, after which refreshments were served.

Besides Mr. and Mrs. Grant and family the following were present: Mrs. P. Kronenberg of Oakland, California, sister of Mrs. Grant; Mr. and Mrs. Martin Kronenberg, Mr. and Mrs. M. Moll, H. Moll, Nora, Kathleen and Edward Teevin, Mrs. Grace and Harold Lynch, Mr. J., Mrs. and Leslie Lynch, Mr. Mrs. Tony and Margaret Schantlin, Mrs. and Grant McMillan, Mrs. Frank and Henry Grassel, Mrs. Elwood, Mrs. Kennedy, Misses Lena and Celia Moll, J. Burns, Mr. and Mrs. Roy Kern, Mr. and Mrs. M. D. Kern, Mr. J., Mrs. Francis and Phillip Moll.

NEXT WEDNESDAY IS POMONA DAY

Multnomah county Pomona Grange will meet with Pleasant Valley Grange next Wednesday in an all day and evening session. Pomona Grange officers, elected in December for the coming two years will be installed in the afternoon and there will be other business of public importance as well as a good literary entertainment.

Pleasant Valley Grange has been taking in many new members during the past year, nearly all of whom will take the Pomona degree. There will also be a few for the same degree from some of the other Granges. It is expected that the degree class will be one of the largest in Pomona's history.

ROCKWOOD

Special meetings will begin at the Methodist church next Sunday, with services in the afternoon at 3 o'clock and in the evening at 7:30. Rev. A. C. Brackenbury of Gresham and Rev. F. S. Ford of Pleasant Home will assist the pastor, Rev. B. C. Brewster, who will be here all of next week.

Seventy-eight gold watch fobs have been awarded employees of the Southern Pacific railroad who did efficient safety first work during the last year. The prizes are won under a point system, credit of so many units being given for suggestions which are classified as to value and the number of prize points merited by each.

Mount Taishan, a famous sacred mountain of China, which has long been denuded of woodland, is to be reforested by the government. There it was that Emperor Shun offered sacrifices to heaven 2,300 years before the Christian era. The feast of the tomb was this year celebrated as an arbor day in China.

For Sale, Cheap

Or trade for some land near Boring. A quarter section of best wheat land, six miles south of Viking, Alberta, Canada. Also splendid chance to raise cattle. S. Stenberg, Boring.

"Hell's Hinges"

"Hell's Hinges" is one of the strongest and greatest western photo plays ever offered for exhibition in a theater.

The theme of the play is laid in 'Frisco in the early forties. The hero of the story is a character from real life, taken from the most characteristic gambler 'Frisco ever knew, noted for his honesty but shrewd and fearless.

A touch of religion is woven into the story to give it the pathos, and a bit of a girl to give it beauty.

William S. Hart, the man who never smiles, the best emotional actor the shadow play has ever known, plays the leading role.

This is the first of the triangle program which the management of Smith's Theater has made arrangements to exhibit, one feature a week each Wednesday.

The stepping orchestra will play at Monday's, Wednesday's and Friday's performances.

Owing to the extra added cost of these Hart & Fairbank's productions it becomes necessary to raise the admission price to 10c and 15c on Wednesday.

"Hell's Hinges" Wednesday 21.—Adv.

GRESHAM PEOPLE AND HAPPENINGS

Miss Henrietta Wiles is spending a few days with Mrs. S. C. Jones.

Mrs. Alta Truitt has returned to Corbett after a week's visit with her sister, Mrs. Mary Wood.

Mrs. A. M. Wilkinson left a few days ago for a visit of six weeks or more with relatives in Wisconsin.

W. R. Stone of Pecatonica, Illinois, visited Monday with the families of H. M. Miller and L. L. Kidder.

Dr. Alfred Thompson returned on Wednesday from The Dalles where he spent several days visiting with his two sons.

Miss Ruth Shaw of Fairview and Miss Hazel Fultz were guests at dinner Sunday at the home of Mr. and Mrs. H. L. St. Clair.

Those interested in the cannery and the fruit industry should remember the meeting to be held in Metzger's hall tomorrow afternoon.

Mrs. J. H. Frakes moved her household goods to Portland yesterday. Her daughter Mae will remain here with her uncle and aunt, Mr. and Mrs. G. W. Kenney, until after school closes.

Mrs. R. B. Belt took a sudden fainting spell Monday morning, just after getting out of bed. When she came to herself she was lying beside the stove, bruised and burned, from striking her face on the stove. Mr. Belt had gone to the store and did not know of his wife's condition until he went to see why she did not join him.

Mr. and Mrs. M. M. Squire have been taking their eastern visitors, Mr. and Mrs. M. G. Munson, on sight-seeing trips this week. Their first trip was up the highway to the Hood River county line, the next was across the Interstate bridge to Vancouver. They will take in several other interesting places during the coming week.

SEVEN HEIRS GET SHARE OF PROPERTY

A suit for the division of the J. W. Rourke donation land claim, five miles east of Gresham, has been settled in the circuit court by the order of an equal division of the property among the seven heirs.

When it came to a settlement six of the heirs wanted a division of the land, but one, Gilbert Kelly, protested such an allotment and asked to have the property sold so that a division could be made in cash.

The other six are Mrs. Carrie Powell, Mrs. Ada Burton, Mrs. Annie E. Hale, James L. Rook, Mrs. Pearl Hawes and Mrs. Minnie Marley. The latter is the divorced wife of Pleas Rook, the latter having relinquished all claim to the old estate in her favor by another agreement.

The court appointed D. M. Roberts, E. H. Kelly and C. O. Williamson to divide the Rook estate in seven equal parts which has been done, but the allotment has not been made. At the proper time the selections will be made by lot under the direction of the court and the appraisers.

A Product of Experience

Intensity of purpose has characterized the building and the development of the Chevrolet. And that purpose has been to build the best car in the world for the money. This we believe we have accomplished, for the Chevrolet has found a place in all the inhabited countries of the world. World-wide popularity does not come by chance. World-wide laurels are not won without merit. The reasons for this leadership are many. But the principal one is that the Chevrolet meets every requirement of the motorist. It fulfills each mechanical duty satisfactorily and consistently, and in addition has all the other qualities that contribute to comfort and convenience.

The Chevrolet is an equally balanced car—balanced as to looks and mechanical dependability. They are equally important. And you are not satisfied if either one is missing.

"FOUR-NINETY" TOURING CAR, \$625.00 F. O. B. PORTLAND

The Chevrolet Four Ninety Touring Car is a car of ideal economy. It gives you the most value for your money.

The Chevrolet delivers the maximum power to the rear wheels. It accomplishes this feat through simplicity of mechanism. The compels directness of action. The result is more power and speed, and less fuel and expense.

The path of Chevrolet power is short and direct. The vaporized fuel enters directly into the valve-in-head motor. The impact of explosion strikes full against the piston head. It is an act of face-to-face co-operation.

The fullness of the force is exerted immediately on the rear wheels. No fraction of a second or horse-power is unduly spent. The Unit power plant type of construction does the business.

And the result is, of course, that you ride faster and farther on one gallon of gasoline in this particular model.

That is economy. And that is what you will find in the Chevrolet Four Ninety.
