GRESHAM PEOPLE AND HAPPENINGS

Holiday Proclamation.

In order that our citizens may have opportunity to participate in the patriotic demonstrations in Portland next Thursday afternoon I hereby proclaim a half holiday from 1 to 7 p. m. of that day for the city of Gresham. I urge that business places be closed during this period.
G. W. STAPLETON, Mayor.

WITH CHEERFUL HEART AT ONE HUNDRED YEARS

Miss Nettie Osburn is showing a copy of the Minneapolis Daily News, containing a picture of her aunt, Nancy Haggard Smith holding in her lap a birthday cake with one hundred candles in honor of her 100th anniversary which was celebrated at Old Concord, Minn., on March 6.

"Aunt Nancy" is also the great aunt of Winifred and C. E. Osburn, also of Gresham and of Wilfred Osburn, a soldier in Europe, also a great great aunt of Elton Lovelace of the Oregon National Guard. On her one hundredth birthday she had a cheery message for more than 100 friends who called at her home to congratulate her and wish many more years of life. She has the record for long life of the Haggard family in America, remarkable for its longevity and for the fact that some member of it has fought in every war since the signing of the declaration of independence.

"Listening," says Aunt Nancy, "one can hear the footsteps of God as he leads the nations according to his own purpose. Never was there such a tide of benevolence as has gone on to feed Belgians, Serbians, Poles and Armenians. The moral reforms already in sight point to the day, not far distant, when righteousness shall cover the earth, as the waters cover the sea. As enmity between Boer and Briton has broken down, as hatred between France and England has given way to eternal good will, as the bitterness of the '60's has given way to one heart for North and South, so will Europe's hatred die and international fraternity take possession of the whole world."

RED CROSS WORK MAY BE ORGANIZED HERE

Gresham women are anxious to do their "bit" in a patriotic way, and nothing appeals to them more than Red Cross work, though just what that work is seems to be hazy in the minds of many. The meeting, which was called at the library last night for the purpose of organizing a Red Cross, was well attended, the lecture room being packed with women and girls, ready to take a part in the great work. That no organization was formed, was due to the fact that no agreement could be reached as to the most feasible plan for this community.

Some wished to join the American Red Cross and take the training necessary to make them nurses' aids. Seven young women present expressed themselves desirous of doing this work. Arrangements will be made for them to take the training in connection with classes in Portland, unless it is possible to enroll at least 15, in which case it is expected that a class could be formed here which would be instructed by some physician, who must be connected with the Red Cross work. These women could not, of course, be nurses, but would become trained assistants to nurses. Those who have already enrolled are Alice Roberts, Helen Metzger, Mabel Burch, Lena and Gladys Wright, Nellie Paris and Mrs. A. Hevel.

Some of the women wished to form a class for nurses' instruction for home work and still others, who are unable to take up either of these lines, wished to assist by making bandages, comfort bags, scraping lint and doing work of that kind. A movement is on foot to form a class for home instruction, which could also receive and distribute Red Cross supplies and be responsible for their proper preparation.

HOME GUARD IS ORGANIZED AND BEGINS DRILLING

About 50 men gathered at the city hall last night and organized themselves into a company of Home Guards.

The following were elected honorary officers: G. W. Stapleton, captain; Max Schneider, first lieutenant; Judge Wonacott, second lieutenant. Active officers, B. F. Bauer, captain; Richard Werner, first lieutenant; Tom Townsend, second lieutenant; H. L. St. Clair, sergeant; Dr. A. Thompson, chaplain; E. E. Chipman, color bearer.

Captain H. U. Welch, now-commander in the coast artillery, was present and gave valuable suggestions. It was found that Gresham is favored in having experienced young men who have been in the national guard or regular army and are well posted on drill work and organization. Some of these have been elected active officers and will put the company through needed drill work.

Elkington, Thompson and Wonacott, were appointed a committee to arrange for a place for drills and future meetings.

It was decided to participate in the patriotic parade in Portland Thursday afternoon.

It was decided to meet regularly for drills on Monday and Friday nights and it is probable the Thompson garage on Powell street will be used for this purpose.

In order to be prepared to march in a body in the parade on Thursday the company adjourned to Main street where Lieutenant Werner took charge and put the company, numbering nearly 50 men, through the first lessons in formation and marching.

The next drill will be on Wednesday night at the garage. All men of this locality, whether in town or country are invited to be present. Many have signed the muster roll since last night. The muster roll is at the Outlook office. Call and sign and come out Wednesday night.

DRAMATIC CLUB HOLDS ENJOYABLE BANQUET

Pleasant Valley grange hall was the scene of an elaborate banquet, which was given on Thursday evening, April 12, by the members of the casts of the two plays, "The Texan," and "Along the Missouri," which were staged at the hall during the winter. Mr. and Mrs. T. P. Campbell were the guests of honor.

The tables were arranged in the shape of a T, and the color scheme was carried out in green and yellow. The T was elaborately festooned in yellow and huge bouquets of daffodils decorated the table.

Covers were laid for 26 and each guest responded, with a very interesting and clever toast. Valentine Snashall acted as toastmaster. The toasts were "To Our Guests," Allen Joy, responded to by Mrs. T. P. Campbell, "To Our Country" by Loyd Glese; "To the Ladies," by Dave Masters; "To the Gentlemen," by Miss Nina Joy; "To the Children," R. H. Searle; "To Our Director," by Miss Winifred Roman; "To the Plays," by Mrs. W. U. Moore; "To Our Old Coffee Pot," Miss Myrtle Snashall; "To the Ones Outside the District Who Helped Us," by W. U. Moore; "To Our Friends," by Mrs. Dave Masters; "To the Cast," by Adams F. Joy; "To Our Musicians," Mrs. H. E. Poppleton. Other toasts were given by Miss Hazel Stradley, Mrs. Campbell, Mrs. Restorf, Miss Henrietta Troge, Mr. Restorf, Albery Troge, Willard Bliss and H. E. Poppleton.

BUSINESS WILL STOP THURSDAY AFTERNOON

The following business houses have signed an agreement to close on Thursday afternoon in compliance with Mayor Stapleton's proclamation: A. W. Metzger, L. L. Kidder Hardware Co., Gresham Market Nectar Cafe, W. R. Burke, E. W. Aylsworth, Walrad Merc. Co., Ben Mathews, S. E. Palmquist, J. Cannon, R. B. Belt, R. R. Carlson, Sanitary Market and Gresham Outlook. Others could not be seen, but the banks will close also, as they cannot do business on a legal holiday. The high school will be dismissed for all day and probably the grade school. It is practically certain that every store and shop will close up for the afternoon, as nearly everyone will want to go to Portland to witness the parade and other demonstrations.

MRS. ANDREW ANDERSON DIES AT MT. VERNON

Mrs. C. R. Keller and daughter Mamie returned last week from Mt. Vernon, Washington, where they went to attend the funeral of Mrs. Andrew Anderson, a sister of Mrs. Keller.

Mrs. Anderson was at one time well known in Gresham and Powell Valley as Mrs. Anna Tilson. She was here only a few weeks ago on a visit. Her death occurred March 26.

PRODUCTION INCREASE

Continued from page 1
render assistance in plowing and harrowing the ground.

The matter will be taken up with the P. R. L. & P to get vacant tracts along their lines into cultivation.

The school children of the various schools are becoming interested in this matter and are volunteering to care for garden tracts and every community should donate land for this purpose.

The boy scouts, of which there is a company of over 25 at Gresham, are being interested in this work of increased production.

The following telegram was recently received by Scout Executive Jas. E. Brockway of Portland from Chief Executive Jas. E. West:

"At a meeting of our National Executive Board, and after conference with National Defence committee and United States Agricultural department, decision reached that one of the greatest services Scouts can render will be to raise crops. Not only is the 1916 crop short and inadequate and situation critical, but 50 per cent of estimated production for 1917 has been contracted for by foreign countries. United States must feed Europe as well as our own people. Individual Scouts, Patrols, Troops, Officers and local councils should co-operate fully to avert crisis. Success of American soldier depends upon home support to extent of ten producers to every soldier. Slogan at this time is 'Every Scout to Feed a Soldier.' This is the reason and time for action. Tomorrow may be too late."

Another meeting of the committee is called for next Sunday afternoon at the city hall, Gresham, at 4 o'clock. All those named above are urged to be present and others interested are invited. If unable to render the assistance asked come anyway to the committee meeting prepared to make suggestions.

Our slogan should be, "Everyone a producer." This is one important way you can show your patriotism.

Mrs. J. T. Stillions visited her son Clark, who is sick at the military hospital in connection with the armory. Clark is reported to be improving satisfactorily and will soon be on duty. He is a member of Company B, Third regiment O. N. G.

PRICES ADVANCING ON WILLYS-OVERLAND

Prices of seven models of the Willys-Overland line were advanced on April 1, according to information just received by C. M. Zimmerman, Willys-Overland dealer in this city.

The Overland Light Four touring car will sell at \$695, having been advanced \$30. The roadster of the same type will sell at \$680.

The raise in prices also affects the distinctive and popular Country Club model, which will sell at \$795.

The price of the Willys-Knight Four has also been advanced from \$1285 to \$1395, and the Willys-Six is selling at \$1425 since April.

The Overland Light delivery wagons have also gone up in price, the panel type will sell at \$730 and the express type at \$705.

The prices of the Overland Big Four and the Light Six touring cars will be advanced on May 1. Extended advertising campaigns which had been prepared on these models made it impossible for the new prices on these cars to become effective for another thirty days.

The figures mentioned here are f. o. b. Toledo.

THE PAST AND FUTURE IN 'CIVILIZATION'

Smith's Scenograph theater held a capacity audience last night to witness the wonderful nine-reel production, "Civilization," which has had such wide publicity elsewhere, and which is acknowledged to be the greatest war picture ever produced.

The first half of the picture—about five reels—is a true portrayal of the scenes impressed upon the human mind by the progress of the war. The remainder of the story is prophetic of what will happen as the war draws to a close, when the "king" will tell his people to "prepare for peace."

Mr. Smith is to be commended for his enterprise in giving the people of Gresham the best there is in photography. Last night's audience attests the fact that such productions will be appreciated and largely patronized.

There's two sides to every question—pacifism and the right side.
