Even This 30,000 Will Not Be Enough

There will be 30,000 Smith Form-a-Trucks built this year—but even this huge production will not be enough. So if you have waited for further proof of the wonderful economy—efficiency—service value of this tremendous achievement in motor transportation, don't wait another day.

Over 10,000 users—over 450 lines of work—are all the proofs you need, and there is not a single Smith Form-a-Truck owner who will not say that he has cut delivery and hauling costs from 50% to 75%.

This year you not only get this wonderful attachment at the price of a good pair of horses, but you get it adapted to any Ford, Maxwell, Buick, Dodge Bros., Chevrolet or Overland Car. So you can select the power plant you like the best—have the most confidence in.

Smith Form-a-Truck is the mule hauler of the world—the master economizer in hauling and delivery cost—the master saver in equipment investment.

GRANGE PROGRAM FOR MOTHERS' DAY

Multnomah Grange No. 71 will meet in regular session May 26. We have arranged for a good program, the subject for the hour is Mother's Day, with recitations and songs we think appropriate. For discussion we will take up the work other granges in other states are doing and why can't we? Would like to have as many as possibly can, to try and be there, and give their opinion on co-operative buying, and also selling. Now the high cost of living is puzzling a good many of us, why can't we co-operate and buy our sugar, flour, feed and so forth, by car load lots and cut out the middle man's profit. I, for one, would like to hear this thoroughly discussed and acted upon. Other features of our program will be a debate:

"Resolved, That the woman of today has more to do than the woman of one hundred years ago." Also a paper, "The changed position of woman." Closing song "The Star Spangled Banner. All who have the song please bring it as it is not in our grange book. Don't forget the birthday box. All having birthdays in May will have a chance for the usual birthday offering. All are cordially invited to attend. The lecture hour is always an open meeting. Come and join us in a good time as well as a profitable day spent.

Farmers, farmers, hear the call. Patrons of husbandry, lead them all, especially in war time.

A Symbol of Health.

The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.—Adv.
