**TROUTDALE**

About sixty people gathered at the L. A. Harlow home last Wednesday evening in honor of the three teachers of Troutdale. A pleasant evening was spent with music and games and a magic lantern show by Jack and Sam Harlow. The teachers were each presented with gifts by their pupils, a book to Mr. Ryan, and pretty brass flower baskets to each of the Misses Inglis. Sandwiches and cake and coffee were served. This was a farewell to the teachers, who all have positions elsewhere for the coming year. The principal, J. C. Ryan is to teach in Vancouver. Miss Miriam Inglis has accepted a position in high school work in Toledo, Oregon, and Miss Mable Inglis leaves us for Gresham. She gives up her place to Mrs. Janet Grant, of Fairview, who left it to Miss Inglis four years ago.

The school picnic Friday was compelled by the weather to be an indoor affair and was held at the school-house, where a most bounteous lunch was enjoyed at the noon hour by the children and members of the Parent-Teacher association, who managed the picnic.

Ladies from Troutdale attending the county school program in Portland Saturday were Mesdames Nellie Hatfield, Wm. Crawford, A. D. Kendall, C. I. Thomas, C. I. Raker, J. A. Larsson, L. A. Harlow, G. P. Lumsden and Miss Miriam Inglis, who chaperoned the Gypsy band who contributed Troutdale's part of the program and they certainly did themselves proud. Their number was certainly very good, and was enthusiastically received by the large audience.

Lee Evans purchased a new Dodge car last week.

The Troutdale Sunday school is the proud possessor of a new flag, purchased last week out of the funds. It has been draped back of the pulpit, and it is a pleasure to see the eyes of the children brighten as they look at it.

Ellsworth Raker returned yesterday from a most delightful visit with relatives and friends in Seattle and Tacoma.

**FAIRVIEW**

The entertainment and graduating exercises of the Fairview school drew a full house at the city hall last Friday night. The children all did their parts well and a most interesting evening was spent. The graduates were Josephine Townsend, Mildred Keitle, Julius Luscher, Walter Schram, Fay Davis and Claudie Heslin. The hall was tastefully decorated in pink and green, the class colors. The class motto is "Ever Onward."

Memorial day was appropriately celebrated at the Presbyterian church last Sunday by a union service, when the Rev. J. B. Self preached and several readings and recitations were given. Special music by the choir added to the interest of the occasion.

The grange program next Saturday, June 2, will be of special interest to all members of Fairview grange. On that day the women will pay their debt to the men, following the three months' contest. Some unusual features are planned, which however, are kept a secret.

**A Symbol of Health.**  
The Pythagorians of Ancient Greece ate simple food, practiced temperance and purity. As a badge they used the five pointed star which they regarded as a symbol of health. A red five pointed star appears on each package of Chamberlain's Tablets, and still fulfills its ancient mission as a symbol of health. If you are troubled with indigestion, biliousness or constipation, get a package of these tablets from your druggist. You will be surprised at the quick relief which they afford. Obtainable everywhere.—Adv.

**We Have Them Now.**
