The people of Fairview deeply sympathize with the relatives and friends of the victims of the terrible accident at Gresham last Wednesday, having so recently been saddened by a similar catastrophe here.

A rancher near Glendale, Cal., whose fruit was stolen very frequently, planted a large number of cactus shoots along his fence line. In about a year a spiky hedge had grown up to a height of three feet. It is now nearly sixteen feet high and from five to six feet thick.

Forethought.

People are learning that a little forethought often saves them a big expense. Here is an instance: E. W. Archer, Caldwell, Ohio, writes: "I do not believe that our family has been without Diarrhoea Remedy since we commenced keeping house years ago. When we go on an extended visit we take it with us." APPRECIATES EFFORTS MADE BY OUTLOOK

PORTLAND, June 16.—Editor Outlook:—The Oregon Publicity committee wishes to write that we thank you for your kind efforts in behalf of the Liberty Loan campaign. We appreciate all that you have done to make Oregon the first state of the coast to meet its obligation in this patriotic duty. It shows that Oregon can do things if its people pull together. It showed it in the Liberty Loan campaign. It showed it in the campaign for the army and navy Y. M. C. A. It will show it in the campaign for the Red Cross fund. This is "a period which we hope will prove memorable in American history as a week of preparation and sacrifice." We must provide for the care of our wounded and sick soldiers. We will not be any too ready by the time that the casualty lists of "our boys" in France begin to come home. We must not fail to thus early in the war realize the seriousness of the situation.

Yours truly,
W. M. LADD, Chairman.
