

Constipation and indigestion. "I have used Chamberlain's Tablets and must say they are the best I have ever used for constipation and indigestion. My wife also used them for indigestion and they did her good," writes E. Knight, Wilington, N. C. Chamberlain's Tablets

are mild and gentle in their action. Give them a trial. You are certain to be pleased with the agreeable laxative effect which they produce. Obtainable everywhere. Electro-magnetism was discovered in 1819.

GRESHAM PEOPLE AND HAPPENINGS

Mrs. T. R. Howitt and son Frederick left yesterday for a six-weeks' stay at Rockaway beach.

Miss Liela Gibbs has had as a guest for a few days this week, Miss Etta Richardson, a nurse of Boise, Idaho.

A marriage license was issued on Tuesday to George Kleinschmidt of Portland and Miss Anna Lindemann of Gresham.

Mrs. Roy Shoemaker entertained on Tuesday of this week Mrs. Ben Hazen and little daughter, Elizabeth of Portland.

Mrs. Alta Truitt was here on business yesterday. Mrs. Truitt is working in a Portland cannery, where she is head stenciler.

Carl Wirtz, well known as a former Gresham boy, was in town today saying goodbye previous to leaving for duty in the U. S. navy.

Miss Elizabeth Pettigrew of San Francisco, visited on Wednesday with Mr. and Mrs. D. W. Metzger. Miss Pettigrew has been on a trip to Alaska.

Guy Fieldhouse left yesterday by the flivver route for Seaside and the Tillamook beaches. He was accompanied by his family. They will return in about a week.

A marriage license was issued yesterday to Dr. Wilbur Thompson, son of Dr. and Mrs. A. Thompson, and Miss Ethal Wilkinson, daughter of Mr. and Mrs. A. M. Wilkinson of Gresham.

Mr. and Mrs. Emil Oswald, who have spent the past month in Ohio, are now on their return trip, visiting with Mr. and Mrs. S. E. Toepelman in California. They are expected home in a few days.

Mrs. P. M. Johnson presented the Outlook with an egg, yesterday, of the White Leghorn variety that weighs just a fraction under four ounces. The hen that laid it does it regularly, each one containing two yolks.

Two additional names appeared in the selective draft roll, since the Outlook was issued on Tuesday last, of young men living in this vicinity. They are Harold G. McCreary of Troutdale, and Rudolph P. Salquist of Gresham.

Miss Ethel Mitchell, of Tacoma, and W. G. Mitchell, of Camas, Washington, cousins of John Brown, are visiting the Brown family here. Mr. Mitchell finds very few landmarks which were familiar to him in this vicinity forty years ago.

At the Gresham Baptist church next Sunday, July 29, Bible school will meet at 10 o'clock. The laymen's meeting at 11 o'clock will be led by Miss Ruth Tibbetts. The pastor, Rev. A. J. Ware will preach at 8 o'clock in the evening.

Mrs. Mollie Miller, of Muncie, Ind., is visiting her brother John Richmond at Rockwood. She is accompanied by her daughter and will remain about a month. Mrs. Miller and her brother had not met before for seventeen years.

D. W. Metzger has commenced excavations for the erection of a new modern bungalow on his property opposite the residence which he recently sold to Mr. and Mrs. T. D. Lyman. Mr. and Mrs. Metzger are now living in the Oswald home.

Rollo Maechtle, a cousin of R. R. Carlson, arrived here yesterday from Milwaukee, Wis., for a visit of several weeks. He has the distinction of being the only relative of Mr. Carlson who ever journeyed here from the east to call upon him.

Miss Orel Raney acted as bridesmaid at the wedding in Portland on Wednesday of Miss Ethel Yerkes and Patrick Fordney. The wedding was solemnized at a Catholic church, followed by high wedding breakfast at the Portland Hotel, after which a reception was held.

Mrs. Clara Wolfe has been seriously ill at the home of J. H. Metzger for the past few days, but is now much improved. Mrs. Ruth Watson of Portland and Miss Liela Gibbs have been caring for the patient and looking after the household, during the absence of Mrs. Metzger at Seaside.

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Every family without exception should keep this preparation at hand during the hot weather of the summer months. Chamberlain's Colic, Cholera and Diarrhoea Remedy is worth many times its cost when needed and is almost certain to be needed before the summer is over. It has no superior for the purposes for which it is intended. Buy it now. Obtainable everywhere.

Miss Eva Anderson, secretary of the Mutual Telephone company, has returned from a two-weeks' vacation, spent in various places in Washington. She spent several days at Shipper's hot springs, which is described as an ideal place for a rest. Miss Mary Cathey substituted in the telephone office during Miss Anderson's absence.

IN AN ANDEAN CAPITAL.
They Have Queer Ideas About Bathing Places In Colombia.

Ibague, capital of the Colombian province of Tolima, claims 2,300 souls, but the count takes much for granted. It is a square cornered town of almost wholly thatched one story buildings, its wide streets atrociously cobbled and its few sidewalks worn perilously slippery and barely wide enough for two feet at once.

A stream of crystal clear water gurgles down every street through cobbled gutters, lulling the travel weary to sleep and furnishing a convenient means of washing photographic films. We drank less often, however, after we had strolled to the end of the mountain and found three none too handsome ladies bathing in the reservoir.

It is a peaceful, roomy place where every one has unlimited space on the grassy, gentle slope to put up his little chalky, straw roofed cottage, yet all to the street line as if fearful of missing anything that might unexpectedly pass. Foreigners seem to be a great novelty, and I could find no satisfactory reason why so many Ibagueños were blind unless they had overindulged themselves in the national game of staring.—Harry A. Frank in Century Magazine.

Biliousness and Stomach Trouble.
"Two years ago I suffered from frequent attacks of stomach trouble and biliousness," writes Miss Emma Verbrake, Lima, Ohio. "I could eat very little food that agreed with me and I became so dizzy and sick at my stomach at times that I had to take hold of something to keep from falling. Seeing Chamberlain's Tablets advertised I decided to try them. I improved rapidly." Obtainable everywhere.

COOK WITH PEARL OIL

LESS WORK

No coal, wood or ashes to lug. No waiting for the fire to burn up. Meals in a jiffy and a cool kitchen all the time. Bakes, broils, roasts, toasts. Better cooking because of the steady, evenly-distributed heat. More convenient than a wood or coal stove for all the year 'round cooking, and more economical. The long blue chimneys prevent all smoke and smell. In 1, 2, 3 and 4 burner sizes, with or without ovens. Also cabinet models. Ask your dealer today.

War-Time Business Planning

This is an exceptional time. Many unusual changes are taking place. Practically every business is confronted with new problems. The question of financing is always important. To meet recurring changes, impossible to forecast very far ahead, it behooves us all to establish

INDEPENDANT RESERVE FUNDS

Our Christmas Cash Club provides a very efficient and convenient way for the individual of small means to establish and conserve such a fund.

It is not necessary that it be used for Christmas Gifts but may be used to purchase a Liberty Loan Bond or a Time Certificate, both of which bear interest and may then be held for an opportunity or emergency. Consult us.
