

RURAL LETTER CARRIERS IN ANNUAL MEETING

From C. C. Chipman, rural carrier, state delegate from Oregon to the National Rural Letter-carriers association, which met in convention last week at Kansas City, comes the following report, taken from the Kansas City Post under date of September 12.

"The question of seeking entrance to the American Federation of Labor as a body and the forming of a sick and benefit society are the chief issues being discussed by the National Rural Letter Carriers, convened in their fifteenth annual convention at the Coates House. Both of these plans are being favorably discussed in committee and it is believed that the convention will vote unanimously for them.

"Most of the carriers here do not believe they are receiving large enough salary since the cost of living has advanced. They average \$100 a month.

"The session this afternoon included reports of the special committee on co-operative purchasing by R. S. Cate, Weatherford, Okla.; Clarence E. Austin, Chula Vista, Calif.; and A. B. Larson, Sheridan, Wis. There are 175 delegates and about 300 carriers from adjoining states are expected to arrive for the sessions tomorrow and Friday.

"Mrs. Ruth Kenyon of Monroe, Neb., holds the distinction of being the only woman delegate present."

A. H. BURN'S HOLSTEINS ARE EASY WINNERS

A. H. Burns showed five head of choice Holstein cattle at the fair and won prizes on all, first in every class that he entered, getting junior and grand champion on junior bull and sweepstakes over all breeds. There were three Jersey herds, one Guernsey, one Brown Swiss and three Holstein herds competing. Last year he got first on senior calf and junior and grand champion on the same. These prizes last year were won by Mr. Brown's heifer, Queen Carrie Johanna. This year his prize bull is King Segis Matador Canary.

FORMER GRESHAM BOYS IN ENGINEERS CORPS

Ross E. and Guy R. Read, sons of Mr. and Mrs. V. H. Read of Portland, have enlisted in the army in Company A, Oregon Engineers, and are now at Camp Greens, Charlotte, N. C. The Read family lived in Gresham for some time and have many friends here who will be interested in hearing of the boys' enlistment.

In a note from V. H. Read, father of the boys, he expresses a desire to see their names on the Outlook's roll of honor, and says that while they are not strictly from eastern Multnomah, they have felt that Gresham is in a way their home on account of having so many acquaintances and their property here. We therefore gladly add their names to our long list of honored boys.

TROUTDALE

At the meeting of the Parent-Teacher association last Friday, the winter's activities were discussed with interest. Superintendent Alderson, who was present, gave an encouraging talk on taking steps toward a school fair in this community. As the 9th and 10th grades have been eliminated from the school, ways were discussed of obtaining transportation free for the high school pupils to other districts. It is hoped that some way may be found to do it. Through the president, Mrs. L. A. Harlow, the woman's registration matter was taken up. As it came up so late, it was decided to hold the registration in this precinct at the library from 2 to 5 p. m. on Tuesday the 18th. In the social hour at the close of the meeting light refreshments were served.

There is to be a necktie and apron social for the benefit of the Aid society at the hall on Saturday, September 29. Mrs. Frank Boscoe has charge of an interesting program. All ladies are asked to wear an apron and bring a necktie of the same goods. Men will grab the neckties from a bag, then find the lady wearing the corresponding apron. They will then be expected to buy for themselves and lady a lunch at a nominal sum. A good old fashioned time is promised.

Mrs. Geo. Lumsden spent the latter part of last week visiting her sister and brother in Portland.

Mrs. D. M. Taylor of Pasadena, California, and Miss Florence Toon of Portland, came last Thursday for a visit with Mrs. C. I. Thomas. Mrs. Taylor left this morning for The Dalles. Miss Toon will remain for the week.

Mr. and Mrs. A. A. Loeb, of Portland, were week-end guests of Mr. and Mrs. Lee Evans.

Mr. and Mrs. Edward Law, of Portland, were guests Sunday of Mrs. Law's aunt, Mrs. L. A. Harlow. Mr. and Mrs. Law go to Lewiston, Idaho, soon to reside.

Born Thursday, September 6, to Mr. and Mrs. William Nesmith, a daughter.

Fred Landan returned Saturday to American Lake, after a two-week visit with his parents.

The Troutdale chapter Eastern Star meets next Saturday evening. This is a special meeting for the conferring of degrees.

The Troutdale Ladies' Aid will hold a work meeting Wednesday afternoon at which the Red Cross work committee will report. All ladies wishing to do the Red Cross work with the Aid are invited to attend. Word has been received from Mrs. and Mrs. Louis Kummer, who have been for several months at Bloomington, Illinois, that they will start for the west on September 24. Mrs. Kummer writes that they will be glad to get back to good old "dew-dry" Oregon.

The resignations of J. W. Beneke as director and E. C. Morrison as clerk of the school district having been accepted, a special school meeting was held Monday night for the purpose of electing their successors. John Molier was elected director and Mrs. Julia Snover clerk.

Friday evening at the city hall, Fairview, under the auspices of the Women's society and the U. S. class of the Presbyterian church, a social will be held, to which all are invited. A good program, a war lunch and a social time are promised, all for a nominal price.

Experience the Best Teacher.

It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.—Adv.
