Experience the Best Teacher.
It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs and colds with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.—Adv.

COLUMBIA HEIGHTS

The letter in last week's Outlook, written by Harold Kern to his parents went straight to the heart. The spirit of that sweet note was that of true love from a noble boy and soldier to the old folks at home. Yes, there is a world of consolation in those few words. "I love you more than I can tell, don't worry, I shall be a good boy and do all in my power to be worthy of you and come back to you a good son." Such sweet comforting words bring the tears from the eyes and bring assurance to the father and mother, that their efforts to bring up an honest boy has not been in vain. God bless this young soldier boy, and every other soldier boy who has gone away to serve his country and may they all come safely home is our earnest wish.

Union High No. 1 will open up the first of October with Mr. Glasspool from Montana as principal and Miss Lela Lasley of Hurlburt as assistant. Mr. Glasspool comes well recommended from different colleges where he has taught and we are looking forward to a successful year under his tutorage. Our district has been more than fortunate to secure Miss Lasley as assistant principal and we haven't the least doubt that she will prove herself worthy of the important position tendered her. She is well and favorably known in this community where she has grown to womanhood and with her pleasant personality and splendid education obtained chiefly at Berkeley, California, where she twice won a free scholarship for being a most worthy student, she will be an inspiration to the girls and boys whom she will come in contact with the coming term. She also comes well recommended as a teacher from Toledo, Oregon, where she has taught for a couple of terms. She is the eldest daughter of Mr. and Mrs. F. Lasley of Hurlburt. Miss Powell, of Portland, was re-elected to the grammar grade, which she taught with much success last year, and we all are looking forward to a splendid year in our school and hope that the girls and boys will take advantage of the opportunity. Surely there won't be any slackers when it comes to getting an education at home.

Mr. and Mrs. P. Andersen were guests of Mr. and Mrs. A. P. Christensen at Beaverton last Sunday. The Christensens have a fine view over the Tualatin valley, but they need better roads out there, and hope it won't be long until ditches and chuck holes a foot deep will be a thing of the past.

"Say, has anybody seen Mr. Lund's Ford? Why, it is gone! "One day last week while Mr. Lund was at dinner, some one rammed off with it. We think it would be a good plan for those owning a Ford to get a bull dog by the wheel when leaving it.

TWO NOTED BILLIES WHO ARE SAVING BUMS

A copy of the Santa Monica, Cal., Daily Outlook, just received, announces the arrival of two Billies a few days ago. One was Bill Sunday, the other was "Billy" Russell. The arrival of two such noted men could not be overlooked as both are doing great work in their respective lines. "Billy" Russell is well known in Gresham, having left here only last spring for California. He is now located in Santa Monica, engaged in the cleaning, dyeing and repairing business. When here he was H. W. Russell, and lived on a small ranch just south of the city. He leaves the sinners for Sunday to save while he devotes his energies to saving bums of another kind—the dirty, faded suits of his customers.
