FOR THE FARMER  
 Is the Big Step Forward in Rubber Footwear

Positively the toughest, strongest rubber ever evolved goes into Goodrich Auto Tires. Think how they stand up for thousands of miles under the most terrific strain. Just imagine a Boot made of this same kind of rubber and in the same way—

And remember "HIPRESS" is the only footwear in the world made after this process. It was invented by Goodrich and Goodrich alone uses it—and it is the first footwear ever made in brown and white colors.

"HIPRESS" was a success from the first—others have tried to imitate it, offering the same colors, claiming new processes, but they cannot duplicate "HIPRESS." "HIPRESS" is made with a RED LINE 'ROUND THE TOP—none genuine without this Red Line.

Brown "HIPRESS" Footwear for the farmer, made in all styles—hip boots, shorts, shoes, etc. See styles at

**GRESHAM PEOPLE AND HAPPENINGS**

Mrs. L. T. Lusted, who has been visiting relatives in Newberg for the past week, returned today.

Dr. and Mrs. Inglis returned Tuesday from a most enjoyable visit with their son and other relatives in Canada.

Miss Miriam Inglis left this morning for Toledo, Oregon, where she will be an instructor in the high school for the coming year.

There will be a regular meeting of the county fair board next Monday afternoon at S. B. Hall's office for the purpose of cleaning up delayed affairs of the recent fair. Those who may have business with the board are invited to be present.

B. Northrup, of Sellwood, has been engaged by the Portland Railway Light & Power company as operator of the Gresham substation. He will move here at once with his wife, and will begin his duties on October 1.

The Martha Verein will meet with Mrs. F. Volbrecht on Thursday afternoon, October 4, at 2:30 sharp. All members are urged to be present and to be on time, as there is much business of importance to be attended to.

Mrs. C. M. Zimmerman was brought home from the hospital a few days ago, where she has been for treatment of her injuries received when she was struck by a motorcycle. She seems to be making satisfactory recovery.

E. E. Chipman, who has just recently quit the rural carrier service, has rented the old brick blacksmith shop on Second street and will engage in automobile and vehicle painting. He was an expert at that business years ago and says he has not forgotten it. He will be ready for customers in about two weeks.

Word has been received of the death in San Francisco, on September 15, of Mrs. Jennie McDonald, wife of J. W. McDonald, aged forty-nine years. Many in Gresham will remember Mrs. McDonald for her gentle, unobtrusive ways and kindly spirit. Mr. McDonald is a blacksmith and was employed for several years here, in Osburn's shop and on the pipe line work.

Mrs. C. Humason, whose two sons are serving in Uncle Sam's big army, has had recent letters from the boys which indicate that they are busy and happy and well cared for. Guerdon, the elder, is with the 116th Provisional Aero Squadron in training at San Antonio, Texas. Raymond is a member of the Third Oregon Infantry, Company H., and is at Charlotte, North Carolina.

At the meeting of the Women's Christian Temperance Union held yesterday, the following delegates were elected to attend the state convention to be held in Albany next month: Mrs. W. F. Honey, Mrs. B. W. Emery, Mrs. M. Schneider and Mrs. Hans C. Larsen. Mrs. Geo. F. Honey was elected at the recent county convention as the delegate at large to the state convention.

John Brown, George Wolff of Sandy, and John Kelseker of the same place left this forenoon for the mining camp near Glendale where they have some excellent mining prospects. They expect to be away about two weeks. They were accompanied by Ralph Miller, grandson of Mr. and Mrs. D. L. McLain, who will go to his home at Wilbur where his mother, Mrs. Inez Miller is principal of the Wilbur high school.

A meeting will be held in Metzger's hall on Thursday evening, October 4 for the purpose of organizing a Red Cross auxiliary. It is expected that speakers from Portland will be here. The demand for Red Cross work is insistent and the new organization will not in any way interfere with the work being done by the Women's Christian Temperance Union and other organizations, but will be a local headquarters, through which supplies and instructions may be had.

The Sunday School Rally day will be observed at the Bethel Baptist church next Sunday morning at 10 o'clock. Special attention will be given to the Cradle Roll department, some children receiving promotion and others Cradle Roll certificates. A special effort is being made to enlarge the Bible class. The Alldridge Brothers quartet of Oregon City will be present and assist in the singing. The pastor, Rv. A. J. Ware, will preach at 11 o'clock on the "Second Coming of Christ." All are welcome.

The Baptist Missionary society will meet at the home of Mrs. J. N. Clananhan on Thursday afternoon, October 4. Mrs. E. W. East, for many years a missionary in India, will be the principal speaker. Miss Johnson, a sister of Mrs. East, will sing. Mrs. Jas. Sterling will give a piano solo and Miss Edella Towle will sing. The mite box opening will be in charge of Mrs. E. A. Leonard. Mrs. D. R. Shoemaker is in charge of the program. Those who will assist Mrs. Clananhan in serving are Mrs. E. S. McCormick, Mrs. P. Michel, Mrs. R. Beadle and Miss Pearl Durst.

Attorney B. F. Mulkey, of Portland, will speak at the Methodist Episcopal church next Sunday at 11 o'clock. Those who have heard Mr. Mulkey on former occasions, will take the opportunity to hear this gifted layman again. All are invited to attend. Sunday school and Epworth League services will be held at the usual hours.

Edward Dickenson of the 14th Infantry, Regular Army, visited over Sunday with his parents, Mr. and Mrs. F. Dickenson of Rockwood. A family reunion was enjoyed, other present being Mr. and Mrs. W. Cook and family, Mr. and Mrs. K. W. Harvey and family. The young soldier is stationed at Vancouver Barracks.

Mrs. F. Volbrecht has returned from Libby, Montana, where she spent the summer with her husband, who is employed in the great lumber industry of that region.

Rev. A. C. Brackenbury and wife and Captain C. O. Branson and wife are in attendance at the Methodist Episcopal conference this week at Springfield.

Dr. Mark W. Emery, wife and baby from Union, Oregon, are here on a visit with the former's parents, Mr. and Mrs. B. W. Emery.

Mr. and Mrs. Chas. Cox and family have moved into the Lindsey house on Main street.

Miss Merle Chapman, of Portland, was the week-end guest of Miss Winifred St. Clair.

**LOCAL ORGANIZATION OF "FOUR MINUTE MEN"**

President Wilson on April 14th, 1917 issued the following Executive order:

I hereby create a committee on Public Information, to be composed of the Secretary of the State, the Secretary of War, the Secretary of the Navy, and a civilian who shall be charged with the executive direction of the committee. As civilian chairman of the committee I appoint Mr. George Creel.

The National organization of the Four Minute Men is a division of, and has its headquarters with the committee on Public Information at Washington, D. C.

Under the direction of the National organization of Four Minute Men state organizations have been effected in each of the states and they in turn are effecting local organizations in all of the cities and villages of the state the purpose of which is to assist the various departments of the Government in the work of national defense during the continuance of the war, by presenting messages on subjects of vital national importance to motion picture theater audiences during the intermission. The speaking is directed from Washington under the authority of the Government and is on topics selected by the committee on Public Information.

The local committee named at Gresham are Hon. Geo. W. Stapleton, C. G. Schneider and A. Meyers. With A. Meyers acting as chairman and through the courtesy of Mr. Bryant the proprietor of the motion picture theater in Gresham, arrangements have been made to have a series of speeches delivered at the Gresham theater, probably two each week, where the speakers will present to the audience, in a forceful manner, subjects which the Government deems of vital importance to the public at this time.

Both Mr. Stapleton and Mr. Schneider will address the audience in the near future on subjects which will be announced later.

Hon. W. W. Cotton will speak at the theater Saturday evening next September 29th, on "What Our Enemy Really Is."

These speeches will in no way detract from your pleasures at the theater and will be found to concern you vitally at this time. They will be given during the intermission and will be short and to the point. Mr. Bryant is very enthusiastic concerning the matter and offers his theater freely as a means for disseminating the information which the Government desires the public to have in true form and states that the speeches will in no wise detract from the splendid subjects which he will have in the near future but rather add to the enthusiasm.

Every one should hear these speeches.

Has a High Opinion of Chamberlain's Tablets.

"I have a high opinion of Chamberlain's Tablets for biliousness and as a laxative," writes Mrs. C. A. Barnes, Charleston, Ill. "I have never found anything so mild and pleasant to use. My brother has also used these tablets with satisfactory results."—Adv.

**FAIR THIS YEAR IS THE BEST EVER HELD**

The state fair is all the attraction this week. It is the outstanding event for all Oregon agriculturists and stock raisers. The fair is said by those who visit it from year to year to be one of the best ever held.

If the fair stands for the development of Oregon's resources in all material lines, and has a great educational value, then one will miss the full educational benefit if he does not go to the fair by auto far enough over the Pacific Highway, or some other main traveled road, to get it thoroughly jolted into his system that one of Oregon's greatest needs is better roads.

However, going by auto seems to be the favorite method judging from the acres and acres of parked autos in and adjacent to the grounds.

The extensive and well arranged camping facilities impress one as a capital feature in connection with the fair. And the privileges are well used.

A trip around the fair grounds

shows some excellent exhibits. The livestock barns are well filled with many choice animals. One whole barn is devoted to the display of Percherons and Belgians by A. C. Ruby, of Gresham, an exhibit acknowledged to be the best and cleanest ever shown at the state fair. G. H. Dammeier has a display of A. J. C. C. Jerseys. Both of these men won a large number of prizes on their displays. The Clevelands made no exhibit this year.

Nearly all of the counties of the state had exhibits in the county display and there were many attractive booths. Coos county was the easy winner of the first prize in the county displays. The different state institutions, School for the Feeble Minded, for the Blind, etc., were represented by exhibits, also the principal colleges of the state.

The trend of all the exhibits was toward conservation and preparedness. Exceptionally well arranged to bring out this fact was that of the Oregon Agricultural College. The Red Cross display was also excellent.

commonly called "hunger" should be a three-times-a-day treatment. You know that old saying—it's better to pay the butcher than the doctor—not that we begrudge the M. D. any business, because he's one of our best customers.

WE'VE THIS TO TELL—THE MEATS WE SELL WILL MAKE A HUNGRY MAN FEEL WELL!

**Gresham Market** A. J. W. BROWN, Prop. GRESHAM, OREGON

For myself, I believe this is going to be a long, bloody and terrible war. I am not trying to delude myself into the belief that some miracle is going to happen before we fairly get into the struggle that will end it all. I wish to God that it were so. I feel that the armies that are now forming are but the beginning of things. I believe that the greatest mistake the autocracy of Germany ever made was when it minimized the courage and the determination of this country to maintain all of its rights unimpaired.—Representative Kahn.
