

FIRE DEPARTMENT APPEALS FOR HELP

The town of Gresham has had an organized volunteer fire department for nearly six years. In that time they have responded to every fire call in Gresham and six fires outside of town.

The fire boys do not receive any pay for their services. What money they receive goes to keep up the fire hall and other incidental expenses, also to the sick benefit fund from which has been paid the last three years about \$75. Each fireman that belongs to the benefit fund pays into the fund 25c per month which is not enough to keep it up if more than one or two should be sick for some time, so they rely a great deal on the public to help them out.

If your house would catch on fire and you would call the firemen and they would say "Wait till tomorrow" you would not like it. When they come to you to sell you a ticket or to ask for money you should not say wait until tomorrow for your house and all you own may be burned entirely, but if you go down

into your old cellar or stocking or sugar bowl and turn out a dollar or so the boys would feel more likely to return the compliment.

The firemen are giving a dance and supper Hallowe'en night, October 31, and wish the hearty support of everyone, if not financially, at least morally.

The supper is mostly donated. Any one feeling disposed to bring anything to eat are kindly thanked. Anything left over will be sold at auction to the highest bidder.

Chamberlain's Cough Remedy the Most Reliable.

After many years' experience in the use of it and other cough medicines, there are many who prefer Chamberlain's to any other. Mrs. A. C. Kirstein, Greenville, Ill., writes, "Chamberlain's Cough Remedy has been used in my mother's home and mine for years, and we always found it a quick cure for colds and bronchial troubles. We find it to be the most reliable cough medicine we have used."—Adv.

They have received many live animals and fowls and a quantity of vegetables and fruit, but perhaps the most striking is the gift of a horse, which will be sold to the highest bidder. So far, the committee has not reported receiving any pigs. Sixteen new members were received at the meeting held at the library yesterday.

CAMAS DEFEATS GRESHAM BY 13-0

In a fast clean-cut football game Friday Camas high school defeated Union High School No. 2, 13-0, in the fastest and cleanest contest of the season.

Both elevens were evenly matched in weight. The Camas men started the fight from the time Referee Stanley sounded the whistle.

Walter Brown, Gresham's famous right tackle kicked off for Gresham at 3:31 o'clock. The ball was sent whirring to the 20 yard line. The play was checked by Zimmerman who made an excellent tackle.

Camas scored its first touch down in the first quarter when but 50 seconds to play. Harold Blake, Camas' full back, went around right end and made the first touch down of the game. He then kicked goal.

Camas made its second touch down near the end of the second quarter.

Coach Brauer must have read the riot act to the Gresham men after the first half because the Cream and Crimson warriors came on the field with a world of "pep."

They had the Gresham fight and fought the Camas men tooth and nail. The line which had seemingly been shot to pieces held like a stone wall. Gresham assumed the offensive and was never headed.

Orville Zimmerman was the big shining light in Gresham lineup. But Zimm. was ably assisted in all plays by Good, Peterson and Metzger, who carried the ball time after time for good gains.

Only two more games will be played this year, which will be played here. On Friday afternoon, Nov. 2, Gresham will meet Estacada in a return game.

SURVEY REVEALS THE STREET IS CROOKED

Surveying for grade of sidewalk on street leading to the O. W. P. depot was done this morning by H. J. Stocker and W. C. Burch. It was discovered that the street as now used bears about 20 feet to the east, and if the street is made to conform with Main street north of Powell, the east curb line will strike about ten feet in front of the law office of Milo C. King.

It will be a nice question to decide whether the street lines can be changed now, after about twelve years' use of the thoroughfare. When it was opened no survey was made but a road was cut through to the most convenient spot where Johnson creek could be crossed, and it has never been changed.

If a new sidewalk is built on a straight line from upper Main street it will necessitate the removal of Mr. King's building and possibly an infringement on the other buildings and the Japanese gardeners further north.

Money to Loan.

Arthur Languth announces that he has state school fund money to loan on farm security in amounts ranging from \$250 to \$5000 at 6 per cent. Room 606, McKay Bldg., Portland.—Adv.

Sour Stomach.

Eat slowly, masticate your food thoroughly, abstain from meat for a few days and in most cases the sour stomach will disappear. If it does not, take one of Chamberlain's Tablets immediately after supper. Red meats are most likely to cause sour stomach and you may find it best to cut them out.—Adv.

UNION HIGH HONORS FRANCES E. WILLARD

Interesting exercises were held last Friday morning at the high school, in honor of the memory of Frances E. Willard. Miss Pearl Durst, the librarian, gave a fine talk on the life and work of Miss Willard, which was listened to with deep interest. The orchestra gave two much appreciated numbers, "Songs of the South" and "Animation Schottische." "Frances E. Willard Day" was observed on Friday by schools all over the state. It is a new feature of school work and is being taken up with considerable enthusiasm.

The sophomore class started an innovation on last Friday evening by giving the freshman class a rousing reception. This was in the nature of a Hallowe'en party and arrangements were made to bring in the students of the two classes who lived at a distance. More than one hundred students were present. This is considered a much more fitting way to welcome the freshmen than by hazing them. The action of the young people will be approved by all thoughtful people. The total school enrollment to date is 175.

Mrs. Edith Kelly and daughters, Viola and Alice, of Long Beach, Wash., visited at the home of Mr. and Mrs. Emmet Kelly on Saturday last.
