The Red Cross meetings continue in large attendance and enthusiasm. At the all-day meeting last Thursday about 27 partook of the mid-day lunch, which was abundant but adhered to conservation lines. It was decided to open a continued rummage sale, to be open at the work rooms on meeting days. Donations are earnestly requested of articles which may be worth something to a buyer, and will bring in money to the cause. It was also decided to hold all-day meetings on the second and fourth Thursdays in the month. Other weeks the meetings will be in the afternoons.

Among the names of the graduates of the Washington high school last week is a Troutdale girl, Merle Monahan, who is commended for a perfect record of attendance during her high school course. Are Your Sewers Clogged?

The bowels are the sewerage system of the body. You can well imagine the result when they are stopped up as is the case in constipation. As a purgative you will find Chamberlain's Tablets excellent. They are mild and gentle in their action. They also improve the digestion.—Adv.

These cords are worn only on service hats.

Cadet aviators wear as hat bands inch and a half white ribbons and on coat collars insignia representing the aviation branch of the Signal Corps, propeller blades.

Soon Over His Cold.

Everyone speaks well of Chamberlain's Cough Remedy, after having used it. Mrs. George Lewis, Pittsfield, N. Y., has this to say regarding it: "Last winter my little boy, five years old, was sick with a cold for two or three weeks. I doctored him and used various cough medicines but nothing did him much good until I began using Chamberlain's Cough Remedy. He then improved rapidly and in a few days was over his cold."—Adv.
