

POWELL VALLEY

Enthusiastic revival meetings are being held at the Swedish mission church in Powell Valley, under the able preaching of Rev. Axel Anderson, a missionary, and Rev. Mr. Carlson, who has been conducting services at Haley.

Thursday evening Rev. Anderson, Rev. Carlson and Rev. Lindholm of Portland talked on the importance of making an early decision to be on the Lord's side.

Appropriate solos were sung in a pleasing way by Mrs. Karl Hagberg, Rev. Mr. Lindholm, Rev. Mr. Carlson and Miss Martha Hagberg and effective duets were sung by the Misses Florence and Hulda Johnson and Mrs. Hagberg and Rev. Mr. Lindholm.

Meetings will be held at the home of Mr. and Mrs. Chas. Soderquist Friday afternoon, with preaching at the church in the evening.

Sunday evening it is expected that there will be a large attendance as this will probably close the series. The services will be largely English. Every one invited.

Although the kaiser is pretty hard to catch we should all join forces for the elimination of the war liar.

THE INSPIRED BOOK MEETS NEEDS OF MAN

Being convinced that many people consider the Bible as of no more importance than an ordinary book and an example of fine literature, undersigned has compiled the following facts, which show a few of the characteristics of the good Book.

"Contains the mind of God. The state of man, the way of salvation, the doom of sinners and the happiness of believers. Its doctrines are holy, its precepts are binding, its histories are true, and its decisions are immutable. Read it to be wise, believe it to be safe and practice it to be holy. It contains light to direct you, it is the traveler's map, the pilgrim's staff, the pilot's compass, the soldier's sword and the christian's charter. Christ is its grand subject; our good its design, and the glory of God its end. It should fill the memory, rule the heart and guide the feet. Read it slowly, frequently, prayerfully—it is a mine of wealth, a paradise of glory and a river of pleasure, it illuminates our faculties, pierces our consciences, melts our hearts, moves our wills, revitalizes our motives and prepares us to do the whole will of God. It contains 66 books, 1,189 chapters, 31,173 verses, 773,446 words, 3,556,480 letters, 10,000,000 copies sold in the year 1900, has been printed in 325 languages and is the oldest book which the world has not outgrown. The only mirror that reveals man to himself as God sees him, the only sword that can pierce the soul. It is the revelation of the goodness and faithfulness of God to mankind."

CAPT. C. O. BRANSON.

An all day session of the Grange was held last Saturday at which Mr. and Mrs. Townsend were elected as delegates to attend the state grange to be held in Salem in the near future. Mr. and Mrs. Tom Miller were elected as alternates.

Mrs. J. W. Moller underwent an operation at the Good Samaritan hospital recently which was quite successful. Dr. J. M. Short was the physician in charge of the case.

D. S. Dunbar, in company with Chase St. Clair and Mrs. Maybell Burch Fowler of Gresham, paid a visit to Fort Stevens last Saturday. Mr. St. Clair went to visit his brother Leslie, who is in the army, and Mrs. Fowler to visit her husband who is an officer. Mr. Dunbar went to visit his grandson, Raymond Dunbar, who is a member of the military band. They found all well, in good spirits, comfortably situated and ready to go to France any time Uncle Sam wants them.

J. W. Benecke and wife have gone to California looking for a place to locate and go into business.

WARNING AGAINST CONGEALING OILS

"It takes a motor 15 to 30 minutes to warm up properly after standing during cold weather," said C. A. McCarty of the Standard Oil Company, yesterday.

"With the oil in the crankcase too thick or sluggish from the cold to splash properly, what must be the effect on cylinders and bearings during the half-hour or so required for the oil to regain its proper fluidity? Excessive wear, with grave danger of serious damage to the motor, to say nothing of the drain on the batteries in trying to get started.

"To avoid this danger and annoyance, motorists should use a good oil refined from asphalt-base crude. Such oil has a natural zero cold test because there is no paraffin present to congeal at low temperatures. An oil from an asphalt-base crude flows freely, down to zero."

The only wheat available for shipment to the front this winter will be what is saved at the American table. Are you watching your table?

When You Have a Cold.
It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remedy. Mrs. Frank Crocker, Pana, Ill., writes: "Our five-year-old son Paul caught a severe cold last winter that settled on his lungs and he had terrible coughing spells. We were greatly worried about him as the medicine we gave him did not help him in the least. A neighbor spoke so highly of Chamberlain's Cough Remedy that I got a bottle of it. The first dose benefited him so much that I continued giving it to him until he was cured."

CORBETT

At the regular monthly meeting of Columbia Grange, Saturday, February 2d, the brothers were well represented, but owing to the deep snow, which made traveling difficult, the sisters were conspicuous by their absence. However, most of the officers were present and had the work well learned, despite the fact that it was their first official meeting.

This section of the county was visited last Thursday and Friday by the most severe wind and snow storm of the season. It was not necessary to look out of the windows Friday morning to know we were in the throes of a snow storm, as most of our residents had plenty of snow in their houses. We are willing to take the bitter with the sweet and would not live in any other place except near the famous Columbia river and highway, even if gentle zephyrs do come our way occasionally.

In making the trip around the mail route on Thursday Clarence Deverall, Uncle Sam's assistant, says his wagon was only blown over twenty times, the last time being near Peter Anderson's residence, and to put it upon its wheels and keep it so would have required the assistance of twenty men. But Clarence is apt to speak in scores.

J. McGowan, of McGowan, Wash., was looking after his property interests here last week.

Lewis Reed is adding a porch to his residence.

Ben Knieriem moved his family to Portland on Saturday where he expects to work in the shipyard.

TERRY

Supt. W. C. Alderson and Miss Alice Joyce visited the Terry school and organized the Industrial Club recently. The children chose for president Eugene Welling; for vice president, Mabel Baker, and for secretary, Fern Burton. Mrs. E. E. Welling, president of the Parent-Teachers Association, was chosen as adviser and helper. The majority of boys signed up for pig raising, corn growing and raising of Belgian hares. The girls took up baking, sewing and canning.

Mrs. Westom and children, who have been guests of Mrs. Westom's mother, Mrs. Burton, have returned to Portland.

A most delightful and up-to-date sleigh ride was enjoyed by a number of the Terry young people last Friday evening when Mr. Heseltine gave the use of his auto to furnish the power for a sleigh ride. The young people all report a most enjoyable time.

The family of James Brown has recently moved to Idaho. The little "Brownies" are greatly missed by their many friends here.

The Terry school will celebrate Arbor Day by a program and the planting of trees and shrubs next Friday afternoon at 2:30 o'clock.

The Parent-Teachers association of Terry will meet for business at the schoolhouse Friday, February 8. All are urged to attend as special business is to be transacted.

ENEMY ALIENS MUST REGISTER THIS WEEK

Postmaster Roberts is registering enemy aliens at the postoffice this week and for their benefit a few of the most necessary regulations are here given:

All males, 14 years or more, who are natives, citizens, denizens or subjects of a country with which the United States is at war, must register at the postoffice from which they receive their mail. Females are not considered as alien enemies.

Each man registering is required to furnish four pictures not larger than 3x3 of himself. Finger prints are also taken of each finger. Imprisonment or detention during the war is the punishment for those who are not registered by the 9th of February.

A registered alien must carry his registration card upon his person or else be liable to the penalty of not registering. He must obtain a permit from the registration official before he can change his residence from one registration district to another. Men with only first papers are considered alien enemies and are subject to the same rules.

TELL HIM SO.

By Strickland W. Gillian.
If a friend of yours does well
Tell him so.
Don't go raising a jealous yell—
Tell him so.
He'll be glad to know you're glad,
Glad it doesn't make you sad.
Finest fun you ever had—
Tell him so.
If you like your brother's work,
Tell him so.
Drive away the doubts that lurk—
Tell him so.
He may feel that he has failed,
By grim doubt may be assailed;
By your word he'll be regaled—
Tell him so.

A Hint to the Aged.

If people past sixty years of age could be persuaded to go to bed as soon as they take cold and remain in bed for one or two days, they would recover much more quickly, especially if they take Chamberlain's Cough Remedy. There would also be less danger of the cold being followed by any of the more serious diseases.—Adv.
