Do you want to help your country in its struggle for the right? Then buy a war saving stamp for \$4.14. In five years it will be worth \$5.00. You could not invest so small an amount in a more profitable way. Buy as many war stamps as you can and encourage the children to save their pennies to buy thrift stamps at 25 cents each. R. E. Jarl has them for sale. "Many little rivulets make a great stream."

Serve your country by saving food

A Bilious Attack.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be well as ever. They only cost a quarter.—Adv.
