THE UNIVERSAL CAR

Like the regular Ford cars the Ford Model T One-Ton Truck is a real farm necessity, just as it is the necessity of manufacturer, contractor and merchant.

There is no question about it proving a money-saver right from the start. It is flexible, turning in a 46-foot circle; has 124-inch wheel base; the regular Ford motor with worm drive—and has proven as economical in operation and maintenance as the Ford Touring Car. The price of the truck chassis is \$600 f. o. b. Detroit. We urge placing orders without delay in order to get reasonably fair delivery. The demand is big—come in and let us talk it over.

### COLUMBIA HEIGHTS

This was a fine Easter Sunday and surely the autoists made use of the day along the Columbia river highway and down at the Sandy river hundreds of machines lined the river side while the people were having the time of their lives, fishing for smelt that came up in great numbers the last few days. Here and there along the woods, picnickers had spread their tablecloths and one could see a smoking coffee pot and a frying pan with live smelts jumping up and taking a turn by themselves. To be sure the diners knew they had really fresh smelt and many of them. It was a cold Easterday, but the crowd enjoyed the fun just the same and as it was a great many smelt will be put either in a barrel pickled, or maybe spiced, for future use and so we find that while there is a lot of fun in fishing for them, it is also a useful and cheap food, these war days and helps to reduce the high cost of living.

The Red Cross auxiliary of Corbett gave a party at the home of Mr. and Mrs. Sylvester Evans at Hurlburt last Friday evening. The sum of \$10 was realized from an old time auction sale and everybody had a good time.

The Ehrmans, of Portland, had a good many Portland friends as their guests for Easter dinner at their beautiful home here.

Mr. and Mrs. Julius Meier and children also spent Easter at their country home here.

Miss Ruby Rasmussen has returned home after a visit with relatives in Tacoma and Seattle.

Mr. and Mrs. H. Hackett were guests at Crown Point chalet on Easter Sunday.

R. Becker, who runs the fine hall at the highway here has just returned from California where he went for the benefit of his health. He is somewhat improved.

F. Smith, son of Mr. and Mrs. F. Smith of Springdale, who enlisted in the navy, is home for a short visit with his parents. Mr. Smith is stationed at Bremerton, Wash.

**Some Good Advice.**  
"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.—Adv.

### TROUTDALE

There was the usual large crowd out from Portland and nearby towns Sunday to see and take part in the smelt fishing. Smelt began running up the Sandy in quantities Saturday morning and immediately telephones were requisitioned to spread the long awaited news. It is understood in this locality that any ordinary occupation may be laid aside when the smelt come up the Sandy and soon autos, buggies, wagons and any old carriers were making their way toward Troutdale, to dip up the delicious little fish, which were never finer or firmer than they are this year. Sunday a number of fishermen were selling fish from their boats at a ridiculously low price. The traffic officers kept the road clear, so there was not so much congestion as last year, and as there was a clear road there was a constant stream of autos both ways, making it hard to estimate the size of the crowd. Folks wise to the ways of the mysterious little fish predict that the run this year will be of short duration, so if you haven't already got your requisite amount for salting, canning, pickling or smoking, you had better not wait too long, but get busy. No license is necessary for the fisherman who fishes for his own consumption.

The Easter services in the Troutdale church Sunday evening were appropriate and interesting. The children of the Sunday school, trained by Mrs. L. A. Harlow and Mrs. Janet Grant, gave a number of songs and recitations and the Easter sermon, delivered by the pastor, Rev. F. S. Ford, was well received by the large audience present. Mrs. Harlow and Mrs. J. A. Larsson sang for the offertory "Over the Stars There Is Rest."

As most of the Red Cross workers of Troutdale are enrolled in the garden army, it was decided at the meeting last week to have only afternoon meetings for sewing, instead of the all-day sessions, as heretofore. The next meeting will be Thursday afternoon, April 4th, at 1 o'clock.

The Troutdale Ladies' Aid will meet this week Wednesday, April 3d, with Mrs. C. I. Thomas. All ladies are cordially invited to attend. Little Kenneth Dupuis, two years old, was bitten in the face Sunday by a dog belonging to Mr. Thompson, at the Dupuis home in Troutdale. Mrs. Dupuis took him to a doctor in Gresham immediately, and he is doing as well as can be expected.

Among the former Troutdale people who came over for the smelt fishing Sunday were Mr. and Mrs. C. I. Raker and Ellsworth and Miss Ruth Inglis, of Gresham; Tom Hensley, of Portland; Mr. and Mrs. J. R. Knarr, of Portland; Mr. and Mrs. Z. G. Schanck and family of Oregon City.

Mrs. Bert Edmondson, of Troutdale, left Saturday to spend the summer at Timber Valley, Washington.

Miss Gillingham, from the Red Cross headquarters in Portland, will speak at the workroom in Troutdale on Thursday afternoon at 1 o'clock. The meeting will begin promptly on time.

### PLEASANT HOME

O. W. Stephens left recently for Hot Springs, South Dakota, for treatment for sciatica at the army and navy hospital.

George Carpenter was slightly hurt in his work at the shipyards on Friday, laying him off for a week.

Burl McKinney, who is a clerk in the Quartermaster's Corps at Camp Meade, Washington, D. C., has been ill in the hospital but is now well and has returned to his work.

The sons of Principal Quickfall, who have been sick with pneumonia, are recovering.

### PLEASANT VALLEY

A silver tea for the benefit of Belgian sufferers will be held at the home of Mrs. Arthur Grant on the Powell Valley road, Thursday afternoon, April 4. The money will be used for the purchase of material with which to make clothing for suffering children. All are urged to share in the good work.

A division of "betterments and additions" has been added to the railroad administration in charge of Judge Robert S. Lovett. This division will have jurisdiction of betterments and additions to railroad lines throughout the country.

H. W. Snashall, president of the Farmers Mutual Fire Relief Association, reports the association has broken all former records in 1917. The annual statement shows 383 new members gained, 17 fire losses paid, aggregating \$4911; \$1,036,677 of insurance written, one assessment levied, and \$700 invested in liberty bonds during the year. The association is entering its 14th year, and has over 4000 members carrying \$4,250,000 insurance. It has made an annual saving of over 50 per cent to its members. At the annual meeting in January Andrew Brugger of Gresham was re-elected director for the ninth year. Farmers desiring to join may obtain information from H. W. Snashall, Gresham, R.
