A good program of music and patriotic speeches will be given, after which a 10-cent lunch will be served, the proceeds of which will be devoted to the work of the Red Cross. All patrons of the district and others are urged to attend.

FAIRVIEW

Evangelistic services are to be held in the Smith Memorial Presbyterian church, Fairview, beginning Sunday, April 14th, 11 a. m.

The Rev. S. J. Reid, D. D., of Dublin, Ireland, an evangelist of national reputation, is to do the preaching. J. W. Troy of Chicago will have charge of the singing. He is an exceptionally fine soloist and choir leader. A local choir will be organized at once and some very choice music may be expected. Messrs. Reid and Troy have just closed a very successful meeting in Bellingham, Wash. There will be preaching, and a feast of singing each evening in the week, except Mondays. The services will continue over the month. Everybody is cordially invited to attend these services.

A community flag dedication service will be held in the Presbyterian church, Fairview, next Friday evening, April 12th. A star will be placed for each soldier enlisted from Fairview or vicinity. The flag will be presented by the U. S. class of the Presbyterian Sunday school. Able speakers from Portland will be present and J. W. Troy, the evangelistic singer, will sing a number of patriotic songs, including "Over There." Everybody come to this patriotic service, and do honor to our gallant soldier boys.

Fairview grange held its regular meeting on April 6. The grangers were highly honored by having with them Judge Morrow of Portland who gave them a very fine talk. We also had several other fine speakers, among them Mr. and Mrs. Smith of Albany, Oregon, who are visiting old friends, Mr. and Mrs. S. B. Hall.

Blaine Turner has purchased a Moline tractor, which he is using to do his spring plowing.

TROUTDALE

W. I. Spencer has bought 30 acres from the east end of the Eun Dial ranch along the Sandy river, and is putting in an extensive irrigation system, by sprinkling from pipes overhead, the water being pumped from the Sandy river. The whole extent of the irrigation pipes will total five miles. Mr. Spencer is a veteran in the growing business, having a place up on the Sandy where he raises hot house tomatoes and other luxuries. He intends raising on his Troutdale acreage this year beets and spinach for the early crop, with cabbage and cauliflower for the main crop.

Mrs. Gillingham, from the Red Cross headquarters in Portland, gave our auxiliary a splendid and inspiring talk at the meeting last Thursday, going on through to visit the auxiliary at Pleasant View. The local auxiliary has decided to hold a silver tea next Saturday, April 13th, afternoon and evening, to raise funds to purchase material for a service flag, in honor of our boys in the service. A patriotic program will be given in the evening.

Patriotism was the key note of the meeting of the Ladies' Aid last Wednesday at the C. I. Thomas home. Mrs. L. A. Harlow gave her impressions of a patriotic luncheon she attended in Portland the week before, which led to an extended discussion and expression of loyalty by those present. Visitors present besides Aid members were Rev. and Mrs. F. S. Ford, Mrs. Ella Hensley, Mrs. Wiley Richardson, Mrs. George Schlatter, Mrs. Lee Evans and son, and Mrs. James Norman.

Last Wednesday being Ruth Kniel's birthday, her mother invited several little friends in as a surprise for her. The party lasted from seven o'clock till nine, the children having a splendid time.

The Parent-Teacher association will hold their regular business meeting next Friday, April 12th. Mrs. J. W. Townsend, of Fairview, will talk on the work of school fairs. Mrs. N. S. Parsons will also have a paper, on a subject chosen by herself.

Born at Hermiston, March 26th, to Mr. and Mrs. "Fritz" Strasser, a son. Mr. Strasser was a resident of Troutdale for many years and his many friends will be interested in the happy event.

The annual moving time is on at Troutdale. Four moves are on record for last week. The Harlows have moved to Portland, (ship yard work), T. J. Skirvin has moved into the Harlow house, the Helming's have come back to their own home, and Mrs. O'Neill has moved next door to her former home.

Mrs. O'Neill recently received discouraging news from her husband in Arizona.

The smelt have quit running in the Sandy. Sunday there was a large crowd out for the fishing, but the run had quit, and the gulls were following to pick up the dead fish.

The library tea will be held next week, Thursday afternoon, April 18. All interested are cordially invited to attend.

Constipation and Indigestion.

These are twin evils. Persons suffering from indigestion are often troubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like a different person.—Adv.

Some Good Advice.

"Don't think too much of your own methods. Watch other people's ways and learn from them." This is good advice, especially when bilious or constipated. You will find many people who use Chamberlain's Tablets for these ailments with the best results, and will do well to follow their example.—Adv.
