

GRESHAM LOCALS

Mr. and Mrs. Joe Simonds and George Anderson, of Portland, were visitors of Mr. and Mrs. C. I. Raker on Sunday.

Mrs. W. E. Beagle from Scappoose, Oregon visited on Sunday with her mother, Mrs. P. A. Gould, who has been sick.

Dr. Alfred Thompson and wife returned last night from a two-weeks' visit to Newport which they spent with their son, Dr. Wilbur Thompson and wife.

Mrs. E. B. Kirkwood has been entertaining for the past week Mrs. J. A. Kilpack and children of Portland. Mr. Kilpack was a guest on Sunday. He is a truant officer in connection with the city schools.

A patriotic program will be given at the Methodist Episcopal church next Sunday evening, which will include stirring music, both vocal and instrumental, and an address. A full program will be published in the next Outlook.

Charlie and Timothy Jr., sons of Mr. and Mrs. Timothy Brownhill, were callers in Gresham on Saturday. Charlie is working in the paper mills in Oregon City and "Timmy" is attending high school in McMinnville. They noticed wonderful changes in Gresham since the family lived here about ten years ago.

Mr. and Mrs. George F. Honey spent the week-end in Dallas visiting with relatives. Miss Henrietta Honey, who has spent several weeks at Dallas, has gone to Spokane for a visit. She will later visit in Minneapolis, and in the summer plans to take a short course in Cumnook School of Elocution, Evanston, Illinois.

A wonderful circus is coming to town. It is expected to exhibit some of the most rare and interesting animals in captivity and will have an attractive line of side shows. The sophomore class of Union High school will be sponsor for the circus. They have promised that the shows will be novel and entertaining and that the animals will be kept carefully guarded. The circus will be preceded by a street parade.

A meeting in the interest of War Savings Stamps will be held at the library next Friday afternoon at 3:30 o'clock, to which all are urged to attend. C. J. Lundquist will preside. A speaker will be sent from Portland by Mrs. W. B. Ayer, president of War Savings for Oregon. This meeting will not interfere with the regular meeting of the Red Cross and is put at this late hour to accommodate Red Cross workers and teachers from the schools.

Between twenty and twenty-five soldier boys from Vancouver were entertained in Gresham homes on Sunday and were given a trip on the Columbia Highway in the afternoon. They were from the 318th Regiment Engineers, who are expected to leave soon for France. The hostesses were Mesdames J. G. Metzger, P. Michel, B. F. Bauer, A. Hughes, D. M. Roberts, H. L. St. Clair, K. A. Miller, Roy Gibbs, J. C. Peterson, J. T. Stillions, J. H. Metzger and George Ingalls. Others were ready to entertain but not enough came for all. The soldiers were taken by automobile to the barracks in the evening.

To stop our exports of wheat to the allies now would be more disastrous to the cause of civilization than to discontinue exports of munitions of war. To save wheat is a military necessity. It is up to you to say whether the needed wheat will be available to the fighting forces on the front.

Cut down on the pies and cakes. Use corn meal in making them. The wheat flour you save will keep a soldier in the trenches.

Rheumatic Pains Relieved.
"I have used Chamberlain's Liniment for pains in the chest and lameness of the shoulders due to rheumatism, and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Batavia, N. Y.—Adv.

ANOTHER DRAFT CALL WILL TAKE FOUR MORE

A third draft call in a little over a month will take four more young men from Multnomah county, outside of the city of Portland, which will furnish 76.

The call from the state will number 251, with this county furnishing nearly one-third of the entire list. Clackamas county comes second with 11, and two of the counties will be called upon for only one. None are overlooked, and all must furnish their proportion.

Lonely Graves

Will be left in a foreign land upon battle-scarred fields where some of our boys will fall.

Our Nation's manhood and reliance are facing the heartless Huns; they are just beginning to fight and will need Our Money, Our Food, Our encouragement.

Let Us Get Back of Them All

Let us help to bring them back alive, if possible, but if that cannot be done let us have the satisfaction of knowing that our hands were stretched out to them cross the ocean with every requisite for their comfort and safety.

Let them know that we are fighting behind the lines for them, even as they are fighting on the front for us.
