Rev. Walter Duff will begin a series of sermons on prophecy at the Free Methodist church next Sunday evening, April 21, at 8 o'clock. He is a kind spirited man and an interesting speaker. Several hundred submarine chasers, built since the war, have been delivered to the navy by 31 private concerns and six navy yards; many of these boats have crossed the Atlantic, some in severe weather.

The cost of delivery adds to the cost of living. Adopt the cash and carry plan. Carrying one's own parcels should be a matter of patriotic pride. This is war time, and time and man power are valuable.

The air personnel in the first year of war increased from 65 officers and 1,120 men to one hundred times that number. Eleven kinds of schools have been installed.

"TIS FREEDOM'S CALL—LEND YOUR ALL"

—Florence B. Hoyt, Portland.

DON'T LET the HUN HORDES EXTINGUISH the HOME FIRES

You don't have to have the terrible story of the Hun-tide that swept over Belgium and Northern France told to you to be induced to buy a Liberty Bond.

Go out doors! Breathe the fresh, clean air of Liberty! Then face your children, your mother, your wife or your sweetheart. Decide right then and there whether it's to be a Hun-swept land or the Land of the Free in which you want to live.

Let's get down to elementals. You ought not to have to be shamed into buying every Liberty Bond you can buy. Buy Bonds or cast your lot with the Huns.

The Liberty Bond is the safest and sanest investment you can make, whether you consider it from the standpoint of patriotism or financial profit to yourself. Buy! Buy! Buy until it hurts.

INSURE YOUR SAFETY --- BUY LIBERTY BONDS NOW

Why do you deny yourself to build a home? It is usually cheaper to pay rent.
Why do you plan to give your children a good education? Will you yourself get any money dividends from that?
Why do you pay for fire insurance and life insurance premiums? Your family is helped but you personally will get little if anything from that.
Why do you call the doctor quickly if the children are ailing? You do not stop to think whether you can afford it. Do you?
None of these expenditures are what we call good investments. They don't pay in money. Yet all pay the finest of dividends.
LIBERTY BONDS REPRESENT THE HOME, THE SCHOOL, THE CHILDREN. They represent all the great deeds of our fathers and grandfathers. They represent Bunker Hill and Yorktown and Gettysburg. They represent the blessed freedom under which we all live and they also represent the ORDER that makes freedom blessed.
