CORVALLIS COLLEGE HAS SIX FIRE TEAMS

O. A. C. men have organized a half dozen emergency fire companies to cooperate with the Corvallis fire team, which has been greatly depleted by enlistment and draft, in fighting any blaze that may break out in any of the college buildings. Each company is under the direction of a faculty man as chief, and will assist the local team in handling the fire-fighting equipment as well as aim to stamp out incipient fires before damage is done. The Corvallis team is generally conceded to be the best part-volunteer team in the state, and have so far kept down all serious fires in town and college for many years.

MONEY BY WIRE IS SWINDLER'S TRICK

Relatives and friends of several soldiers in army camps have been victimized by swindlers who wired or wrote for funds under soldiers' names. In each instance it was requested that money be sent by wire waiving identification, or by mail to general delivery, the customary explanation being that the soldier had been discharged and would have no way of securing identification, nor of getting mail addressed to his company.

The following is a typical telegram, sent to the father of a soldier in a southern camp:

"Have been discharged. Coming home. Going to Atlanta through country tonight. Please wire me $60 at Atlanta so I may pay for uniform and come home direct. Wave identification as I am not known in Atlanta. Wire cash quick so I can get it tomorrow morning."

Before being complied with, any request for money to be sent under such conditions should be verified by a letter or telegram to the commanding officer of the camp in which the man whose name is signed to the request is stationed.

COUNCILS OF DEFENSE TO ADVISE CLAIMANTS

The Council of National Defense has urged the state councils to provide voluntary aid for dependents of men in the service in collecting allotments of pay and family allowances, arrears of pay, travel pay, extra pay, or other money due estates of deceased soldiers and sailors.

Allotments and allowances under the war-risk insurance law are paid directly by the Treasury department to the persons entitled thereto; claims for insurance taken out under the law should be addressed to Bureau of War-Risk Insurance Treasurey Department, Washington, D. C.; claims for arrears of pay, extra pay and travel pay of deceased soldiers and sailors and all other claims should be addressed to Auditor for the War Department, Washington, D. C.

Library Notes.

Among the new books at the library are,

"Women of Belgium," written in 1917 by Mrs. Kellogg who has worked among these unfortunate people and who tells her own experiences.

Other books of the war are, "Somewhere in France" by Richard Harding Davis; "The Ordeal by Fire" by Marcel Berger.

"The Belgium Twins" and "A Dog of Belgium" are proving very popular with the children.

Thrift stamps and war savings stamps are on sale at the library.

Becomes 'Y' Worker.

Organize Classes.

Educational classes are organized in prisoner-of-war camps by the Y. M. C. A. This helps to improve the minds and relieve the men of the tediousness of their detention.

GRESHAM LOCALS

Mrs. Jas. Lawrence has been ill for the past few days. She is being cared for by her daughter, Mrs. Geo. Page.

Miss Ruba Arthur of Portland is spending the week with her sister, Miss Mabel Arthur of the grade school.

Mrs. Vesta Raney went to Estacada Saturday for a visit with her daughter. She will probably remain for several weeks.

Miss Abright has resumed her work as teacher in the high school, after being absent on account of illness for some time.

Bert Hoss and Lee Merrill spent Sunday at home in Gresham. It was to be their last visit here before leaving Camp Lewis this week for France. They are both in the ambulance corps.

Mrs. Walter Duff will preach on the book of Daniel at the Free Methodist church tonight. Mr. Duff will conduct services on Wednesday and Friday afternoons of this week, at 3 o'clock.

Mrs. T. A. Balch and daughter Miss Mabel, who have spent the past two weeks with Mrs. J. N. Faris, left yesterday for their home in Greeley, Colorado. They have spent the winter in California. Mrs. Balch is a sister-in-law of Mrs. Faris.

Mrs. B. N. Raney has received a letter from her daughter, Mrs. T. R. Howitt, who is in the zone of the recent earthquake disturbances in California. Mrs. Howitt describes the experience as very trying and says that she was sick in bed for several days as the result of the nervous strain.

Gresham Loyal League patriotic meeting will be held at Regner's hall, Wednesday, May 8. On account of several speakers not being able to be here, the meeting was postponed from this week. All those who have been asked to take part are expected to help make this patriotic meeting a success. There will be a speaker from the trenches.

George W. Page, formerly P. R. L. & P. station agent at Gresham, but who has been at Onalaska for several months past, has returned. He will take the position of information man at the Alder street waiting room and will begin his duties tomorrow. For the next few weeks he and his family will live in Gresham with his wife's parents, but will later take up their residence in Portland.

Mr. and Mrs. J. N. Mewhirter are proudly displaying a new window card sent out by the government, which is thought to be the first of its kind in Gresham. It is a neatly printed card bearing the words, "A man from this house is serving his country in the United States Navy." It is in recognition of the services of their grandson, Harry Mason, who is on a United States gunboat in Chinese waters. The card is signed and sealed by the commanding officer of the boat.

A number of soldiers from the spruce division of the signal corps were entertained in Gresham Sunday at the home of Mrs. Dan Murphy by the Misses Elford, Mabel Inglis, Maude and Marguerite Michel and Pearl Durst. They were given a trip over the highway in the afternoon. Those furnishing automobiles for the company were Dr. Inglis, C. I. Raker and the Misses Olive and Della Towle.

Miss Olive Towle, who is a nurse at the Northwest Steel company's shipyard, visited on Sunday with her parents, Mr. and Mrs. D. E. Towle.

Mr. and Mrs. O. J. Brown were greatly relieved last Sunday to get a cablegram from their son Emerson, who is serving with an aero squadron with the American expeditionary forces. The burden of the message was that Emerson is well and has written weekly. The strange thing about the case is that not a single letter has been received by his parents or friends, for three months. A few weeks ago inquiries were made of the War Department through Senator Chamberlain, as mentioned in the Outlook. It was then learned that Emerson had arrived in France. The cablegram of Sunday was in reply to one sent from here a week ago.

The final program of the grade school was given before a large audience at Regner's opera house last Friday evening, and was a great success. The drills and exercises by the children of the lower grades were beautiful and inspiring and the eighth grade play was well rendered, under the direction of Mrs. San-Juel Crawford. The gross receipts for the evening were $77.25. The expenses, including hall rent, printing and war taxes, were $25.60. The net proceeds were divided equally with Mrs. Crawford. With their share, the eighth grade appropriated $15.30 to class expenses, leaving a balance of $10.50, which will be turned over to the Red Cross.

The Baptist Missionary society will meet on Thursday afternoon of this week with Mrs. George W. Stapleton. Mrs. E. S. McCormick, the leader of the day, will give a talk on "Kiowa." Mrs. Joseph Haley and Miss Edna Benson will render piano solos and Mrs. H. L. Wostell will report on the phases of missionary work brought out at the Baptist association meeting recently held in Astoria. Mrs. Jennie Oswald will sing, accompanied on the piano by Mrs. J. E. Clanahan. Those to assist the hostess are Mrs. D. G. Geddes, Mrs. Arthur Dowsett, Mrs. R. Beadle. All women are cordially invited. Automobiles will be at the library at 2 o'clock to take any who have no other transportation.

Wouldn't Do.

"You want a quantity of this, my friend. This will cure 'em when everything else falls down."

"Can't see it," declared the druggist. "I might sell some of your remedy, but everything else I have would be dead stock."

Baseball Star Serves.

David Fultz, one time member of the New York Americans, who starred in football and baseball at Brown University, is among the noted athletes who have gone overseas for the Y. M. C. A.

Hotels in many cases are serving only insignificant portions of potatoes, and these wretchedly cooked. The patriotic hotel and restaurant man from now on will serve lots of potatoes, attractively cooked, and at a reasonable price. If he does not do so, remind him of his duty.

Constitpation and Indigestion.

These are twin evils. Persons suffroubled with constipation. Mrs. Robert Allison, Mattoon, Ill., writes that when she first moved to Mattoon she was a great sufferer from indigestion and constipation. Food distressed her and there was a feeling like a heavy weight pressing on her stomach and chest. She did not rest well at night, and felt worn out a good part of the time. One bottle of Chamberlain's Tablets corrected this trouble so that she has since felt like fering from indigestion are often a different person.—Adv.

Star Runner to Serve.

Archie Hahn, star performer in the Olympic games in St. Louis, in 1904, and at Athens in 1906, national 100 yard champion in 1903, is going overseas in Y. M. C. A. service among American troops.

Rheumatic Pains Relieved.

"I have used Chamberlain's Liniment for pains in the chest and lameness of the shoulders due to rheumatism, and am pleased to say that it has never failed to give me prompt relief," writes Mrs. S. N. Finch, Batavia, N. Y.—Adv.
