

WHAT'S THE MATTER WITH OREGON?

R. N. STANFIELD

Republican Candidate for United States Senator

"I have a strong conviction that Oregon has been discriminated against by the National Government in many ways. Mr. Stanfield shares this feeling and promises, if elected, to correct it as far as it lies in his power to do so. Senator McNary denies that any such discrimination exists. He was quoted in a dispatch from Washington to the Oregon Journal as saying that he took no stock in the statement that there had been discrimination against Oregon. Of course, if he believes that there has been no such discrimination he will make no effort to remove it." —S. B. Huston, who withdrew from the Senatorial contest and is now supporting Stanfield.

Why do the Telegram and Journal complain that Seattle is always taking payrolls away from Portland, then attack Stanfield because he has built up an industry which benefits Oregon and Portland, creates a payroll and adds thousands of dollars to the tax list? Why has Portland lost so much to Seattle—is it because there are elements in Portland always ready to knock any one who tries to help the community?

Five lawyers comprise the Oregon delegation at Washington, there has not been a business man, farmer, or toiler in the delegation in a generation.

Why has the Chamber of Commerce felt it necessary to hire a special representative at a senator's salary of \$7500 a year to look after Oregon's interests?

Stanfield never represented a corporation at Salem. *Stanfield is no man's man.*

Stanfield will not be dictated to and controlled by a political boss, by corporations or by newspapers, but he will serve the people of his state, playing no favorites and giving a square deal.

No one has ever said that Bob Stanfield is a double-crosser, or that he is selfish or not liberal with his resources or his friendship. There isn't a lazy bone in his body. He has been a toiler all his life and never held a cushy job.

Raised on the range, he is no silk stocking. Stanfield has built up from nothing through constructive labor until today he is one of the genuine assets of Oregon. He did not marry his money, nor did he inherit it—he worked for it.

Republicans know that Stanfield is 100 per cent Republican. He is not a 50-50 Demo-Rep.

POWELL VALLEY

A big meeting of the women of the community will be held at the school-house next Tuesday afternoon, beginning at 2 o'clock, under the auspices of the Red Cross. The matter of resuming sewing, which has been discontinued for a month, will be taken up and new instruction from headquarters given. Plans will also be organized for the new Red Cross drive. The War Savings Stamp club will meet in connection with the meeting and other matters pertaining to the food administration will be considered. It is urgent that all women who are loyal and able to assist in any of these activities be present. If anyone knows of sewing machines which the Red Cross can rent, borrow or buy, they are asked to report at the meeting.

Proper Food for Weak Stomachs. The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlains' Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.—Adv.

A SLOGAN chosen by the many men who have worked for

L. J. SIMPSON

"Your Kind of a Man for Governor"

The Highest possible endorsement. The most rigid test that his policies, practiced over a period of twenty years, are SOUND, JUST and EFFICIENT. THE BEST POSSIBLE PROOF that his pledges to the citizens of Oregon are not mere "words," but "WORDS BACKED BY WORKS." Those who know him believe IN him, believe IN his ABILITY, believe IN his POLICIES. They know he will give Oregon a CLEAN, IMPARTIAL, BUSINESSLIKE, administration. They know it to be true. ABSOLUTELY.

WHY?

Because—
In nineteen years he has employed 21,000 men. He has always paid good wages. He never had a strike or a personal injury suit. He built many homes "on time," never foreclosed a mortgage or sued on a promissory note. He has helped many laboring men to acquire their homes, their business and their well-being. These workers, who know him best, have endorsed him to a man, have adopted the above slogan and that's "WHY" he is "Your kind of a man for Governor."
