He also furnishes coffee for the all-day meetings, and has frequently sent some other treat.

Mrs. Andy Stone and children have gone to Washington county for a visit with relatives.

Word has been received here of the birth recently of a baby girl to Mr. and Mrs. Herman Anspach of Portland, formerly of Rockwood.

Road to Happiness.

Be amiable, cheerful and good natured and you are much more likely to be happy. You will find this difficult, if not impossible, however, when you are constantly troubled with constipation. Take Chamberlains Tablets and get rid of that and it will be easy. These tablets not only move the bowels, but improve the appetite and strengthen the digestion.—Adv.

Pleasant View school was well represented at the annual mass meeting held at the Columbian high school, both by numbers and by the exhibit work of the school. The excellent class of work shown was proof of the painstaking care given to their daily work. By special request of Superintendent Alderson, the school will repeat the cantata at the Gresham high school on May 31. A pleasant thrill of expectancy ran through the Pleasant Viewites when it was learned that Mr. Skulason of Portland, who gave us such an excellent address at our recent Red Cross social, was to give the address of the day. He is an able speaker whose heart is in his subject and those who failed to hear him missed something fine.

Proper Food for Weak Stomachs.
The proper food for one man may be all wrong for another. Every one should adopt a diet suited to his age and occupation. Those who have weak stomachs need to be especially careful and should eat slowly and masticate their food thoroughly. It is also important that they keep their bowels regular. When they become constipated or when they feel dull and stupid after eating, they should take Chamberlains Tablets to strengthen the stomach and move the bowels. They are easy to take and pleasant in effect.—Adv.

COLUMBIA HEIGHTS

The community gathering at the Corbett high school last Friday was a bett High school last Friday, was a decided success; people turned themselves loose from work and worry and it seemed as if everybody was there. The program both fore and afternoon, was splendidly carried out, and immensely enjoyed by the patrons. The exhibit from the five districts, including our own grammar school consisting of work made by the pupils, was good and deserves mention. One of the main features of the day was the presentation of a new service flag, made by the high school students and representing 32 boys now serving Uncle Sam, all from this part of Multnomah county east of Sandy river. Mr. Alderson made a few well chosen remarks and Mr. Skulason of Portland gave an interesting and stirring talk about the war, urging the saving of food for the allies, as one of the most important means of winning this shameful and gruesome war. Mr. Skulason proved a splendid lecturer, and moved many to tears.

Mrs. Birdnauf of Latourelle Falls sang a solo which was much enjoyed and the drills by the different schools, showed good training and patriotic devotion.

At noon everybody was invited to dinner in the basement, a real old-fashioned basket spread, and to be sure our worthy county school superintendent did not need to go to Chanticleer Inn this year to satisfy his hunger, but declared the luncheon was fine here amongst the farmers. Mrs. Skulason, who ranks as one of Portland's fine singers, lead the audience at the close of the program, in singing America.

We wish to state that our country is proud of the service flag, and while some of those boys the flag represents are far away from home, they will be cheered by knowing we think of them and appreciate their effort to help win this war for freedom and liberty. May God bless and keep every one of them, and bring them safely back home to their loved ones.

A few of these soldier boys are far away from home away over the big blue sea, and are enjoying letters from here. Some few boys have been in France for some time. Among them are: Charlie Hicks, son of Mrs. W. Grant Bell; George Knieriem, son of Hicks; Frank Bell, son of Mr. and Mrs. Mr. and Mrs. G. Knieriem, and Oskar Morgan, who enlisted in the early part of the war and was wounded once while in action. Several well known families have two sons serving Uncle Sam. Among them we can mention: Mr. and Mrs. C. Nelson, Mr. and Mrs. Grant Bell, Mrs. Rickert of Hurlburt is the champion mother so far, having 3 sons serving their country.

Mrs. John Taylor is planning a trip to American Lake this week by auto to visit friends at Camp Lewis.

Yes, we do think the prices of substitutes are outrageously high. A fifty pound sack costs close to \$4 and why is it? Well, we shall be glad of an investigation, and hope to have the price lowered. It seems like a big mistake that the prices on such things were not regulated the same as white flour.

LUSTED

The bird with the big bill and long legs passed through Lusted last Saturday and left a dainty package containing a wee baby girl, with Mr. and Mrs. Irwin Neibauer. All doing nicely.

MOUNT SCOTT HERALD CHANGES HANDS AGAIN

J. Sanger Fox, who has had charge of the Mount Scott Herald for more than a year past, has sold it out to A. H. Harris and Edward Murphy. In his valedictory last week he gives his reason for quitting the newspaper business by saying:

With this issue of the Herald we quit the newspaper game, probably for good, as we have undertaken work for the church in response to a call that has been maturing for years. We are glad to go, yet sorry to leave. We have enjoyed the work, and have found many friends in the almost eighteen months during which we have edited the Herald.

Alfred H. Harris, one of the new proprietors, is an experienced Portland newspaperman who has had a share in the active work on several Portland papers. The Outlook welcomes him to the journalistic fold and hopes for his success.
