Miss Eva Elliott, instructor of music in the Prineville school, visited Miss Eva Jackson several days last week. Both ladies left Monday for Camp Lewis and other points on the Sound, Miss Elliott to visit friends, and Miss Jackson to visit her sister, Mrs. N. W. Reese.

A very interesting meeting of Columbia grange was held Saturday, June 1st. A good attendance of members and their friends assembled to witness the raising of Old Glory which was raised at 2 o'clock, the children pulling the rope which drew the large flag to the top of the pole, and then giving the pledge to our flag. Afterwards the congregation assembled in the hall to listen to a musical and literary program, and an interesting lecture by Mr. Gates, who was injured by a falling aeroplane in France.

Miss Leila V. Lasley and Chas. Henry Thompson, Jr., sergeant, stationed at Camp Lewis, American Lake, Wash., were married Saturday afternoon, June 4, at the Church of Our Father, (Unitarian), Broadway at Yamhill, Portland, by the pastor, Rev. William G. Elliot, Jr. The bride's mother and sisters and a few friends were present to witness the ceremony. Mrs. Thompson is the eldest daughter of Mr. and Mrs. F. N. "Keeping Our Fighters Fit—For War and After" is the title of an official book issued by the Commission on Training Camp Activities, describing the athletics, mass singing, social life, and other recreations of men in Army and Navy camps. The book tells of the theaters, the work of the Y. M. C. A., Knights of Columbus, and other organizations associated with the commission in welfare work, and gives details of life in the camps.

### PLEASANT VIEW

Everyone who is not otherwise actively employed is busy with the strawberries here these days. The last few days of sunshine are bringing them on fast now.

Mrs. Chas. Bischoff spent a part of the week-end with friends in Portland.

School closed last week. Ida Berney, Catherine Hall, Ignatius Wand and Arthur Chamberlain constitute the eighth-grade and all passed the examination successfully.

We wish to correct a mistake made in a recent number of the Outlook, which stated that Beatrice Bourgeois from Pleasant View school wins the spelling contest. We wish we could claim the honor of having Beatrice as one of our pupils, but truth and justice demand that the honor be placed where it rightfully belongs, in Springdale, where Beatrice has spent all of her school life. Nevertheless we congratulate Miss Bourgeois, not so much for winning the watch by a perfect score, but for possessing that rare "stick-to-itiveness" that made her school life so thorough and the winning of the prize a possibility. Pleasant View is quite satisfied in having the county superintendent's prophecy come true when he said recently that he expected that this honor, like so many others of recent years, would belong east of the Sandy.

### PLEASANT VALLEY

The following seventh-grade pupils successfully passed the state geography examination: Loyd Dunn, Robert Milan, Dorothy Jonsrud and Midred Jarl.

### Britain Cuts the Output of Beer.

For the year beginning April 1, 1918, the government has authorized an output of 12,590,000 barrels of beer. This reduction, it is frankly stated, was due to the desire to satisfy American opinion. It will be thoroughly appreciated in America. We trust the day will soon come when not a pound of food saved by the sacrifice of the British and American people will be converted into poison to hinder the progress of the war.

A grave suspicion is growing that the German government is behind the effort to maintain the liquor traffic in the vicinity of American industries.

The liquor people of New York have launched the misnamed Temperance Forum in an effort to force the German beer policy upon America.

Sour Stomach. This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid the sour stomach without taking any medicine whatever. When you have sour stomach take one of Chamberlain's Tablets to aid digestion.—Adv.
