### ELIZABETH SHOEMAKER MARRIED IN PORTLAND

Miss Elizabeth Shoemaker and W. C. Gunther were married on Friday evening, June 14, at 8:30 o'clock at the bride's home, 755 East Main street. Rev. A. J. Ware of the Gresham Baptist church read the beautiful and impressive ring ceremony. The bride and groom were attended by Mr. and Mrs. D. R. Shoemaker, brother and sister-in-law of the former. The bride wore a dark blue tailored suit and a black chenille hat and carried a shower bouquet of Cecil Brunner roses, white sweet peas and maiden hair ferns. Following the ceremony a reception was held.

The bride attended Whitman college and is a graduate of Bellingham State Normal. She taught in the state of Washington and has for several years been in the Portland schools. She has just resigned from a successful period of teaching in the Woodmere school under W. A. Dixon.

Mr. Gunther is a graduate of Northwestern University. After graduation at that institution he studied social science at the University of Chicago. He is president of Gunthers', Inc., and is a member of the firm of Gunther & Gunther. He is past president of Portland Retail Merchants' and Grocers' association, past president of the State association and past president of the Oregon Industry League.

Mr. and Mrs. Gunther will spend several weeks touring Alaska and intermediate points. They will be at home in Portland August 1.

Those attending the wedding from Gresham were Mrs. M. S. Shoemaker, mother of the bride, Mr. and Mrs. D. R. Shoemaker and Mr. and Mrs. Samuel and son from Castle Rock, Washington, who are visiting here with the Shoemakers. Mrs. Samuel is a sister of the bride.

### GRESHAM LOCALS

Mrs. I. McColl, of Portland, visited today with her mother, Mrs. E. Linne-

mann. Andrew Brugger is home from the University of Washington, where he spent the past year.

Miss Della Hughes has returned from her year's work at the University of Washington.

The Misses Mamie and Helen Hoss spent Sunday at American Lake visiting with their brother Bert. They report a very enjoyable time.

Mr. and Mrs. J. N. Faris are the proud grandparents of a 9-pound girl, born to Mr. and Mrs. George Faris at their home in McGehee, Arkansas.

Miss Mirlam Inglis, who has been visiting a few days at the home of her uncle, Dr. Geo. Inglis, left this morning for Iowa where she will visit her parents for the summer.

Mrs. W. C. Hult, who has been visiting here for several weeks, has returned to her home in Dayton, Washington. Mrs. Hult is the mother of Mrs. D. R. Shoemaker and sister of Mrs. E. A. Leonard.

Mrs. H. L. St. Clair and family enjoyed a visit on Saturday and Sunday from her cousin, Harry Pixley, who is in the spruce division of the Signal Corps stationed at Vancouver. He is from Round Prairie, Minnesota.

Mrs. O. A. Eastman received two letters this morning from her son Wilson, dated May 8th and 12th. Wilson has been transferred from the 162d Infantry to Co. B, 127th Infantry. This is a Wisconsin regiment.

Miss Emma Johnson attended a party given by the Comforter circle at the Portland hotel last Saturday evening. An excellent program was given, after which dancing was enjoyed. Punch was served during the evening.

Mrs. Nellie Starr and daughter Inez of Portland, were Saturday visitors at the home of Mrs. E. L. Thorpe.

Mrs. W. R. Burke, accompanied by the Misses Esther Elford, Maude and Margaret Michel motored to McMinnville, Corvallis and Monmouth, last week. The trip was most delightful.

Information has been received of the sailing from an Atlantic port of the 46th Hospital Unit, which has been in training for some time at American Lake. Among the local members of the unit are C. G. Schneider, Everett Hughes and Richard J. Werner.

Ed Osburn, local agent for the Chevrolet sold two machines last week—one to H. E. Davis and one to S. B. Hall. Mr. Osburn, accompanied by his wife and the latter's sister, Mrs. A. C. Wilson, went to American Lake on Saturday to say farewell to some of the boys who are leaving for the front.

The casualty list late last week carried the name of Guy R. Read of Co. D, 1st Engineers, who was severely injured in action in France. Guy is the son of Mr. and Mrs. V. H. Read of Portland. They own a farm on Gresham Heights and lived here for some time. The names of Guy and his brother Ross were placed on the Outlook's honor roll in view of their former residence here and their large number of friends in this place. No further word has been received as to the condition of the injured boy.

### FIRMS PENALIZED FOR VIOLATIONS OF RULES

Scores of firms throughout the United States have been penalized for violations of rules of the Food Administration. In some cases licenses to operate have been suspended; in others, contributions to the Y. M. C. A., Red Cross, and other organizations have been accepted in lieu of suspension of license.

Among the more numerous violations are sales of flour without substitutes; refusal to accept delivery of foodstuffs previously ordered; operating without licenses; excess sales of sugar; carrying more than a normal 30 days' supply of sugar; failure to use the proper amount of flour substitute in bread making; and profiteering.

### TEMPERANCE UNION PLANS INSTITUTE

The Woman's Christian Temperance Union of Multnomah county will hold an all day institute in the W. F. Honey grove Thursday, beginning at 10 o'clock. An interesting and instructive program has been prepared. Mrs. Sleeth, county president, will give one of her interesting Bible studies at 10 a. m., which all should attend. Bring a simple picnic lunch and spend a profitable day. Mrs. Mallet and Mrs. Dalgleish, of Portland, will speak in the afternoon. Good music is assured.

Autos will call at 10 a. m. at Mrs. Clannahan's and at 2 p. m. at the library for those having no way of coming. A very cordial invitation is extended to all, including men.

All you are asked to do is to buy only necessary things and then loan—not give—your savings to your government to help it fight your war.

### COUNTY COUNCIL ELECTS OFFICERS

An especially interesting meeting of the County Council of Parent-Teacher associations was held at Lynch schoolhouse last Saturday, June 15.

Patrons of the district deserve great credit for the way in which they entertained their guests the use of their autos, the beautiful decorations, the lunch—made merrier by the resurrection of Martha Washington Bean and the excellent program all combined to make the meeting a success.

Mr. Lepper, of Portland, spoke on the War Savings Stamp drive. Mrs. Fred Schilke of LaGrande, president of the Oregon Congress of Mothers, also president of one branch of the National Council of Defense, gave an interesting talk on the subject of child welfare.

Officers were elected at this meeting for the ensuing year as follows: president, Mrs. E. J. Stack of West Portland; first vice president, Mrs. J. P. Lynch of Lynch district; second vice president, Mrs. L. A. Harlow of Troutdale; third vice president, Mrs. S. Dixon of Fairview; secretary, Mrs. Janet M. Grant of Troutdale; treasurer, Mrs. E. E. Welling of Terry district. The next meeting will be held at Troutdale in September.

### WAR FINANCE BOARD MAKES FIRST LOAN

From the tone of a news item issued by the Bureau of Publicity of the treasury department it would seem that the Northwestern Electric company is about to engage in a big work. Its power plant at White Salmon generates the electricity used largely in Portland for many purposes. The general offices are there and so are the shipbuilding plants referred to in the following clipping sent out as indicated above:

The War Finance Corporation on April 25 approved its first loan. It is for \$1,000,000, bears interest at 6 per cent per annum, and will run for two years. It was made through two large banking institutions of the Pacific coast to the Northwestern Electric Co., and is made on the notes of the bank secured by first mortgage bonds of the company, and other collateral.

The money is to be used to make extensions and enlargements so that additional electric power may be generated and used in connection with shipbuilding.

**MOTH, MINERS, APHIDS AND SLUGS NEED SPRAY**

By combining Black Leaf with 4-5 weeks codling moth spray all four may be hit.

Growers who have not applied the 4-5 weeks codling moth spray, the ideal time for which north of Douglas county was June 5-12, should hasten to do so advises Prof. A. L. Lovett of O. A. C. Where plant lice are bad add Black Leaf 40, 3/4 pint to 100 gallon solution.

Prune trees seriously attacked by aphids, bud moth and twig miners—small brown worms that tunnel into the tips of twigs and fruit—should be sprayed with Black Leaf 40, 3/4 pint to 100 gallon water plus four pounds fish oil soap.

Pear and cherry slugs promise to be abundant this year, as a survey shows the egg deposit to be very heavy. They should be controlled on pears by the poison spray for codling moth, but growers are advised to watch their cherry trees very closely and dust or spray with lead arsenate where slugs appear in numbers.

**CAPACITY FOR WORK. GREATER PRODUCTION**

The current week's issue of the state of Washington Automobile Record, published at the Outlook office, contains fifty pages. This is but the work of one week on that particular publication and is additional to all the other work that is being turned out, and which taxes the energies of twelve persons and the capacity of the plant.

Next week the accumulated list of automobile licenses for the state of Washington will be issued. It will be a book of about 550 pages and will be printed on the new Miehle press just installed in the Outlook office. To accommodate this press, a new folding machine and other machinery, the room adjoining the former quarters has been leased. The Lindsey building is now fully occupied by the Outlook and its allied publications.

The public is invited to call at any time and see the machines in operation and inspect the work that is being turned out.

**PLEASANT HOME**

No more meetings for work will be held by the Pleasant Home Red Cross auxiliary until further notice. The Portland Chapter, in giving the auxiliary a vacation, asks the members to be loyal and ready at a women's notice to resume the work.

**FIGHTING LINE NEWS ABOUT GRESHAM BOYS**

Recent reports from France says that Carl Congdon and Harold Kern, two Gresham young men now at the front, have been transferred to the aviation service. Nothing has been reported as to where they are located, but they will probably be heard from later at the fighting front.

A copy of the Spiker, an army paper published in France, contains the following paragraph which will be appreciated by those who know Carl Congdon:

Fourteen E Company, "Chow Eaters," in charge of First Class Carl Congdon, left about the middle of April on detached Service, letters received indicate that they are strewn all over France, and that most of them hanker after a stack o'hots from the old table.

Another article concerning Company B, has the following paragraph about Harold Kern:

Now that Pay Day has once more arrived, Kern's Army again begins their evening Maneuvers around Vin Blanc Ridge and Cognac River.
