GRESHAM LOCALS

Mr. and Mrs. Geo. Leslie have returned from Seaside where they enjoyed clamming and ocean breezes for two weeks.

Miss Hester Thorpe returned to Monmouth yesterday, for the summer normal course, after several days at home.

Dr. N. Plyler moved his office this week to the three rooms in the Congdon Hotel building, over the Kidder Hardware store.

Miss Helen McCormick went to Monmouth on Sunday, where she will take the summer teachers' course lasting six weeks.

Miss Mildred St. Clair underwent an operation at Good Samaritan hospital in Portland last Saturday for the removal of the tonsils.

Mrs. E. J. Orbison, aunt of Mrs. Geo. F. Honey, is here on a visit. She will spend a month in this vicinity viewing all points of interest.

Mrs. Aaron Knighton went to Lents yesterday to say farewell to her brother Robert Smith who has gone to Camp Lewis as an enlisted man.

Vancouver marriage licenses today contain the names of William J. Bettis and Dorothy E. Caddy, two well-known young people of Powell Valley.

Mrs. A. Dowsett is in Good Samaritan hospital in Portland, where she underwent an operation last week. She is reported to be making a good recovery.

Frederic and Katherine Honey are home from the Washington University. They will spend the summer here, returning to their studies in September.

Mr. and Mrs. L. P. Manning had as guests last week their granddaughter, Miss Celia Kronenberg of Portland and Mr. Manning's niece, Mrs. Alfred Hand of Oakland, Ore.

Harry Gist, formerly a farmer living near Gresham, but now a resident of San Diego, is here looking after his property interests. He will probably stay here several weeks.

Bayard A. Miller has been transferred from the aviation corps to Co. B. 194th Amunition Train. When last heard from he was a Camp Mills. It is supposed that he is on the way to France.

The regular meeting of the Women's Christian Temperance Union will be held at the library next Thursday afternoon at 2:30. Important business will be considered and some unfinished work taken up.

Miss Lula Parmalee of St. Johns was a week-end guest of Mr. R. R. Carlson and Mrs. J. E. Metzger. Miss Parmalee was formerly a teacher in the Gresham school but has been for several years in the St. Johns school.

Mrs. S. E. Palmquist and children and her father, Otto Magnusson, returned Sunday from a two-weeks' visit with relatives at Aumsville and Canby. Mr. Palmquist went on Saturday to Canby and returned with his family.

Mrs. Ploy Lauritsen, wife of First Lieut. Peter Lauritsen of Co. D. 162d Infantry, died in Portland on Sunday. Word of her death was cabled to Lieutenant Lauritsen, who is in France. The funeral will be held in Portland tomorrow. Friends from here will attend.

Mrs. Inez Miller, late principal of the Whitbur high school, has been elected on the staff of the Monmouth normal. She will teach the upper grades at the Mountain View rural school and act as supervisor. Mrs. Miller is a daughter of D. S. McLain of Gresham.

Mrs. Rose Metzger and family have gone to Burley, Idaho, where she will take a position in a store. Her daughter Isabel has been there for a year past as accountant in a garage, in which place her brother Conrad will also find work. Her home on South Main street is in charge of her brother, Harve Metzger.

Theodore H. Dodge died in Portland on Friday last. He was 64 years of age and was at one time a resident of Gresham. Of late years he has been living at River Falls near Estacada, where he was employed in the power plant but moved recently to Portland, where he was employed in a shipyard. His death was the result of a fall, which broke his back.

Mr. and Mrs. G. W. Wonnacott and Mr. and Mrs. L. P. Manning attended the 7th annual meeting of the Douglas County Pioneers' association at Peninsula Park on Sunday. Out of about a thousand former Douglas county pioneers who now reside in Portland or its suburbs, 600 were present. Mr. Manning was elected first vice president of the association.

Germany's greatest ally is the false belief in the United States that the war will be short. Face the grim facts. Prepare in your own home, in your business and in your community, for a long, determined struggle. That's the only way to shorten the war and do your full part towards winning it.

WHAT HAVE YOU GIVEN TO HELP END THE WAR?

Have you given up your job and let your business future take care of itself?

Have you said good-by to your family and friends and all you hold dear?

Have you begun an entirely new career that may end, if you live, with health impaired, an arm off, a leg gone, an eye out?

Have you given up your business future and said good-by and taken a chance on coming back alive and well, and done it all with a cheerful heart and with a grim determination to do all you possibly can for your country?

And do you only at times—in the evenings, perhaps, when the light in the sky slowly fades away—feel so homesick and so lonesome that you are fearful you will not have the courage to do your part after all?

You have not done these things? Ah, I see, you are not one of our Army or Navy Boys; you are a stay-at-home person.

Well, there have to be 20 or more stay-at-home persons for everyone who goes, and so certainly no disgrace attaches to being one if you fully appreciate what those boys who do go have to give up and if you support them to the limit of your ability.

National War Savings Day is June 5. That day gives you the opportunity of showing in a practical way that you do appreciate what it means to the boys who go. Pledge yourself on or before that day to save to the utmost of your ability and to buy War Savings Stamps that there may be more money, labor and materials to back up those who fight and die for you.

Watch your bread box carefully. A slice gone stale is a slice wasted and one less towards that hundred million bushels of wheat we must save for our fighters and the Allies.

METZGER IN CHARGE OF MEN LEAVING TODAY

The men who were selected from this district left for Camp Lewis today. There were about 30 and they were placed in charge of Bert Metzger, acting corporal for the occasion. Among those from Gresham and vicinity are the following:

Roy Johnson, Conrad Pooecker, Verne Richey, Robert Knieriem, Julius Lampert, Ellsworth D. Raker, William E. Johnston, Newton L. Maryott, Axel F. Johnson, Joseph C. Letsinger, Mervin R. Good, Elgin D. Kirkwood, Adelbert W. Metzger. One alternate from here is George Swygert.

Get a little real taste of war by conserving food "Till it hurts". Going without dessert for a week at a time, or eating a slice or two less of bread a day may hurt a little, but remember it's a life or a limb the boys at the front are risking. Painless patriotism won't help much. Cut down on wheat and sweets until it hurts.

A Splendid Record Achieved.

H. W. Snashall, president of the Farmers Mutual Fire Relief Association, reports the association has broken all former records in 1917. The annual statement shows 383 new members gained, 17 fire losses paid, aggregating \$4911; \$1,036,677 of insurance written, one assessment levied, and \$700 invested in liberty bonds during the year. The association is entering its 14th year, and has over 4000 members carrying \$4,250,000 insurance. It has made an annual saving of over 50 per cent to its members. At the annual meeting in January Andrew Brugger of Gresham was re-elected director for the ninth year. Farmers desiring to join may obtain information from H. W. Snashall, Gresham, R. A. or Herman Loeding, secretary, 403 Stock Exchange Bldg., Portland.—Adv.

LUNCHEON SERVED FOR RED CROSS BENEFIT

The luncheon, which will be given by Mrs. George F. Honey and Mrs. R. F. Walters at the former's home tomorrow, will be from 12 to 2 o'clock. A charge of 35 cents a plate will be made and the proceeds will go to the Red Cross fund of Willamette Chapter Daughters of the American Revolution. A general invitation is extended and a large attendance is expected.

POSTOFFICE BOX RENTS TO BE PAID PROMPTLY

Postmaster Roberts has announced that under recent instructions from the department he will be required to close all postoffice boxes which have not been paid for on or before July 1.

"Patrons will please get receipts on or before that date," he says in order to avoid having the boxes closed and their mail delayed.

HONOR ROLL CHANGES AND NAMES REQUESTED

With this issue the Outlook presents the honor roll in a different form, it having been found impracticable to continue company and regiment designations and addresses. The Outlook splits the names of other young men from eastern Multnomah who are in the government service in the army, navy or marines, also changes in rank of the men.

The "Scraps of Paper" that will Help Win the War

Smother the Kaiser with War Savings Stamps

Sacred treaties are called by the Kaiser mere "scraps of paper." His words are an example of the "Kultur" of the Huns who commit unspeakable crimes against innocent women and children—the "Kultur" that America is fighting to remove forever from the world.

FRIDAY, JUNE 28TH NATIONAL WAR SAVINGS DAY

On that day every loyal American will be summoned to prove his patriotism by "signing the pledge"—by agreeing to invest in a definite amount of War Savings Stamps each month during 1918.

Smother the Kaiser with "Scraps of Paper" on June 28th. NATIONAL WAR SAVINGS COMMITTEE.
