It is computed that in the course of one year 600,000,000 tons of coal are wasted in incomplete combustion of the fuel, and heating and lighting unoccupied rooms and needless places.

Great Britain will be dependent to a large extent on home-grown meat for some time. The ministry of food in London says there will be no increase in the price payable to the farmer.

Re-elect Withycombe

A Few of the Many Reasons Why Governor Withycombe Should Be Re-Elected.

- He is loyally, patriotically American.
- He has faithfully co-operated with the President in every war time activity.
- He was foremost of Governors for preparedness and has earnestly supported a vigorous prosecution of the war.
- He has stood for and insisted upon a square deal for both labor and capital, industrial development of the state and suppression of I. W. Wism.
- He has for more than 20 years earnestly supported and vigorously advocated woman suffrage and prohibition and has stood for a better and cleaner state.
- He did not assist in organizing the Non-Partisan League in Oregon, neither was he ever a worshipper at the shrine of populism and other organizations of doubtful purpose and loyalty.
- He has conducted his office patriotically, fairly and economically—always has he placed patriotism and efficiency in the public service above party politics.
- He has given his earnest consideration and substantial effort in promoting the happiness and comfort of the boys in the service of their country. And, lastly,
- He has a record for a sound, business administration and loyal and earnest effort in the nation's present crisis that should command the approval and support of the whole people.

RE-ELECT WITHYCOMBE

Don't Be a Vote Slacker on November 5

To the Republican Women of Oregon:

- DO YOU KNOW** That more than half of the voters in the State of Oregon are WOMEN. That this is the time for women to protect the interests of the men who are fighting at the front.
- DO YOU KNOW** That the REPUBLICAN PARTY has supported every War Measure.
- DO YOU KNOW** That Charles L. McNary is on the MANUFACTURERS, IRRIGATION, and six other important committees of the United States Senate and should be kept there. Senator McNary saved millions of dollars for the wheat growers of Oregon and secured for Oregon a large part of the aeroplane and shipbuilding industries.
- DO YOU KNOW** That it is important to stand by your CONGRESSMAN.
- DO YOU KNOW** That Oregon's War Governor, James Withycombe, saved the lumber industry and suppressed the activities of the I. W. W. in Oregon.
- DO YOU KNOW** That the men elected November 5th are the men who will handle the great reconstruction problems—the most momentous problems that have ever faced this nation.
- DO YOU KNOW** It is VITAL that REPUBLICAN PRINCIPLES of PROTECTION be in control so that we may have a place in industry—a good position—for our boys when they come home.
- DO YOU KNOW** The Republican party has always stood as the friend of labor and by its protective tariff policies it has made the wages of our laborers the highest in the world.

PERSHING'S "DO WITHOUT IT" CLUBS

Organization of "do without it" clubs in America, as a means of aiding the United War Work campaign, which open November 11, was recommended by James F. Pershing, brother of General Pershing, in an address delivered recently in Portland in behalf of the drive. He urged the American people to make some sacrifices in order to help "carry on" the great undertaking that is to furnish money for war work in the battle zone during the coming year. A great percentage of American people, he said, do not know, from any sacrifices made thus far, that a war is in progress. Relaxation of activities because of peace proposals, he declared, should not be tolerated, and asked people of the country to throw their whole energy and co-operation behind this latest drive for securing funds for the seven big war-working agencies consolidated in the campaign.

H. W. Snashall, president of the Farmers Mutual Fire Relief Association, reports the association has broken all former records in 1917. The annual statement shows 383 new members gained, 17 fire losses paid, aggregating \$4911; \$1,036,677 of insurance written, one assessment levied, and \$700 invested in liberty bonds during the year. The association is entering its 14th year, and has over 4000 members carrying \$4,250,000 insurance. It has made an annual saving of over 50 per cent to its members. At the annual meeting in January Andrew Brugger of Gresham was re-elected director for the ninth year. Farmers desiring to join may obtain information from H. W. Snashall, Gresham, R. A., or Herman Loeding, secretary, 409 Stock Exchange Bldg., Portland.—Adv.
