Re-elect Withycombe

A Few of the Many Reasons Why Governor Withycombe Should Be Re-Elected.

- He is loyally, patriotically American.
- He has faithfully co-operated with the President in every war time activity.
- He was foremost of Governors for preparedness and has earnestly supported a vigorous prosecution of the war.
- He has stood for and insisted upon a square deal for both labor and capital, industrial development of the state and suppression of I. W. W.ism.
- He has for more than 20 years earnestly supported and vigorously advocated woman suffrage and prohibition and has stood for a better and cleaner state.
- He did not assist in organizing the Non-Partisan League in Oregon, neither was he ever a worshipper at the shrine of populism and other organizations of doubtful purpose and loyalty.
- He has conducted his office patriotically, fairly and economically—always has he placed patriotism and efficiency in the public service above party politics.
- He has given his earnest consideration and substantial effort in promoting the happiness and comfort of the boys in the service of their country. And, lastly,
- He has a record for a sound, business administration and loyal and earnest effort in the nation's present crisis that should command the approval and support of the whole people.

RE-ELECT WITHYCOMBE

Paid Adv. by Republican State Central Committee.

Don't Be a Vote Slacker on November 5

To the Republican Women of Oregon:

- DO YOU KNOW** That more than half of the voters in the State of Oregon are WOMEN.
- DO YOU KNOW** That this is the time for women to protect the interests of the men who are fighting at the front.
- DO YOU KNOW** That the REPUBLICAN PARTY has supported every War Measure.
- DO YOU KNOW** That Charles L. McNary is on the MANUFACTURERS, IRRIGATION, and six other important committees of the United States Senate and should be kept there. Senator McNary saved millions of dollars for the wheat growers of Oregon and secured for Oregon a large part of the aeroplane and shipbuilding industries.
- DO YOU KNOW** That it is important to stand by your CONGRESSMAN.
- DO YOU KNOW** That Oregon's War Governor, James Withycombe, saved the lumber industry and suppressed the activities of the I. W. W. in Oregon.
- DO YOU KNOW** That the men elected November 5th are the men who will handle the great reconstruction problems—the most momentous problems that have ever faced this nation.
- DO YOU KNOW** It is VITAL that REPUBLICAN PRINCIPLES OF PROTECTION be in control so that we may have a place in industry—a good position—for our boys when they come home.
- DO YOU KNOW** The Republican party has always stood as the friend of labor and by its protective tariff policies it has made the wages of our laborers the highest in the world.

WOMEN'S ADVISORY COMMITTEE
Oregon Republican State Central Committee.

GRESHAM LOCALS

Mr. and Mrs. Cecil Metzger have moved into their house on Fourth street near the library.

Mrs. Ed. Smith returned recently from a three weeks' visit at Ft. Stevens with Mr. and Mrs. Eugene Fowler.

Mrs. D. L. McLain, who has been sick for the past ten days with influenza, is reported to be rapidly recovering.

Mr. and Mrs. C. I. Raker motored to Dayton, Oregon, on last Sunday to spend the day with the latter's mother, Mrs. Hibbard.

A letter from Conrad Metzger to relatives here brings the information that he is working in a munitions factory in New Jersey.

Mrs. Cora Childers is ill at her home with a nervous breakdown but is expecting to be out again soon. She has been employed for several months at the Wairad Mercantile store.

Mrs. C. O. Branson, who is principal of the Dover school in Clackamas county, is at home during the enforced "flu" vacation. She is visiting at the home of Mrs. Charles Tallman, near Gresham.

David Culy, who has been in a Portland hospital for the past three weeks, is reported to be much improved and expecting to leave the hospital soon for the home of his sister, Mrs. John Miller.

Mrs. Milo C. King received a telegram on Wednesday morning announcing the serious illness of both her father and mother at their home in Kerwin, Kansas from the epidemic. She left the same evening for their home.

Chase St. Clair writes from the pneumonia hospital at Camp John Wise, San Antonio, Texas, that he is recovering from an attack of pneumonia and that he is expecting to get a furlough when he is able to travel and hopes to come home.

The name of Claude Nutley of Wenatchee, Washington, was contained in a recent casualty list from the French battle front, he having been wounded while in action. He is a son of Rev. C. A. Nutley, formerly pastor of the Baptist church in Gresham.

Dr. Will Ott, who for several years past has been making weekly trips to Sandy where he maintained a dental office, has discontinued his business there. He will devote all his time to his business here which has been increasing to such an extent that he has no time for keeping his Sandy office open.

Miss Minnie Palmquist has been sick with influenza at the Portland hotel for the past few days. She is being attended by the house doctor and is improving. Her mother, Mrs. John Palmquist, spent the day yesterday with her, after having taken the anti-influenza serum and provided herself with a gauze mask.

Gresham's municipal election will be held along with the general election next Tuesday. There will be separate ballot boxes at the three polling places and there can be no excuse for not voting. All who are interested in the contest of five good citizens for the three places on the council will give them their support, and a full vote should be polled.

INFLUENZA CASES FEW IN GRESHAM

Interviews with the physicians of Gresham brings out the fact that the influenza situation is clearing up here. No serious complications are reported and no new cases have come to light.

It has been suggested by one of the physicians that much might be gained if persons would report to the doctors in the early stages of diseases. In this way insipient cases might be prevented from development. By making office calls much time could be saved to the physicians, who could consequently care for many more cases. Don't call the doctors at night if it can be avoided. They cannot go day and night and do justice to themselves and their patients.

New York will build no schools during war time.

ONLY ONE PACKAGE FOR EVERY SOLDIER

Christmas boxes for sending packages to the soldiers in France have arrived in Gresham and, presumably at all other local Red Cross headquarters. Those for Gresham are at the postoffice and are in charge of Mrs. George W. Stapleton.

A member of the auxiliary will be at the postoffice for the purpose of giving out the boxes to those who have labels and for receiving them for mailing abroad, up to November 15, at which time the privilege will cease.

The following is an outline of the procedure to be followed by persons planning to send a Christmas parcel abroad:

On receiving one of these Christmas parcel labels, it should be presented at the nearest chapter, branch or auxiliary headquarters of the Red Cross, where the holder will receive a carton. These labels are not expected to reach this country before November 1, by that time each Red Cross branch will have its allotment of boxes based on the number of soldiers in service overseas from that community.

These boxes may be filled with any combination or articles, except those on the list barred by the Postal officials.

Articles Barred by Post Office Regulations.

The following is a list of the principal classes of articles which are unmailable.

1. All spirituous, vinous, malted, fermented or other intoxicating liquors.
2. All kinds of poison and all articles and compositions containing poison.
3. Explosives of all kinds.
4. Inflammable materials, including friction matches.
5. Infernal machines and mechanical, chemical or other devices of compositions which may ignite or explode.

Note—Under this classification would come cigarette lighters, etc.

6. Liquids or liquefiable articles, fragile articles and other admissible matter when not packed in accordance with the requirements of the Postal Laws and Regulations.
7. All other articles which may kill, or in any wise hurt, harm, or injure another, or damage or deface or otherwise injure the mails or other property.

Bear these facts in mind when packing your Christmas parcel. Nothing should go in a Christmas Parcel which will not keep fresh from the time of packing until Christmas.

Dried fruits and other food products should be packed in small tin or wooden boxes, one-quarter to one-half pound size.

Hard candy, including chocolate, would probably be safe in tin foil or heavy cardboard, but no soft chocolates nor anything that could possibly be crushed should be used, as the remaining contents of the package might be spoiled thereby.

Several dainties packed in oblong tin boxes holding each a quarter of a pound will provide a better variety for a packet than a larger quantity of a single confection.

No liquids nor articles packed in glass should be placed in the package.

For wrapping the gifts, use a khaki-colored handkerchief, twenty-seven inches square.

When the package has been packed, it should be taken, unwrapped and unsealed, together with the label and sufficient stamps to the nearest collection center designated by the Red Cross. After the package has passed the inspection of the Red Cross representatives as to contents and weight, and been wrapped in stout paper, the Christmas label bearing the address of the man for whom it is intended is placed on it. The person sending the package, in the presence of the Red Cross worker, is required to affix stamps sufficient to carry it to Hoboken, N. J. The Postal charges are to be at the rate of fourth class or parcel post zone rate. A label certifying that the inspection has been completed by the Red Cross is placed on the package, which is left in the custody of the Red Cross until delivered to the postal authorities.

The weight of the parcel must not exceed two pounds and fifteen ounces, unwrapped. The cost of mailing will be at the rate of 12 cents for each pound or fraction thereof.

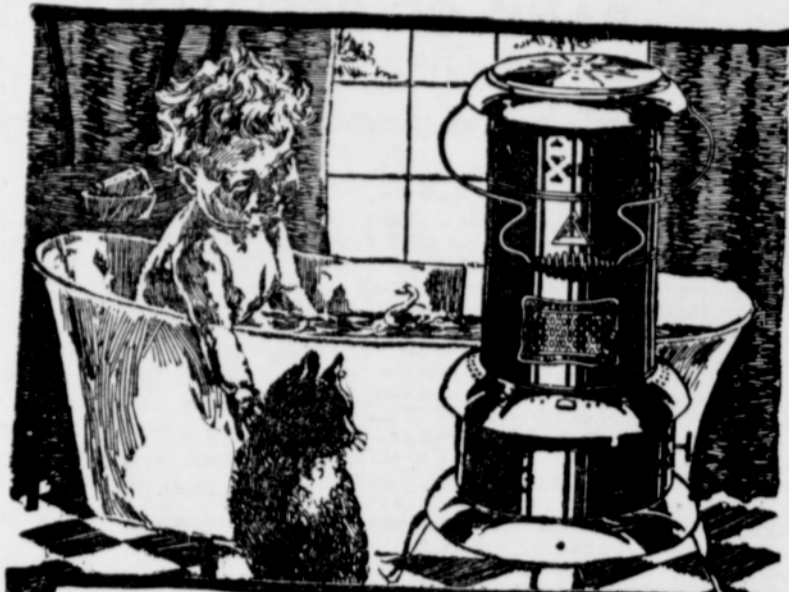

Save for the country's sake.

WRONG SCHOOL GETS CREDIT FOR PILLOWS

Last Tuesday's Outlook had a story of the successful finishing of 30 feather pillows by the patrons of Rockwood school for the emergency hospital in Portland. It was a good story but the credit should have been given to the Wilkes school, not the Rockwood. This will not hinder the Rockwood school from doing likewise.

We Have Heard a Lot

about the compliments that our patrons are paying us, and we want to say right here and now, "Mr. and Mrs. Customer, we thank you. Your kind words are sending your friends to this shop, and we are going to treat them right. Again, we thank you."

A. J. W. BROWN, Prop.
Gresham, Ore.

NEPHEW OF D. S. JOHNSON DIES OF PNEUMONIA

Word has been received of the death at Camp Fremont, California, of George Rankin, of pneumonia following influenza. Death came on October 25. The deceased was a nephew of D. S. Johnson of Gresham and brother of Clark Rankin of Hurlburt. He leaves a widow, Mrs. Gladys Rankin, his mother, Mrs. Harty Rankin and one brother in Portland, also a brother, John, of Medford.

CITY SERVICE IN YOUR HOME TOWN

Banking in Gresham has many advantages over city banking, as well as offering the same opportunities.

Visits to the Bank can be made more frequently and the depositor is assured close personal attention combined with confidential banking relations.

The First State Bank of Gresham invites your patronage when in need of any form of financial or allied banking service, including legal documents, insurance, real estate, and mortgage loans.
