THE UNIVERSAL CAR

WE are glad to state that we are now able to make delivery of FORD CARS. The Ford Company is again turning out machines.

But as it takes some time to change a plant from 100 percent war work to 100 per cent machines, it will be some time before they are back to their regular output.

So, IF YOU ARE IN NEED OF A CAR for present or spring use, we would advise you to put in your order *at once*.

We have a Ford Truck on the floor for your inspection.

MAIL SERVICE DELAYED BY THE INFLUENZA FIRST STATE BANK GIVING YEAR BOOK

Service on the mail routes out of Gresham has been somewhat interfered with in the past few days on account of the illness of both carriers. Substitutes were immediately pressed into service with the result that very little delay has been noticed excepting on Saturday, when it was impossible to finish the heavy distribution of mail on Route A before dark. Postmaster Roberts and Mr. Howell are carrying the mail on Route A for Mr. McKinley. H. C. Whilon and Miss Alice Roberts are looking after the mail on Route 4. Both Mr. McKinley and Mr. Gorsage are improving and expect to resume their work in the near future. Miss Ethel Mewhitter is assisting at the postoffice window.

The First State Bank is sending out to its customers a neat little Year Book, on the first page of which is an identification card of the owner, giving information as to who should be notified in case of accident. The book contains much valuable information concerning the five different issues of the Liberty Loan Bonds, the great World War, and the war loans of the different countries, besides much other valuable information that everyone wants at hand.

The "reds" who used to meet regularly, denounce the laws, the courts and police and demand the rights of the masses, now having to depend on the police to keep the masses from lynching them every time they show up on a street corner, get a rise out of one's risibilities.

Save for the country's sake.

We will gladly accept Liberty Bonds in Payment for any Auto Tires in Stock.

PEACE!

This is the Peace that is promised the World in the signing of the armistice with Germany.

PEACE—for all-sacrificing France, for resolute England, for ravaged Belgium, for plucky Italy, for bleeding Serbia, for confused Russia, for free America—yes, and even for those who have been the dupes of militaristic despotism.

It is not strange that a song of thanksgiving continues to echo and re-echo around the globe.

The World is entering a new era. Opportunities for the young man today are greater than ever before in the history of the world. Will you be one to meet Opportunity—ready for the emergency? Then form a connection with a good bank early.

Influenza has struck two of the business men of Gresham. J. Cannon, his wife and two children are all at Good Samaritan hospital in Portland suffering from the malady. All are well on the way to recovery. Arthur Dowsett of the Gresham Drug company was taken to the hospital yesterday. He is also reported to be doing well.
