GRESHAM LOCALS

W. A. Hessel has enlarged his office space, making it more roomy for the accommodation of customers. Frank Jones did the work.

Lieutenant Ernest Thom has telegraphed his wife here that he has arrived safely in New York. He served in France with the 91st division.

Walter Metzger has received his discharge from the service and is at home again. He is one of the first of the Gresham boys to exchange his overseas uniform for "civies."

Mrs. S. R. Bradfield, who has been taking care of her daughter Mrs. Robert Lansdown at Oregon City for several weeks, came home Wednesday. Mr. and Mrs. Lansdown have both been sick with influenza.

Wm. Stanley, living on the Base Line road, has improved his residence by building 12-foot porches on the side and end of the building which are equipped with disappearing windows and which will be screened for summer. Frank Jones did the carpenter work.

Gust Larson, owner of the Palmquist harness store building, is having the front altered so as to admit autos into it for repair services. Mr. Palmquist makes a specialty of repairing tops, and heretofore had no other place than the street for doing the work.

Bert Metzger arrived home last night on a few days' furlough. He will return on Sunday to Camp Lewis where he will await his discharge. He still feels the effects of being gassed in the fighting with the 91st division but is improving and expects soon to be restored to health.

TELEPHONE SERVICE TO COST MORE

The new schedule of prices governing the telephone service has been received by Miss Bess Osborne, secretary of the Multnomah and Clackamas Mutual Telephone company, which will go into effect Monday, January 20, at midnight.

Hereafter all "ay" calls, put in for a number but for no particular person, will cost 10 cents for the first three minutes with 5 cents for each additional minute. Specified calls will cost 20 cents for the first three minutes and 5 cents for each additional minute. All collect calls are 20 cents. It will hereafter be necessary to pay 10 cents for all long distance calls put in, even if the party addressed does not talk.

All calls between 8:30 at night and 4:30 in the morning will be 25 cents for the call, plus the war tax, which must be added to all calls. The mileage basis for determining long distance rates has been established by the government.

A CRY FOR FREEDOM BY ENSLAVED INDIAN

Chief Red Fox Shinbushu, an educated Indian, residing on the Yakima Reservation, sends the following appeal to the Pacific Christian Advocate, which voices the aspiration of his race:

"We are Americans, but not citizens. We have no voice in the courts of our own land. But in this man's war 17,000 Redskins served the colors of the Flag which floats over their thralldom. Eighty-five per cent volunteered their blood for American freedom, and the freedom of the world. My people took \$50,000,000 in Liberty Bonds. They donated \$2,000,000 to the Red Cross. Surely such demonstrations of loyalty should cause every American patriot, every Christian church, and other justice loving bodies, to urge the passage by congress of a bill looking to the freedom of the Indian, the protection and preservation of his lands to him and his children for all time. This sacrifice of the Red Warrior is deserving of reward. Give us our freedom. Free us from the grinding stones of the Indian Bureau. We are 100 per cent Americans. We are not foreigners to be naturalized. Freedom is planted in every Indian heart. These many years we have not murmured, because we thought sometime freedom would be granted to us. In the midst of your boasted freedom, must we remain in bondage? Oh, God of the White man: Great Spirit of my fathers! Help America to see her faults! To see the wrongs at home as well as abroad!"

THEODORE VAN DONINCK GETS NEWS FROM HOME

A card to Theodore Van Doninck the Gresham baker, from his brother in Portland brings the glad news of the safety of his parents and brothers and sisters in Belgium. The news was sent to Portland by Alphonse, who assisted his brother here in the bakery until he left for Camp Lewis for training last summer. He was with the 91st division and while in Belgium was able to learn of the safety of his people.

This is the first news of any kind to reach the members of the family here since 1914, when the German army over ran Belgium. The family home is near Antwerp and has been in the possession of the enemy since the beginning of the war. Four sisters and two brothers and the parents are there. The older of the two brothers has just come of military age and has been called to the colors. Two brothers, Alphonse and August, are with the American army. Mr. Van Doninck was awaiting his call to service when the armistice was signed.

Constant efforts have been made by Mr. Van Doninck to locate his people but all to no avail until the Germans were driven out of Belgium. Many of his letters of inquiry have come back containing the statement that no such persons could be found.

TOWN WILL BE CLOSED FOR ANOTHER WEEK

A majority of the Gresham city council met with Mayor Kenney this morning and decided to keep the town closed for another week after this.

The existing order holds good until next Monday and the new one extends the time until the 27th. It is believed the heavy rains now prevailing will clear the situation to an extent that it will be safe to remove all restrictions at that time.

ARTISTS THINK HER THE MOST BEAUTIFUL

The world has again found "the most beautiful girl." Many great artists have passed the verdict that it is Justine Johnstone, who, up until three years ago, was a small town beauty in upper New York state. In three short years she climbed to the top in the theatrical profession. In face and figure, she represents a type of beauty which is typically American.

"D. D."

Dimple, yes, my Dimple,
My lady and my love,
Awake from slumbers light,
Let every day and night
Our high relation prove.

Dimple, truest Dimple,
Myself I shall not find
Of hair and power shorn,
When I arise at morn
From thy love-lap reclined.

Dimple, pet-named Dimple,
Let no light shine in vain;
Nor diamond under cover;
But wear it for your lover
In sunshine and in rain.

Dimple, D. D. Dimple,
Again say you are mine,
Caress me with your eyes—
Those Diamonds in the skies—
The eyes that made you mine.

BE PREPARED WITH INCOME TAX RETURNS

Collector of Internal Revenue, Milton A. Miller, is receiving many inquiries concerning the provisions of the new Revenue bill providing for income and other taxes, and numerous requests are being made for forms on which to make returns.

Collector Miller says that no definite information can be given, or forms furnished, until the bill has finally passed congress and becomes a law. It will then take some little time to have forms printed and ready for distribution. He has made arrangements to send out a general notification from his office so that all taxpayers may be informed promptly of the provisions of the proposed law. The organization of his field force will be such as to render every possible assistance to taxpayers throughout the state of Oregon; and deputies will be located at many advantageous points so that information may be secured direct to guide them in making returns when the proper time arrives.

The basic principles of the old income tax law will no doubt be applied to the provisions of the new law, and it would be well for every individual and corporation to prepare figures and ascertain the exact amount of income so as to be ready to make return with as little delay as possible.

TELLING US FRENCH AIMS, BILLY'S JOB

France wants the people of the United States to understand its views and aims. And it is the duty of this man to find ways and means to present them to the American public. He is Edouard de Billy, deputy French high commissioner at Washington. He says his nation will insist that Germany rebuild factories and farms destroyed during the war.

Mrs. A. Hughes entertained the members of the 46th Hospital Unit Auxiliary at a luncheon on last Tuesday afternoon.
