A beautiful new flag floats from the school flag-pole, the money for which was raised by a subscription campaign on the part of the pupils. It was duly dedicated by the pupils joining in a circle around the flag-pole and singing the national anthem and giving the oath of allegiance.

### Dreadful Cough Cured.

A severe cold is often followed by a rough cough for which Chamberlain's Cough Remedy has proven especially valuable. Mrs. F. W. Olsen, Marysville, Mo., writes: "About two years ago my little boy Jean caught a severe cold and coughed dreadfully for days. I tried a number of cough medicines but nothing did him any good until I gave him Chamberlain's Cough Remedy. It relieved his cough right away and before he had finished taking one bottle he was cured. I think it is just fine for children."—Adv.

### GOVERNMENT OWNERSHIP NOT FAVORED

Practical, experienced railroad men who have obtained their positions through promotion and years of service do not look with favor upon government ownership of railroads. Many of them have been juggled about at the whims of a political party. Cutting off and paring the salaries of the chief railroad men of the country has had a decided tendency toward lessening the efficiency of the roads.

With government ownership it remains to be seen as to whether the old maxim "Competition is the life of trade" will be proven true. Our experiences to date with government management of the roads leads us to the conviction that the saw holds good.

Many of our best railroad men are seeking positions with factories and foreign steamship lines, and other posts in which brains and stability are appreciated.

### Indigestion.

Take a few doses of Chamberlain's Tablets as directed for indigestion, and you will soon forget about your stomach troubles. Try it.—Adv.

### Tailoring

For men and women—cleaning, pressing and repairing done well. Peter Lenard, Powell street.

### TROUTDALE

Our Troutdale boys are returning home one by one from the various branches of the service to which they were assigned in the war. Milo Coons, a sergeant in Co. C, 329th Signal Battalion, stationed at Camp Lee, Virginia, returned Sunday, and after visiting relatives and friends a few days, left for Arlington, to take up his old job with the Western Union Telegraph company. He gives great praise to the Red Cross and Salvation Army wherever he met them.

Emanuel Fox returned Monday from Camp Taylor, Kentucky, after visiting friends in Chicago for a few days.

The Troutdale Ladies' Aid will meet next week Wednesday afternoon, March 5, with Mrs. Morris McGinnis. All members and friends of the society are urged to attend.

C. H. McGirr, formerly of the garage here, has bought the Northway store at Springdale. Our good wishes for success go with him in his new business.

Eldon Dupuis is well of the trouble in his hand, and is back in school again.

George Thomas was a visitor this week at the home of his brother, C. I. Thomas. He has been in Co. M, 63d Regiment, at Camp Meade, Maryland, and was sent to Camp Lewis where he received his discharge. After visiting his parents in Corvallis, he will take up his old work as manager of a Hood River apple orchard.

Mrs. Mary Wade, of Salem, Illinois, is visiting at the home of her daughter, Mrs. Flora Parker.

### MELROSE AND VICTORY

The Red Cross auxiliary meets every Thursday forenoon for work, the women taking their lunches. In the future it is planned to have each woman bring one article for the lunch and all will eat together. Mrs. G. H. Hayden and Mrs. Bush were appointed a committee to plan the next lunch. Those not knowing what to furnish should consult with them.

### PLEASANT HOME

Services will be held at the Methodist church at the usual hour next Sunday morning. The pastor, Rev. Earl B. Cotton, will take for his subject "God's Twin Laws or the Stewardship of Possessions." The same topic will be discussed at 11:15 church in the afternoon and Troutdale church in the evening.

### GRESHAM GRADE SCHOOL HAPPENINGS

The grade school report for the month just closing gives Mrs. Myrtle Myers' room the honors for attendance, 97.9 per cent being the average for the fifth grade. Miss Grace Ogilbee had the largest number of parents as visitors—seven, with six visitors to Miss Hagerman's primary grade. To the seventh and eighth grade pupils go the honors for punctuality, twenty from Mr. Skirvin's room being neither absent nor tardy.

In Miss Maude Michel's room is a corner on the blackboard containing a Goop column. The Goops are the "in-bads." The third graders avoid that column as they would be the measles!

With the approach of spring weather the second grade pupils in Miss Hughes' room are about ready to dismantle their Eskimo table. So hurry over and see what they have accomplished with sand, pebbles and cotton batting. There are Eskimo huts, odd canoes, polar bears, reindeer, dog sleds. There are dozens of things they can tell you of life at the North pole.

At the regular grade school assembly, presided over by the officers of the debating and literary club, yesterday Miss Montague, the Gresham librarian, treated the pupils by telling them the story of the "Lance of Kanana." The following program was presented by the debating society:

- Song—By the school.
- Recitation—Maurice Brown.
- Violin Solo—T. J. Skirvin.
- Riddles—Bertha Fisher.
- Flute Solo—Ray Strong.
- Charades—Dorothy Hamilton.
- Instrumental Duet—Doris Zimmerman and Georgie Stapleton.
- Jokes—Clara Mason.
- Song—Dale Lichty, Harry Squires, Edward Schwedler, Francis Peak, Lewis Maulding.
- Currents Events—Alden Miller.
- Some Things Washington Did Not See.

One-time patronage never made a success of any venture. 'Tis the systematic, regular buyer of W. S. S. who gets ahead.

### That Terrible Headache.

Do you have periodic attacks of headache accompanied by sickness of the stomach or vomiting, a sallow skin and lull eyes? If so, you can get quick relief by taking Chamberlain's Tablets as directed for biliousness, and you may be able to avoid these attacks if you observe the directions with each package.—Adv.

### REVENUE COLLECTOR SOUNDS WARNING

In a statement by the Collector of Internal Revenue, Milton A. Miller, from Commissioner Daniel C. Roper, taxpayers are cautioned against allowing themselves to be imposed upon by strangers who claim to be "Income Tax Experts." They should discriminate carefully between real, helpful, authoritative advice in tax matters, and irresponsible advice.

Mr. Roper states further that the bureau is arranging to furnish for the benefit of income tax payers in every city and town in the country, a free advisory service by trained collectors, agents, inspectors and deputies. At the offices of Collectors and Deputies and at other central points, free information and advice with

respect to filing returns under the new Revenue Bill may be had up to the final date for filing such returns.

Banks, Trust Companies and similar responsible institutions have always cooperated in furnishing authentic Income Tax information, and have generously offered to serve the government and taxpayers in this respect again this year. It is the aim of the Bureau to bring its agencies as close as possible to every person and to make available in official form all necessary information regarding the requirements of the law. The Bureau welcomes aid from every responsible agency in its efforts to enlighten the people on tax matters.

Every taxpayer is assured of a square deal from the government based on the tax laws and regulations and the facts in his case.
