PORTLAND-GRESHAM CARS RUNNING ON SCHEDULE

The Gresham-Portland jitney service, which started about three weeks ago, has established a regular schedule, which is advertised in another column of this paper.

The two cars now in use are driven by A. E. Eastlund and by G. R. Burch, both careful drivers with several years' experience in the business. They plan to put on more cars when even the patronage demands it.

Mr. Eastlund lives in Portland and starts the first car from that end of the trip at 8:40 in the morning. Mr. Burch starts the first car from Gresham at 8 o'clock. The latter has rented the house belonging to Mayor Kenney on Second street and will move his family here about the 1st of April.

O. W. P. Rate Concessions.

To a committee of farmers and S. B. Hall, county agent, who waited upon the officials of the O. W. P. freight department, the railroad has announced some rate concessions. The rates will be 90 cents to Gresham, \$1.10 to Orient with the old rate of 90 cents to Linnemann remaining unchanged. The former price was \$1.20 to Gresham and \$1.50 to Pleasant Home. This reduction has been made in spite of the fact that the freight department is not paying.
