Mrs. Geo. Chamberlain went to Corvallis Sunday to attend the funeral of her niece.

W. G. Metzgar has been appointed postmaster and has removed the postoffice from Dodson's store to his place of business on the Columbia highway near Chanticleer Inn.

Mrs. Clara Smith received the sad intelligence Tuesday, that her friend, Mrs. Helen Coulter Roubush, died at Akron, Ohio, March 30th of pneumonia, following influenza. Mrs. Roubush taught in the high school here two years and was held in the highest esteem by the students and teachers. Her pleasing manner and true womanly ways attracted all who knew her. She was a sister of Mrs. H. L. Stephenson of Portland, who left immediately upon receiving the telegram, to attend the funeral, which will be at Oxford, her childhood home, besides this sister she leaves a father and mother, one sister and two brothers, husband and baby boy fifteen months old to mourn her untimely death, and again we are reminded, "Be ye also ready, for in such an hour as ye think not the Son of Man cometh."

Elder Wright, of Portland, will preach at the Corbett church Sunday, April 6, both morning and evening. Come out to the song service in the evening, which begins promptly at 8 o'clock.

**PLEASANT HOME**

Funeral of the little daughter of Mr. and Mrs. L. K. Miller was held at the Pleasant Home Methodist church on Wednesday afternoon, and was largely attended. Rev. Earl E. Cotton conducted the service and spoke words of comfort to the bereaved parents and friends. Through a misunderstanding the friends left at the grave were to be private. Mr. and Mrs. Miller had not intended it so, and wish their friends to understand it.

A meeting of unusual interest will be held at the Pleasant Home M. E. church next Sunday afternoon, April 6, at 2:30, in the interest of the centenary movement. Burgess Ford, son of Dr. T. B. Ford, will address the meeting, telling of his experiences in France, where he was one of the ten Y. M. C. A. secretaries to be awarded medals for conspicuous bravery. All are invited to hear Mr. Ford. The financial pledges for the centenary offering will be taken at the close of the service. On account of this special meeting at Pleasant Home, there will be no service at Hill next Sunday.

The members of the Pleasant Home auxiliary of the Red Cross and others who wish to contribute good worn clothes for the peoples of Europe are asked to bring or send same to the home of Mrs. Thomas, chairman of the auxiliary.

The Methodist Aid society will meet with Mrs. Lennartz next Wednesday afternoon.

The mother and brother of Mrs. Edsoll Markell came over from Newberg for a visit over last Saturday and Sunday.

Mrs. M. Lennartz entertained at dinner yesterday her niece, Miss Margaret Schantlin of Rockwood, Miss Mildred St. Clair of Gresham, Lieut. Fred Crane of Camp Lewis and Rev. Earl B. Cotton. Mrs. Lennartz proved herself as always, a charming hostess.

**LUSTED**

W. W. Jackson is the possessor of a fine healthy bunch of about twelve hundred White Leghorn chicks hatched about a week ago from incubators.

The entire neighborhood extends sympathy to Mr. and Mrs. Lewis Miller in their sad bereavement, in the loss of their darling baby Flora Edith.

Mr. and Mrs. Harris Hamilton and family visited the latter's brother, Ray Northrup, in Vancouver, Washington, last Sunday. They also visited relatives in Montavilla.

Harold Eder is working for W. I. Spencer in the greenhouse and Miss Lenora Eder is assisting Mrs. Spencer during the busy time.

Mr. and Mrs. Ed Hamilton and family attended the wedding at Montavilla on Wednesday, April 2, of their niece, Miss Irma Hamilton to Florella Delevan DeVeny, the wedding occurring at the home of the bride's parents, Mr. and Mrs. W. H. Hamilton. The bride is the youngest of a family of eight children. After a short honeymoon Mr. and Mrs. DeVeny will make their home in Portland.

**Card of Thanks.**

We wish to thank the friends and neighbors who have so kindly shown their sympathy and helpfulness in any way to us in our great affliction, in the death of our little daughter and especially for the beautiful flowers which covered her resting place.

MR. AND MRS. L. K. MILLER.

**PLEASANT VIEW**

Mr. and Mrs. Bert Chamberlain are receiving the congratulations of their friends over the arrival at their home of a very small boy on March 26th.

Alexander Lampert returned home last week after having spent a number of months in France. Most of his time there was spent with an ammunition train and in the supply service. Alex doesn't seem to be particularly well impressed with those portions of France that he saw, but he did manage to get a great deal of enjoyment out of the trip and that army life has agreed with him is proven by one look at him. He has put on 50 pounds in weight and in his uniform looks every inch the man that he is. His brother, Julius, is expected to return the latter part of this month.

All of the old 500 club, also a few friends from Troutdale, met at the home of Mr. and Mrs. Thomas Low on Saturday evening. An enjoyable evening was spent at cards and music, Mrs. L. A. Harlow furnishing a number of delightful instrumental and vocal numbers, after which refreshments were served.

Mrs. Martin Nelson, who went to Tacoma some time ago for a few days' visit with friends, has been quite sick while away, but is getting better and will be home again soon.

Word has been received that Mr. Lucas, who went to California recently, is very low.

**FAIRVIEW**

The Ladies' Aid of the Methodist church will give a chicken pie supper in the Fairview city hall on Wednesday evening, April 9. Serving will begin at 5:30. Good supper. Good social time.

Do not forget the special services at Smith Memorial church on Sunday at 11 o'clock, new time. You are cordially invited to be there.

**Forgot What He Needed.**

From the Republican, Mt. Gilead, Ohio: The editor had an interesting experience some time ago, when a young gentleman came to the office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: "Now I know!" "What is it you are looking for," we inquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except Chamberlain's. I'll try again, and I'll never go home without Chamberlain's Cough Remedy." The Republican would suggest to the proprietors of stores, that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted, to say nothing of the injustice to makers of good goods and the disappointment of customers.—Adv.

**Do You Sleep Well?**

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion.—Adv.

**ARE YOU TRAVELLING IN A CIRCLE?**

The Kelso Red Cross auxiliary requests the community to get ready for the old clothes drive to begin Monday, April 7, for the refugees of Europe. Anything that can be worn is acceptable. Leave your bundles at the home of Robert Jonsrud.

One by one our soldier boys are returning. Jerome Brook, recently back from France, was greeting friends at Kelso last week. Sergeant Gustave Johnson, who was in the aero service in France, is also home, both having received their honorable discharge. John Milan is now on his way back from France.

Paul Dunn has sold his farm to his son-in-law, Alfred Bell, and has bought the latter's house at Sandy where he will make his future home.

Mrs. Louise Nelson and Miss Ivy Ten Eyck have been re-elected to teach our school next year.

Road Supervisor Littlepage is busy at work on the roads during the good weather.

Miss Ten Eyck has recovered from a mild attack of "flu." Mrs. A. C. Baumbach is substituting for her at school.

**If I Were a Farmer.**

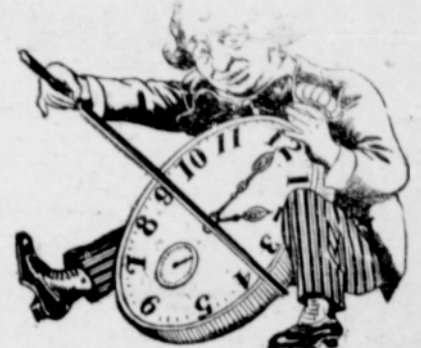

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds and croup.

Chamberlain's Liniment for sprains, bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.—Adv.
