WOODEN SHOES ARRIVE FOR THE SCHOOL OPERA

The "Windmills of Holland" an operetta of a high order of merit is being rehearsed by the boys and girls glee clubs at the high school under direction of the teacher of music, Prof. Tom G. Taylor. It is planned as a benefit to raise funds for the purchase of Victrola records for the Victrola purchased by the Treble Clef girls last year. Incidentally credit is given by Professor Taylor for the efforts of the students in music.

Fifteen pairs of wooden shoes have been received from a costume house in Portland, that the Hollanders may learn to clump about gracefully in the strange footwear. Dutch caps, aprons and baggy trousers are being tailored out of old odds and ends.

The cast of characters includes Mynbeer Hertogenbosch, rich Holland farmer, Hokan Truedson; Vrouw Hertogenbosch, his wife, Benema Matthews; Wilhelmina and Hilda, his daughters, Della Towle and Grace Fieldhouse will sing the mezzo soprano and alto roles. David Peterson's baritone will be heard in the part of Bob Yankee, an American salesman of mill machinery.

Hans, a student of music, and Franz, a rich farmer's son will be acted by Wm. Butler and Loren Myers. Helen Bliss will sing a soprano role as Katrina, a rich farmer's daughter. She will also lead the chorus of bonneted Dutch girls, composed of Marie Bramhall, Evelyn Kendall, Ida Lauber, Mildred Pullen, Florence Richey, Bernice Jones, Helen Wostell, Elizabeth Schwedler and Edna Schaffer. The chorus of workhands includes George Lane, Howard Jones, Frank Tacheron, Matland Geddes, Frank Greenman, Lewis Skirvin, and Wilbur Altman.

State School Money.
I am authorized to lend out on farms in Multnomah county, only, in sums of not less than \$250 nor more than \$5000, to any one person, at 6 per cent per annum. If the borrower pays the interest promptly on his loan, he will be permitted to have this money for at least nine years. The rule is not to lend more than one-third of the reasonable market value of the land, exclusive of buildings or improvements. Applications should be made of Arthur Languth, care of Supple-Ballin Shipbuilding Corporation, East Oak and Water streets, Portland, Oregon. The expense of the loan is about 1%.

Bring in your Ford. We have a Ford mechanic, and put in Ford parts at Ford prices. C. E. Osburn, Gresham.

POWELL VALLEY

Among the owners of new cars in this vicinity are C. R. Keller, who has a Ford; Sam Carrell, with a new Chevrolet and Axel Johnson, who is driving a Mitchell six.

Our soldier boys are returning in large numbers now. The arrivals within the past few days are Wendell Danilensen, who was severely wounded in the Argonne battle and who has spent much of his time in hospitals; John Johnson, who has been on guard duty at places of interest in and near Washington, D. C.; and Robert Magnuson, who fought in France with the 91st division.

June, the 6-year-old daughter of Mr. and Mrs. Frank Gustafson, had a narrow escape a few nights ago from serious or possibly fatal injury. The little girl was playing with other children beside the road and became so much interested in her play that she did not notice the approach of an automobile, and stepped into the road just in time to be struck and knocked down by the car, which passed over her but was brought to a stop with the child lying unharmed between the front wheels. Except for the caution of the driver who saw the children and slowed down in time, the result would certainly have been serious. As it was, a slightly bruised elbow and a tiny sandal lying in the middle of the road were the only evidences of the mix-up.

Mr. and Mrs. K. K. Foshaug, of Ranier are visiting with Mr. and Mrs. P. M. Magnuson and Mr. and Mrs. Swan Olsen. Mr. Foshaug is preparing to leave for Alaska soon to engage in fishing.

Fire of unknown origin caused the total loss, on Saturday afternoon, of the new brooder house belonging to Jacob Hamilton, together with a new American brooder and about 350 young chicks. Mr. Hamilton came here recently and bought 10 acres of the Reynolds farm on the Powell Valley road, where he plans to develop a poultry ranch. The loss is complete, there being no insurance.

Do You Sleep Well?

To be at his best a man must have sound, refreshing sleep. When wakeful and restless at night he is in no condition for work or business during the day. Wakefulness is often caused by indigestion and constipation, and is quickly relieved by Chamberlain's Tablets. Try a dose of these tablets and see how much better you feel with a clear head and good digestion.—Adv.

LUSTED

Miss Betis and Miss Shaw, of Pleasant Home, sang several songs which were much appreciated. Sandwiches, cake and chocolate were served during the evening, all present having an enjoyable time.

Quite a number in the vicinity went to Portland Monday to see the aviators and aircraft circus. Among them were Mr. and Mrs. Lawrence Crusewell, Mr. and Mrs. William Phair.

Miss Vada Quay, who is working in Portland, visited her parents over Sunday.

Miss Ethel Calkins visited the Lusted school last Monday. She spoke on subjects of interest to the industrial club workers.

Dell Hudson, who lives a quarter of a mile east of Maberry, on a place he has homesteaded for the past five years, made his final proof last Tuesday.

Leo Dollowich is back from the service and is at his old job at the Spencer gardens.

Some used Fords for sale, in good condition. C. E. Osburn, Gresham.

If I Were a Farmer.

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds and croup.

Chamberlain's Liniment for sprains, bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.—Adv.
