

GRESHAM OUTLOOK TWICE A WEEK

Published every Tuesday and Friday at Gresham, Oregon, by the Outlook Publishing Co. H. L. St. Clair, Editor and Manager.

Our Subscription Rates One year, \$1.50; six months, 85c; three months, 50c.

Advertising Rates reasonable Our representative will call.

Phone 701 The Linotype Way is the Way that Wins.

Official paper of the Town of Gresham Official paper of the Town of Fairview.

Entered as second-class matter March 2, 1911, at the Postoffice at Gresham, Oregon, under the Act of March 2, 1879.

VICTORY IN MANY TONGUES.

Uncle Sam is speaking Americanism in all the various languages used by the cosmopolitan population of the United States. One hundred thousand copies of Victory Loan circulars have been received for distribution in Oregon to persons who speak other than the English language.

OILED UP TO VOTERS.

The oleomargarine bill, known during the recent legislature as Senate Bill 236, is being bucked by the associated industries of Oregon, believed to be an organization of oleomargarine manufacturers.

FERTILIZER HELPS STRAWBERRIES.

How a three-year average increase of 51 crates of strawberries per acre in the Hood River district was obtained by the application of 440 lbs. nitrate of soda, is told by Gordon G. Brown in the new Oregon station bulletin, "Fertilizer Tests for Strawberries."

IT'S ALL OFF.

Italy is reported as seething with fury against President Wilson. The people of Genoa have changed the name of the avenue recently named in honor of the president to Plume street.

Some used Fords for sale, in good condition. C. E. Osburn, Gresham.

Bales of Clothes for Balkan Relief

Bales of cotton and wool—in a new form are going to Europe daily now. It is that old shirt, pair of pants, or kiddie dress that you gave to Red Cross for relief of men, women and children of Poland, Belgium, Italy and Serbia.

EMPLOYMENT SUNDAY.

The following appeal from the U. S. employment service of the department of labor has been received from Wilfrid F. Smith, federal director for Oregon:

Since all the churches and church organizations in the country have united to observe Sunday, May 4th, as Employment Sunday, thereby enlisting in an intensive National campaign to assist the U. S. Employment Service and cooperating agencies in finding jobs for soldiers, sailors and war workers, I, the undersigned, take pleasure in giving most hearty endorsement to this patriotic movement.

It is to be hoped that in the observation of Employment Sunday, every church in the country will be filled. On that day clergymen, Bible class teachers and special speakers will appeal for support of the U. S. Employment Service and urge employers to keep all employment openings listed with the local offices and Bureaus for returning soldiers and sailors.

No subject is of more importance today than that of employment and industrial reconstruction. It was for the purpose of setting before the public the significance of these questions that May 4th is designated as Employment Sunday. Employers, working men and women, everybody, should make it a point to attend church on this day that mutual benefit may be derived from its full, patriotic and sincere observation.

"The church organizations of the country having generously united in an effort to assist the U. S. Employment Service in securing work for returning soldiers, sailors and war workers, and having designated Sunday, May 4th, as Employment Sunday, I am happy to add my voice to others in an appeal to our fellow countrymen to give their earnest and united support to this and every similar movement.

"I take it that the people of the country will universally observe Employment Sunday as a day of fresh dedication to the mutual helpfulness which will serve to work out in the months to come, the difficult problems of employment and industrial reconstruction.

"In these days of victory we can make no better offering than that of service to the men and women who have won the victory.

"Fall grain never looked better at this time of year" is the report from Willamette Valley growers. Favorable seeding conditions last fall and a mild winter, with rain at the right time, make a good crop this year.

LOCAL LOAN WORKERS BUSY IN FIELD

The victory loan workers of eastern Multnomah county are all actively employed on the drive for subscriptions. The last minute notification of the local workers by the managers of the campaign in Portland has of course been a handicap in delaying returns from this district.

Another reason for the farmers' investing in the bonds rather than expecting the banks to float the loan is that the farmer realizes that the banks must have some cash available to move the crops in a few months hence.

But the main reason the bonds are being bought out here is because Gresham is 100% American.

Reed College Chorus. Among the Gresham people who heard the Easter chorus and concert at Reed college Friday are Mr. and Mrs. C. E. Rusher, whose son Glenn is a member of the chorus.

Sure! He's There Yet. Who? Why, Chipman. Still selling second hand furniture at his store on Powell street.

U.S. Permanent Peace Women Sail

Woman's hand in affairs of the world is really helping shape the destinies of nations and included in that rank are the women from the United States. America's representatives have sailed to the International Congress for Permanent Peace which meets in Switzerland in May.

Newspaper Conference.

Chase St. Clair spent Friday and Saturday in Eugene at a conference of newspaper editors and publishers. Under the auspices of the college of journalism of the state university, the editors met to exchange ideas and discuss common business problems.

Discussion of cost finding and a standard of prices engaged the printers, with remarks from several rural publishers regarding estimates and time-saving arrangements. Especially enjoyable were the talks of Edgar B. Piper, editor of the Oregonian, who told humorously of his after-dinner speech making in England during his visit to the front and that of Colin V. Dymont, dean of journalism at the University of Washington, who told his listeners of his methods of story-getting on the battle front.

Good Incubator Yield.

A new batch of baby chicks left the incubator at the high school agricultural laboratory on Friday, 70 per cent of the eggs yielding good strong birds. Mr. Moffitt has been well pleased with the result of the hatchings, the first lot averaging 83 per cent, the second 70 per cent and the last 70 per cent, whereas 60 per cent is considered a good yield by poultry raisers.

The eggs are brought in from the poultry yards of the students taking the agricultural course, each pupil labeling them with his name and the name of the variety of chickens being hatched.

Pleasant Valley Re-elect.

At a recent meeting of the school board of Pleasant Valley district the two efficient teachers, R. L. Searle, principal, and Miss Edna Berke, were re-elected for the coming year, at a considerable salary increase.

Whooping Cough. Give Chamberlain's Cough Remedy to keep the cough loose and expectoration easy. It is excellent.—Adv.

The Ever Dependable "Ford." During the bitter fighting in France in September, 1918, when the United States Marines took the heart out of the Prussian guards, and in fact, out of the wicked fighting at Belleau Woods and vicinity, some twenty machines captured the little French village of Douresches. Scarce 200 yards beyond lay the German trenches. As the Germans were driven from the village of Douresches, their artillery dropped a fierce barrage behind the village to make impossible reinforcements being sent to our soldier boys. Our boys fought until their ammunition was exhausted, their food was gone, and they had no water, and still they held the village, and still the barrage fell around them, when suddenly out of the hell of fire of the barrage a truck broke through bringing water, food, and munitions. Upon receiving this, our American "war dogs" proceeded to drive the Germans out of the trenches.

It seems to have fallen to a certain American Motor Car company that here was an opportunity to do some advertising, and so it ran a full page advertisement in the newspapers recounting the above facts, and then inserting the following line: "It was a Ford truck that did this glorious work."

Everybody was glad and rejoiced that American industry came in just at the right time to endorse American courage and heroism. A manufacturer of another motor truck doubted the statement, and wrote the War Department asking if it wasn't one of their trucks that should have received the glory, and was informed by the War Department that neither their truck or the truck mentioned in the advertisement was entitled to the glory, but that it was a "Ford" truck that showed up just at that particular time. The latter manufacturer advised the Ford company of these facts, and they wrote the War Department, and received authentication of the statement.

For Bilious Troubles. To promote a healthy action of the liver and correct the disorders caused by biliousness, Chamberlain's Tablets are excellent. Try them and see how quickly they give you a relish for your food and banish that dull and stupid feeling.—Adv.

Sure! He's There Yet. Who? Why, Chipman. Still selling second hand furniture at his store on Powell street.

Bring in your Ford. We have a Ford mechanic, and put in Ford parts at Ford prices. C. E. Osburn, Gresham.

GOVERNMENT EXPERTS CONDUCT ARMY TEST

S. C. Kohls and Maye Palmer, government experts, were in Gresham yesterday. At the grade school they conducted the test used in selecting army officers in all branches of the service. It is used as a method of arriving at comparative standards of children of different ages. Pupils from the fourth to eighth grades participated, together with their teachers and the county superintendent of schools.

The second arithmetic contest was held at the rural schools throughout the county yesterday. Lewis Maulding of Gresham turned in his second perfect score, completing the test in fifteen minutes this time. Jeannette Dowsett also qualified for the final competition with 90% score in the required time.

CITATION. In the County Court of the State of Oregon for the County of Multnomah.

In the matter of the Estate of Mary Ann King, Deceased. To Fred C. King, Flora A. Wakefield, Blanche H. Halderman, Myrtle A. Jackson, Edward R. King, Lillian M. Lee, Grace V. Brown, Arthur R. King and Georgia P. Smith, heirs at law and next of kin of Mary Ann King, deceased, and to all other heirs unknown, if any there be:

In the name of the State of Oregon you and each of you, are hereby commanded to appear before the County Court of the State of Oregon, for the County of Multnomah, at the Courthouse in the City of Portland, on the 2d day of June, 1919, at the hour of 9:30 o'clock in the forenoon of said day, to show cause, if any you have, why an order should not be made by said County Court authorizing and empowering Arthur R. King, the administrator of the estate of Mary Ann King, deceased, to offer for sale and to sell at public or private sale, for cash or on time, as may be deemed for the best interest of said estate by the administrator and the Court, all the right, title and interest which said estate owns or claims in all of the following described real property, to-wit:

The East half of the Northeast quarter and the East half of the Southeast quarter of Section 12, in Township 3 South of Range 4 East, of the W. M., in Clackamas County, Oregon, and Lot 13 of Block 54, Town of Linton, in Multnomah County, Oregon.

This citation is published once each week for four successive weeks, by order of the Honorable George Tazewell, Judge of the above entitled Court, made and entered the 17th day of April, 1919.

Witness my hand and the seal of said Court affixed this 18th day of April, 1919.

JOSEPH W. BEVERIDGE, Clerk of County Court of the State of Oregon for the County of Multnomah.

By O. C. THORNTON, Deputy. First publication April 22, 1919.
